Of all diseases, the great, first cause Springs from neglect of Nature's laws. SUFFER NOT! IN ALL STAGES OF SECRET DISEASES.

Self-Abuse, Nervous Debility, Sciatica, Gleet, Gravel, Diabetes, Diseases of the Kidneys and Bladder, Menstrual Irregularities, Scrophulous, Pains in the Bones and Joints, Diseases of the Lungs, Throat, Nose and Ears, Ulcers upon the Body or Limbs, Cancer, Piles, Epileptic Fits, St. Vitus's Dance, and all other ailments arising from a derangement of the Sexual Organs.

SUCH as Nervous Trembling, Loss of Memory, Vision of Power, General Weakness, Impunity of Loss with peculiar signs appearing in the face, Eyes, Loss of Sight, Wakefulness, Dyspepsia, Liver Disease, Eruptions upon the face, Pimples in the back and head, Female Irregularities and all other discharges from both sexes. It matters not from what cause the disease originated, how long standing or obstinate the case, recovery is certain, and in a shorter time than you ever knew can be effected by our direct treatment, even after the disease has been the skill of eminent physicians and resisted all their means of cure. The medicines are pleasant without odor, causing no sickness and free from mercury or bismuth. During twenty years of practice, I have rescued from the jaws of death many thousands, who, in the last stages of the above mentioned diseases had been given up to die by their physicians, which warrants me in promising to the afflicted, who may place themselves under my care, a perfect and most speedy cure. Secret Diseases are the greatest enemies to health, as they are the first cause of Consumption, Scrophulous, and many other diseases, and should be a terror to the human family. As a permanent cure is scarcely ever effected, a majority of the cases falling into the hands of incompetent persons, who not only fail to cure the disease but ruin the constitution, filling the system with mercury, which the disease sustains, and resisted all their means of cure.
