Town and County.

Harper's Magazine for June is already on our table—a week earlier than we have ever known it. It is as well filled with excellent reading matter as usual, and the mere announcement that it is "out" is all that is required to insure it many readers hereabouts.

The services of a good Shoe and Boot maker have long been needed in this place. The advent of Mr. Hausselt will, therefore, be regarded with much pleasure, by all who desire handsome and well-made footings. We can bear testimony to his ability to "fit" our feet, and cheerfully call attention to his advertisement in another place.

In our absence, our Devil, or some other badly disposed person, insinuated that we had thrown off our bachelorhood. We take this occasion to say that the assertion was without foundation, and we yet live to thank our stars that we are a free man. Will the bachelor's club take notice.—*Lock Haven Watchman*

That's the talk, friend Dunham—there's nothing like Freedom, and especially that which allows you the glorious privilege of being your own Sewing-machine!

And, speaking of Sewing-machines reminds us that we have an excellent poem on the subject, by the poet Morris, on our first page. We rather suspect Morris must have had his eyes on one of Grover & Baker's Machines when he wrote those lines. We received a letter a few days since containing a couple of samples of the sewing done by them, and, not being a judge of such things, we handed them to several of the Sewing machines that are not made of iron or wood, and they pronounced it good work.

We would call the attention of the Board of Managers of the County Agricultural Society, to the fact that the latest day on which a Fair can be prudently and profitably held is but five months off, and they have not yet published their list of Premiums. It is high time they were placed before farmers in some shape, in order to induce a proper competition for them. Much of the success of any future Fair in this county depends on the exhibition this fall; and though we hope all farmers will contest for the first premiums, whatever they may be, we think the publication of them now, will add much to the credit and variety of the exhibition.

In this connection we again urge the wives and daughters of this county to take an interest in this matter, and make a handsome display of their proficiency in housewifery and its cotemporaneous duties. As an inducement for young ladies to compete in the Fair, we would state that the Board of Managers are urging us to become one of the premiums in that department. We are young, (consult the family record,) good looking, (ask the girls, kind and gentle, (examine the justices dockets,) affable or taciturn, according to the occasion, (ask any young lady we have ever "set up" with,) in fact, if we consent to become a premium at all, we shall be much astonished if the Managers fail to make us the capital prize. Who wants to win?

Throwing all jokes aside, however, we hope all who are interested in the welfare of the county will be "on the ground." Agriculture is the first interest of our nation and country, and should be advanced by a union of its various elements.

FROM WASHINGTON.

Correspondence of the N. Y. Eve. Post.

The Douglas Decapitation Continued—Weer Catechised and Removed by the Cabinet.

WASHINGTON, May, 11, 1858.

The "Ironing Rule" is to be continued in Kansas! The conference "peace measure" is a disturbing element in the Cabinet, having created a sharper war of words in that branch of the government than has ever before occurred. Secretary Floyd's policy, to cease hostilities against Douglas men, is abandoned, and that of Cobb and Thompson, to slaughter all Douglasites, and subdue the people of Kansas, has triumphed, as I have before intimated would be the result. Mr. Buchanan, yielding to this policy of Cobb, Thompson & Co, sent to the Senate yesterday the nomination of Mr. Allison Davis, as United States Attorney for the Territory of Kansas. Davis seems to be a stranger to everybody in Washington outside of the Cabinet, but I learn that he is a Lecompton democrat. He has been a resident of Kansas for some time, and, it is said, went to that Territory from New York state, where he was a whig member of the legislature not many years ago. Mr. Weer, who is removed by this appointment, left for Kansas last Friday. Before doing so he was asked, by a subordinate officer in the Interior Department: "How do you stand on Lecompton—are you for or against the bill as submitted to the people?"

Mr. Weer replied that he voted to make Kansas a free state, under Lecompton, last January, and should not reverse his vote, and had no desire to do so. He subsequently told Mr. Thompson, secretary of the same department, that he had labored sincerely, with the democratic party, to make Kansas a slave state; that such had been the policy of the party, but that it had been ruined in the territory, and nearly ruined in the country, pursuing such a course, and that he was done with such a suicidal policy; he believed it to be the policy of the democracy to make Kansas a free state, and was opposed to Lecompton, and should vote against it as submitted to the people.

Mr. Thompson then informed Mr. Weer that there would be removals in the territory forthwith. The first carries with it the official head of Mr. Weer!

The appointment of Mr. Davis will make the commission, under the Conference Lecompton bill, stand as follows:

Lecompton—Denver, Walsh, Davis.
Anti-Lecompton—Deitzler, Babcock.

The programme for conducting the election—appointing judges, keeping open the polls, counting the votes, making the returns, and fixing the day when the election shall take place, *to conform to the convenience of the Missourians*—has been fixed upon by the Cabinet, and will be endorsed by the majority of this packed commission!

