grateful for the extraordinary Cure performed upon me by your Dr. Cullen's Indian Vegetable Panacca, Meel it my duty to furnish you with a short history of my case." When about 12 years of age I was the care of an eminent Physician, and after a long course of medical treatment, was pronounced cured. At 14 years of age a disease, pronounced by some of the medical faculty as "Scrofula," and by others "Cancerous," manifested itself. This disease increased in its ravages, till my throat was filled with ulcers, and my face was covered with them; my nose was ulcera-Prepared and sold at the Confection and ted and swollen to apparently four times its natural size. I also had Tumors in my breast and Ulcers on different parts of my person. I was placed under the care, at various times, of the most eminent Physicians of New York, Philadelphia, Baltimore and Cincinnati, who, after having used their utmost endeavors to effect a cure, my case was by them pronounced ineurable. I have travelled over 21 States of the Union seeking relief; no expense was spared, and a large an ount of money was expended, but all in vain. I then used large quantities of Swaim's Panacea; bave also taken Carpenter's Sarsaparilla, Schenck's Pulmonic Syrup, Townsend's Savsaparilla, and numerous other preparations, without effect; my throat nos , and face, were still ulcerated, and at length I lost entirely the sense of smelling. I continued in this deplorable condition for about 2 years; having given up : Il hopes of recovery. I resigned myself to the will of Providence, supposing that every means of relief had failed. On the 5th day of August last, I commenced taking your Dr. Cuilen's Indian Vegetable Panacea, having but little hopes of its benefitting n.e. After having used one bottle, I discovered to my utter astonishment and gratification that my sense of emelling was entirely ready stored, and that the ulcers were rapidly dimmishing in size. I have now taken three bottles of the Panacea; my face, mouth, throat and nose are entirely healed. I am now 40 years of age, and after 28 vears of indescribable suffering, my general health is better, and in fact, at no period of my life, have I felt as well as I have since using your invaluable Panacea.
