

HON. SALMON P. CHASE has been re-nominated by the Republicans of Ohio for Governor.

Announcements, &c. Announcements of Candidates for office one dollar each, invariably in advance.

Announcement.—We are authorized to announce DAN BAKER, of Ulster, as a candidate for the office of PROTHONOTARY, subject to the decision of the Republican County Convention.

Is not E. LYMAN the man for County Commissioner? He is a firm advocate for temperance and Republican principles, of good report, and the best town officer in Sweden. Until he changed his politics, he was the leader in town business, now he is not fit for a member of the Board. I believe he can get the nomination, if some one will speak for him, on the 27th, when the delegates meet in convention. If there be no objections in your mind, would it not be proper for the Journal to announce his name for that office next week. Please do it.

H. L. BIRD. P. S.—Dennis Hall, and others proposed his name last year but he refused for good reasons. He will now comply with the wishes of his friends.

Married. McCORMICK—BROWNLEE.—In Syria, at the residence of the bride's father, on the 11th inst. by Rev. J. Hendrick, Mr. BOUQUET, GUYON and Miss JANE BROWNLEE, both of New York City.

IMPORTANT DISCOVERY.

CONSUMPTION AND ALL DISEASES OF THE LUNGS AND THROAT ARE POSITIVELY CURABLE BY INHALATION.

WILLIAMS cures the remedies to the epithelium in the lungs through the air passages, and coming in direct contact with the disease, neutralizes the tubercular matter, allays the cough, causes a free and easy expectoration, heats the lungs, purifies the blood, imparts renewed vitality to the nervous system, giving that tone and energy so indispensable for the restoration of health.

Truly the power of death has no arrow so fatal as Consumption. In all ages it has been the great enemy of life, for it spares neither age nor sex, but sweeps off alike the brave, the beautiful, the graceful and the gifted. By the help of that Supreme Being from whom cometh every good and perfect gift, I am enabled to offer to the afflicted a permanent and speedy cure in Consumption.

SUFFER NOT!

WHEN A CURE IS GUARANTEED IN ALL STAGES OF SECRET DISEASES.

Self-Abuse, Venereal Debility, Stricture, Gleet, Gravel, Diabetes, Diseases of the Kidneys and Bladder, Mercurial Rheumatism, Scrophula, Pains in the Bones and Ankles, Diseases of the Lungs, Throat, Nose and Ears, Discharge from the Body or Limbs, Cancer, Dropsy, Catarrhs, St. Vitus's Dance, and all diseases arising from a vitiation of the Sexual Organs.

Such as Nervous Trembling, Loss of Memory, Loss of Power, General Weakness, Dimness of Vision with peculiar spots appearing before the eyes, Loss of Sight, Wakefulness, Dyspepsia, Liver Disease, Eruptions upon the face, Pain in the back and head, Female Irregularities and all improper discharges from both sexes. It matters not from what cause the disease originated, however long standing or obstinate the case, recovery is certain, and in a shorter time than a permanent cure can be effected by any other treatment, even after the disease has baffled the skill of eminent physicians and resisted all their means of cure.

The medicines are pleasant without mercury, causing sickness and free from mercury as has been the case during twenty years of practice. I have rescued from the jaws of Death many thousands, who, in the last stages of the above mentioned diseases had been given up to die by their physicians, which warrants me in promising to the afflicted, who may place themselves under my care, a perfect and most speedy cure. Secret Diseases are the greatest enemies to health, as they are the first cause of Consumption, Scrophula, and many other diseases; and should be a terror to the human family. As a permanent cure is scarcely ever effected, a majority of the cases falling into the hands of incompetent persons, who not only fail to cure the disease but ruin the constitution, filling the system with mercury, which, with the disease, hastens the sufferer into a rapid Consumption.

But should the disease and the treatment not cause death speedily and the victim marries, the disease is entailed upon the children, who are born with feeble constitutions, and the current of life corrupted by a virus which betrays itself in Scrophula, Tetter, Ulcers, Eruptions and other affections of the skin, Eyes, Throat and Lungs, entailing upon them the sad existence of suffering and consigning them to an early grave.

SELF ABUSE is another formidable enemy to health, for nothing else in the dread catalogue of human diseases causes so destructive a drain upon the system, drawing its thousands of victims through a few years of suffering down to a premature grave. It destroys the nervous system, rapidly wastes away the energies of life, causes mental derangement, prevents the proper development of the system, disqualifies for marriage, society, business, and all earthly happiness, and leaves the sufferer writhed in body and mind, predisposed to an unpropitious and a train of evils more to be dreaded than death itself.

With the fullest confidence I assure the unfortunate victims of Self-Abuse that a permanent and speedy cure can be effected, and with the abandonment of ruinous practices my patients can be restored to robust, vigorous health.

The afflicted are cautioned against the use of Patent Medicines, for there are so many ingenious snafes in the columns of the public prints to catch and rob the unwary sufferer, that millions have their constitutions ruined by the vile compounds of quack doctors, or the equally poisonous nostrums vended as "Patent Medicines." I have carefully analyzed many of the so called Patent Medicines and find that nearly all of them contain Corrosive Saluinate, which is one of the strongest preparations of mercury and a deadly poison, which instead of curing the disease, disables the system for life.

Three-fourths of the patent nostrums now in use are put up by unprincipled and ignorant persons, who do not understand even the alphabet of the materia medica, and are equally as destitute of any knowledge of the human system, having one object only in view, and that to make money, regardless of consequences.

Irregularities and all diseases of males and females treated on principles established by twenty years of practice, and sanctioned by thousands of the most remarkable cures. Medicines with full directions sent to any part of the United States or Canada, by patients communicating their symptoms by letter. Business correspondence strictly confidential. Address: J. SUMMERSVILLE, M.D., Office No. 1131 Filbert St., (Old No. 109) PHILADELPHIA.
