The Commercial Valley Mutual Protection Society, being incorporated by an Act of the Legislature, and fully organized and in operation for the direction of the following Board of Directors, viz: T. C. Miller, James Weigly, D. W. McCullough, A. G. Miller, T. M. Kinley, Philip Spangler, Samuel Galbraith, Samuel Trutt, Abim King, (Admrs.) John Zag, Samuel Huston, J. T. Green, J. B. ... all the attention of the inhabitants of Cumberland and Adams counties to the cheapness of the rates, and the many advantages which this kind of insurance has over any other.

1st. Every person insured becomes a member of the company and takes part in the selection of officers and the direction of its concerns.

2d. For insurance no more is demanded than is necessary to meet the expenses of the Company, and in indemnity against losses which may happen.

3d. The inconvenience of frequent renewals is avoided by insuring for a term of five years.

4th. Any person applying for insurance must give his premium note for the cheapest class at the rate of five per cent, which will be \$50 for the 1000, for which he will have to pay \$ 50 for five years and \$1 50 for survey and policy, and no more unless loss be sustained to a greater amount than the funds on hand will cover, and then no more than a pro rata share. These rates are much cheaper than those of other companies, except such as are incorporated on the same principles.

**HUNT'S LINIMENT,**

IS now universally acknowledged to be the INFALLIBLE REMEDY for Rheumatism, spinal affections, contractions of the muscles, sore throat and quinsy, issues, old ulcers, pains in the back and chest, ague in the breast and face, tooth-ache, sprains, bruises, salt rheum, burns, cramp, frost-bite, and all nervous diseases. The triumphant success which has attended the application of this most wonderful medicine in curing the most severe cases of the different diseases above named, and the high eucumonia that have been bestowed upon it, wherever it has been introduced, gives me the right to call on the afflicted to resort at once to the only remedy that can be relied on.

Fever Sores.—The following letter has just been received from the hands of Dr. Benjamin D. Miller, of the cure of an old Indolent Ulcer, or Fever-Sore. This person has been under the hands of several Physicians, and used every remedy, yet found no relief, till he was induced to try Hunt's Liniment, which effected a perfect cure. Pine-bridge, June 12, 1845.

Geo. B. Stanton, Esq. Dear Sir:—For six years I have suffered with what is commonly called a Fever Sore on my leg. I can scarcely describe to you all I endured for this long period, by this dreadful complaint, only about half that time have I been able to work.—I have had it examined by several Physicians and tried many of the remedies of the day for this kind of disease, but none of them afforded me any relief. I sent for Dr. Miller, and he recommended me to use Hunt's Liniment. I did so, and after using five bottles I am entirely well of a hideous sore that I supposed would hang on for life.—I feel like a new man, and heartily recommend this Liniment to all suffering persons, that they may be relieved at once. Most respectfully yours, Owen O'Shavin.

P. S. I cheerfully bear testimony to the truth of the above statement. Benj. D. Miller, M. D.

The following is selected out of a vast amount of testimony, showing the great value of Hunt's Liniment in cases of Rheumatism. To Geo. B. Stanton, Esq.—Sir—Having been afflicted with the Rheumatism for upwards of five years in my ankles and feet, and at times so painful that I could not walk, and had to be assisted to dress and unless myself; and having been under the care of four or five different physicians, and having tried almost every remedy I heard of, but not to much effect, I had given up all hopes of ever being cured, until I heard of Hunt's Liniment; I tried one bottle of it, and found immediate relief. That is about four months ago, and in that time I have used one dollar's worth, and now feel almost as well as ever I did. My family, as well as myself, can testify to its value; and I would advise all who are afflicted with pains and aches, to use Hunt's Liniment. Yours, Henry L. Buckhout. Sing Sing, Sept. 5, 1844.

This Liniment is sold at 25 and 50 cents per bottle by all the principal Druggists and Merchants. Wholesale Agent—Hoadly, Phelps & Co. 142 Water street, Rushton & Co. 110 Broadway, A. B. & D. Sands, corner Fulton and William, Aspinwall 80 William street, New York; Cuthbert & Wetherill 76 South Second, Philadelphia. Orders addressed to me at Sing Sing, N. Y. will be attended to. G. B. STANTON, Proprietor.

**DR. MC LANE'S VERMIFUGE.**

Promptly expels Worms to an almost incredible number!

TO substantiate the above fact many hundreds of testimonials could be adduced, out of which the following are selected, from individuals of standing and veracity. Indeed, it is confidently affirmed that each new trial of the powers of this remedy will have an additional tendency to widen and confirm its fame, and that if it were universally known and diffused over the U. States, it would save not less than many hundreds, if not thousands of lives annually.

**CERTIFICATES.**

I do certify that a vial of Dr. McLane's American Worm Specific expelled five hundred and two whole worms, and pieces that would have made sixty more, from a boy of John Lowell, which, if laid in a straight line, would have most probably measured the enormous length of one hundred yards.

Owner of Water Forge, and other works, Monongalia county, Va. This is to certify that I purchased from Holmes & Kidd a vial of Dr. McLane's American Worm Specific, and gave two doses to a boy of mine about three years of age. He passed fully half a pint of worms. The quantity was so large I was really alarmed, and after in several of my neighbors to see them. Had the witness not said, I could not have credited it, without being an eye-witness to the same. My child's health improved much after. SAM'L MORRISON, Merchant Tailor, Wood st., Pittsburgh. Hear Medical Testimony.

