Stanton's External Remedy

HUNT'S LINIMENT, IS now universally acknowledged to be the INFALLIBLE REMEDY for Rheumatism, spinal affections, contractions of the muscles, sore throat and quincy, issues, old ulcers, pains in the back and chest, ague in the breast and face, tooth ache, sprains, bruises, salt rheum, burns, croup, frost-bite, and all nervous diseases. The triumph of success which has attended the application of this most wonderful medicine in curing the most severe cases of the different diseases above named, and the high eucroniums that have been bestowed upon it, wherever it has been introduced, gives me the right to call on the afflicted to resort to it as the only remedy that can be relied on.

George E. Stanton, Esq. Dear Sir—For more than half a century I have suffered by Rheumatism. A few months since in consequence of consequence of that disease which sticks closer than a brother, I fell and injured my side, inducing my applying Hunt's Liniment, from which I had immediate relief; subsequently feeling an attack of my old companion, I applied it to the part affected, which at once removed it. As a law compels all ship-masters to carry a medicine chest whilst at sea, none should go without this, as I think one bottle for external purposes worth all the medicine they can carry. You may use this communication at your pleasure. Very respectfully yours, EDMUND M. BLUNT.

A gentleman of high standing in the society of Friends, speaks as follows of the great remedy, Hunt's Liniment: Newcastle 11th month, 1st, 1841. George E. Stanton, Esq.—Thy letter of the 20th ultimo is received. In my reply I would say, that I have been troubled with a lame knee for several years, during which time it has distressed me much. I procured a bottle of Hunt's Liniment at thy store, early last spring, and I have used it freely, and I can say since that time I have had little or no trouble with my knee. A friend, to whom I sent a bottle, informs me that it was of great benefit in a rheumatic affection. I have no hesitation in recommending it to any person needing an external remedy. JACOB GRIFEN, Bedford, Sept. 4, 1845.

To George E. Stanton, Sir—Some time since I over-heated myself in working, and in a short time the calf of my leg broke out in pimples, which by scratching became feverish of the worst description. The irritation and swelling was so great that I could not rest day or night; I used one bottle of your Liniment and I am entirely well. I was also affected by a swelling in my groin from the same causes, and the application of the Liniment relieved me at once, and I most confidently recommend it to the public as an invaluable remedy. RICHARD MOSHER.

This Liniment is sold at 25 and 50 cents per bottle by all the principal Druggists and Merchants. Wholesale Agents—Hoadly, Phelps & Co 142 Water street, Rushion & Co 119 Broadway, A B & D Ponds, corner Fulton and William, Aspinwall 89 William street, New York; Cuthbert & Wetherill 78 South Second, Philadelphia. Orders addressed to me at Sing Sing, N. Y. will be attended to. G. E. STANTON, Proprietor. AGENTS.—Samuel H. Buehler & S. S. Forney, Gettysburg; Abraham King, Hunterstown; E. Zuck, Pinesburg; Jacob Hollinger, Heidersburg; Hollinger & Ferree, Petersburg, (T. S.); Jacob Aulbach, Hampton; Geo. S. Bentzel, Berlin May 7, 1847.

DR. CULLEN'S

INDIAN VEGETABLE PANACEA. PERSONS afflicted with Scrofula, Kings Evil, Cancer, Erysipelas, Old Sores, Ulcers, Tetters, Mercurial Diseases, or any other complaints arising from impurities of the blood, are requested to read the following testimonials, in proof of the wonderful properties of the above named medicine. READ! READ! READ!!! HEREDITARY TETTER.