The removal of Weer and appointment of Davis is an open declaration of war against the rights of the people of Kansas to govern themselves; is equivalent to an announcement that Kansas must come into the Union as a slave state under the Lecompton Constitution. H.

DO YOU EVER
WANT ANY THING
FROM NEW YORK?
IF SO, SEND YOUR ORDER TO
F. S. CABOT & CO.,
Buyers, 85 Barclay St.

ALMOST every one, certainly every merchant, has sometimes very strongly wished that he had a reliable correspondent and friend living in this great metropolis to whom he could send for the transaction of some business or the purchase of some article, that he could not make it convenient to go to the city to do, or to buy himself, with full confidence, that the business would be well done, and at a reasonable expense to him. Having become satisfied by a considerably extended observation and experience that this is an almost universal want, we have established our house to supply it. We have found that thousands of persons from Maine to Georgia are constantly sending to us to execute orders, involving purchases varying from 25 cents to as many hundred dollars, and we believe in every case, those employing us have been satisfied both with the quality of the services rendered and equity of our charges. We mean that our charges shall in all cases be fair and reasonable, being predicated on the time and labor consumed. It is certain, that being constantly in the market, buying largely for cash, we can BUY BETTER than any single purchaser can. In fact, we save to our friends much more in prices than the commission we charge. No men, who only occasionally comes here can be familiar with a market so extensive as this. We being here all the time, are thoroughly acquainted with it, and know where to go to and every thing in first hand and at the lowest rates. We have found that many of our distant friends would send us country produce to sell, sometimes the proceeds to be invested in goods, sometimes in money. Accordingly we have made the very best arrangements to enable us to do justice to those who may consign to us. Our charges for selling are a usually five per cent., although in special cases of very large or very small transactions, equity might require it to be varied from that. We have a circular giving more at length the scope and plan of our business, with statement of our charges for buying some of the leading articles, which will be sent on application.

Letters of inquiry only should contain stamps to prepay the replies.

A GREAT BOOK FOR AGENTS.
Published this Day, Feb. 9, 1858,
Fifty Years in Chains:
OR, THE LIFE OF AN AMERICAN SLAVE,
WRITTEN BY HIMSELF.

438 Pages, Cloth, Gilt Back. Price $1.

This is the title of one of the most intensely interesting biographies of the day. It is a plain history of an American slave in the far South, who, after two or three escapes and recaptures, finally, an old man, found freedom and rest in one of the Northern States.

WHAT THE PRESS SAY.

The story is told with great simplicity, but with much power and pathos. Whoever takes it will find it difficult to lay it down until it is finished.—*National Era*, Washington, D. C.

A narrative of real experience like the above will have far more effect against slavery than the ingeniously wrought novel, however true to life its pictures may be.—*La. Baptist.*

Here is a book of facts, stranger than fiction, and a thousand-fold more thrilling, a simple tale of life-long oppression, revealing truly the workings of the "peculiar institution" in our country. To the story-loving we would say, here is a story worth reading.—*Mission Record.*

A THOROUGH CANVASSER IS WANTED.

In each county in the free States, to engage in the sale of the above work immediately. Such can easily clear from

$50 TO $100 PER MONTH.

The work is beautifully printed and bound and is not one of the books that sell for $1.25; but as we mean to sell at least ONE HUNDRED THOUSAND COPIES, through agents, we have made the retail price ONE DOLLAR

A Benevolent Institution, established by special endowment for the relief of the sick and distressed, afflicted with Virulent and Epidemic diseases.

TO all persons afflicted with Sexual Diseases, such as SPERMATORRHŒA, SEMINAL WEAKNESS, IMPOTENCE, GONORRHŒA, GLEET, SYPHILIS, the Vice of ONANISM, or SELF ABUSE, &c., &c.

The HOWARD ASSOCIATION, in view of the awful destruction of human life, caused by Sexual diseases, and the deceptions practised upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a CHARITABLE ACT worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give MEDICAL ADVICE GRATIS, to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.,) and in cases of extreme poverty, to FURNISH MEDICINES FREE OF CHARGE. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.

Just Published by the Association, a Report on Spermatorrhœa, or Seminal Weakness, the Vice of Onanism, Masturbation or Self-Abuse, and other Diseases of the Sexual Organs, by the Consulting Surgeon, which will be sent by mail, (in a sealed envelope,) FREE OF CHARGE, on receipt of TWO STAMPS for postage.

Address for Report or treatment, Dr. GEORGE R. CALHOUN, Consulting Surgeon, Howard Association, No. 2 South Ninth Street, Philadelphia, Pa.

By order of the Directors.
