an early grave. SELF ABUSE is another formidable evemy to health, for nothing else in the dread cotalogue of human diseases causes so destructivo logue of human discusses causes so destructive admin upon the system, drawing its thousands of victims through a few years of suffering down to an untimely grave. It destroys the Nervous system, rapidly wastes away the en-ergies of life, causes mental derangement, prevents the proper development of the system, desauclines for marriage society, business disqualifies for matriage, society, businesse and all earthly happine., and leaves the sufferer wrecked in body and mind, predisposed to consumption and a train of evils more to be drended than death itself. With the fullert confidence I assure the unfortunate victims of Self-Abuse that a permanent and speedy cure can be affected, and with the abandonment of ruinous practices my patients can be restored. to robust, vigorous health.

The afflicted are cautioned against the use of Patent Medicines, for there are so many ingenious snares in the columns of the public prints to catch and rob the unwary sufferers that millions have their constitutions ruined, hy the vile compounds of quack doctors; or, by the vile compounds of quark doctors, of, the equally poisonous nostrums vended as, "Patent Medicines." I have carefully analyzed, many of the so called Patent Medicines and find that nearly all of them contain Corrosive Sublimate, which is one of the strongest pre-parations of mercury and a deadly poiron, which instead of curing the disease disabled the system for life. the system for life.

Three-fourths of the patent nostrums now in use are put up by unprincipled and ignorant persons, who do not understand even the alphabet of the materia medica, and are equally as destitute of any knowledge of the human system, having one object only in view, and hat to make money regardless of consequen-

Irregularities and all diseases of males and emales treated on principles established by twenty years of practice, and sanctioned by thousands of the most remarkable cures. Medicines with full directions sent to any part of the United States or Canadas, by patients communicating their symptoms by letter. Business correspondence strictly coulidential, Address.
