IMPORTANT DISCOVERY.

CONSUMPTION AND ALL DISEASES OF THE LUNGS AND THROAT ARE POSITIVELY

CURABLE BY INHALATION, WIIICH conveys the remedies to the cavities in the lungs through the air passages, and coming in direct contact with the disease, neutralizes the tubercular matter, allays the cough, causes a free and easy expectoration, heals the lungs, purifies the blood, imparts renewed vitality to the nervous system giving that tone and energy so indispensable for the restoration of health. To be able to state confidently that Consumption is curable by inhalation, is to me a source of unalloyed pleasure. It is as much under the control of medical treatment as any other formidable disease; ninety out of every hundred cases can be cured in the first stages, and fifty per AND SORENESS OF THE BODY. Take the cent, in the second; but in the third stage it Cherry Pectoral on going to bed and wrap up is impossible to save more than five per cent., warm, to sweat during the night. sumptive's graves.