GENTS.—It is now six months since my youngest child, a daughter, had a cutaneous affection, which made its appearance over its entire body. It was a case of Hereditary Tetter, and so virulent was the disease, that we wished, in case it could not be speedily relieved, that it might be soon laid in its grave. At this stage of the disease my sister-in-law called upon you, to advise us to the best preparation of Sarsaparilla that could be procured, as an alternative; when you recommended the use of Dr. Cullen's Indian Vegetable Panacea, and I am pleased to say that the good effects of the medicine were perceptible when it had taken but a few doses; and by the time we had used one single bottle, the disease had entirely disappeared, and from that time there has been no re-appearance. I really feel thankful to you for having recommended the Panacea in this case, for I feel confident that had not the disease been arrested, my child would, ere this, have been the tenant of the cold and silent tomb. Respectfully yours, ROWAND & WALTON. John P. Rees, Phila. Dec. 9 1845. 85 N. Seventh St.

WHITE SWELLING. Philadelphia December 10, 1845. Mr. J. T. Rowan. Dear Sir,—At your request I cheerfully give you an account of the wonderful cure effected upon me by Dr. Cullen's Indian Vegetable Panacea. At the age of fourteen years I had upon my right knee a White Swelling, which stiffened the joint, and caused some severity or more pieces of the bone to come away in the sores, and which was temporarily relieved by the usual remedies, but not entirely cured. At times sores would again break out, and become so distressing and painful that I could get no rest night nor day. As this way it continued till last spring, when having witnessed the extraordinary effects of your Panacea, as an alternative, upon a daughter of mine who was using it for a chronic disease, I concluded to make a trial of it in my own case; the result has been an entire cure. I am now sixty-seven years of age, and have suffered fifty-three years with sores. I cheerfully add my testimonial to the many others that I have heard of the cures performed by your celebrated Panacea. Thomas Walton, 490 N. Third Street, Alderman Seventh Ward, N. L.

SCROFULA. To whom it may concern.—This may certify that my child, almost from birth, was afflicted with Scrofula, which covered most of its body with sores; and that for eighteen months, though constantly under medical treatment, nothing afforded relief till I was induced to make a trial of Dr. Cullen's Indian Vegetable Panacea. The attending physician, on witnessing its good effects, recommended its continuance according to directions, and by using a single bottle of the Panacea, the child was apparently cured. It is now about four months since the medicine was discontinued, and I have no doubt but the cure is complete. Yours truly, ROWAND & WALTON. M. MCLEAS, Philad. Dec. 9, 1847. 380 Market St.

BARBER'S ITCH. Mr. J. T. Rowan—Sir,—Sometime last Spring I was so unfortunate as to get the "Jackson, or Barber's Itch," by shaving after some one affected by that troublesome and obstinate disease. You cannot have forgotten the swollen and irritated condition of my face at the time you recommended "Dr. Cullen's Indian Vegetable Panacea." I have now the pleasure to inform you, for the benefit of all who are similarly afflicted, that the use of a single bottle of the Panacea cured me entirely. You may well judge of my gratification at such a result, as I had so often known the disease to continue for years under the usual mercurial remedies. (Signed) Phila. Aug. 5 1845. T. L. Sanders, Pledge Office.

Ye learned ones of the "Healing Art," if ye can so far overcome professional pride as to use a medicine which ye know not how to compound, ye may preserve many valuable lives which will otherwise be sacrificed. Will ye not prescribe it? If it shall not accomplish all we claim for it after a fair trial, according to directions, we will publish an account of its failure in any three papers in the U. States at our own expense. And here we say, without the fear of contradiction, that we have not found a case of Scrofula or other disease for which we recommend the Panacea, which the medicine has not speedily arrested. We have at this time a multitude of patients under treatment, all of whom are doing well. Among them is one of CANCER, which was pronounced by physicians beyond the reach of Surgical assistance, but from all appearances will be cured in a few months.

The above valuable medicine is for sale wholesale and retail, by Messrs. Rowan and Walton, Proprietors, 376 Market street, Philadelphia and by the following agents: Samuel H. Buehler, Gettysburg, Pa. C. A. Morris, York, Pa. N. N. Robinson, Baltimore, Md. April 23, 1847.—1f