From a regular Physician, Dr. G. S. Smith, Sunfish, Ohio. Mr. J. Kidd—Dear Sir: I have used in my practice Dr. McLane's American Worm Specific, and have often witnessed its efficacy in expelling worms from the system. A patient of mine, a short time ago, gave a vial of the Worm Specific to a child and in a short time upwards of 65 worms were expelled.

Dr. A. P. Cory all certifies that he has frequently used the Specific in his practice, and with unrivaled success, it never failing to expel from 25 to 150 worms. A child of mine passed one-third of a pint of worms with one vial of Dr. McLane's Worm Specific. It is truly a surprising medicine. T. Blackburn, Peables township.

Surprising effects of Dr. McLane's Worm Specific. On Saturday Feb. 7, 1845, Mr. James Richardson called at the office of J. Kidd & Co. and made the following statement: A child of mine had been very sick for some ten days; we had given her purgative medicine, but it had done no good. One of our neighbors came in and said that it was worms that was destroying the child, and at the same time spoke of the wonderful effects she had witnessed from using Dr. McLane's Worm Specific in that neighborhood. We procured a vial, gave one teaspoonful, when the child discharged 42 large worms. I gave another teaspoonful, which brought away 46 more, in all 88 worms. As a duty I owe to you and the community I freely make known these facts. My child is now well. What is very remarkable, the Worm Specific expelled the worms alive in about four hours after I gave the medicine.

**DR. CULLEN'S INDIAN VEGETABLE PANACEA.**

PERSONS afflicted with Scrofula, King's Evil, Cancer, Erysipelas, Old Sores, Ulcers, Tetters, Mercurial Diseases, or any other complaints arising from impurities of the blood, are requested to read the following testimonials, in proof of the wonderful properties of the above named medicine. READ! READ! READ!!!

Messrs. Rowan & Walton.—Feeling grateful for the extraordinary Cure performed upon me by your Dr. Cullen's Indian Vegetable Panacea. I feel it my duty to furnish you with a short history of my case. When about 12 years of age I was attacked with King's Evil. I was under the care of an eminent Physician, and after a long course of medical treatment, was pronounced cured. At 14 years of age a disease, pronounced by some of the medical faculty as "Scrofula," and by others "Cancerous," manifested itself. This disease increased in its ravages, till my throat was filled with ulcers, and my face was covered with them; my nose was ulcerated and swollen to apparently four times its natural size. I also had Tumors in my breast and Ulcers on different parts of my person. I was placed under the care, at various times, of the most eminent Physicians of New York, Philadelphia, Baltimore and Cincinnati, who, after having used their utmost endeavors to effect a cure, my case was by them pronounced incurable. I have travelled over 21 States of the Union seeking relief; no expense was spared, and a large amount of money was expended, but all in vain. I then used large quantities of Swain's Panacea; he also taken Carpenter's Sarsaparilla, Schenck's Pulmonic Syrup, Townsend's Sarsaparilla, and numerous other preparations, without effect; my throat, nose, and face, were still ulcerated, and at length I lost entirely the sense of smelling. I continued in this deplorable condition for about 2 years; having given up all hopes of recovery I resigned myself to the will of Providence, supposing that every means of relief had failed. On the 5th day of August last, I commenced taking your Dr. Cullen's Indian Vegetable Panacea, having but little hopes of its benefiting me. After having used one bottle, I discovered to my utter astonishment and gratification that my sense of smelling was entirely restored, and that the ulcers were rapidly diminishing in size. I have now taken three bottles of the Panacea; my face, mouth, throat and nose are entirely healed. I am now 40 years of age, and after 28 years of indescribable suffering, my general health is better, and in fact, at no period of my life, have I felt as well as I have since using your invaluable Panacea. JULIA BRANCH, N. York, Sept. 30, 1846, 111 Cliff st.

We, the undersigned, being personally acquainted with Mrs. Julia Branch, of No. 111 Cliff street, and having a knowledge of her situation for several years past, do hereby certify that the above is a true statement of her case, so far as our personal knowledge goes; and from her character and standing we have full confidence in her statements, and in the efficacy of Dr. Cullen's Indian Vegetable Panacea. E. A. Ware, 113 Cliff st., CO Neal, 111 Cliff st., Maria Ware, do S. Glasgow, 23 Roosevelt S. Baxter, 61 Mulberry, Emily Earle, Hudson.

Ye learned ones of the "Healing Art," if ye can so far overcome professional pride as to use a medicine which ye know not how to compound, ye may preserve many valuable lives which will otherwise be sacrificed. Will ye not prescribe it? If it shall not accomplish all we claim for it after a fair trial, according to directions, we will publish an account of its failure in any three papers in the U. States at our own expense.

And here we say, without the fear of contradiction, that we have not found a case of Scrofula or other disease for which we recommend the Panacea, which the medicine has not speedily arrested.

We have at this time a multitude of patients under treatment, all of whom are doing well. Among them is one of CANCER, which was pronounced by physicians beyond the reach of Surgical assistance, but from all appearances will be cured in a few months.

The above valuable medicine is for sale wholesale and retail, by Messrs. Rowan and Walton, Proprietors; 376 market street, Philadelphia, and by the following agents: Samuel H. Buehler, Gettysburg, Pa. C. A. Morris, York, Pa. A. N. Robinson, Baltimore, Md. Jan. 15, 1847.—if
