## SUFFER NOT! When a CURE is guaranteed

IN ALL STAGES OF

SECRET DISEASES. Self-Abuse, Nervous Debility, Strictures, Gleets Self-Abuse, Aervous Debuty, Sprictures, Gleets Gravel, Diabetes, Diseases of the Kidneys and Bladder, Mercurial Kheumatism, Scroftda, Pains in the Bones and Ankles, Diseases of the Iungs, Throut, Nose and Eyes, Ulcers upon the Body or Limbs, Cancers, Dropsy, Epileptic Fits, St. Vitw's Dance, and all diseases arising from a deringement of the Sexual Organs,

SUCH as Nervous Trembling; Loss of Mem-ory, Loss of Power, General Weakness, Dimness of Vision with peculiar spots appear-ing before the eyes, Loss of Sight, Wakefulness, Dyspepsia, Liver Disease, Eruptions upon the face, Pain in the back and head, Feniale irregularities and all improper discharges from, both sexes. It matters not from what cause the discase originated, however long standing a shorter time than a permanent cure can be cffected by any other treatment, even after the disease has baffled the skill of eminent physi-cians and resisted all their means of cure. The medicines are pleasant without odor, causing no sickness and free from mercury or balsam. in the last stages of the above mentioned discases had been given up to die by their physicians, which warrants me in promising to the afflicted, who may place themselves under mycare, a perfect and most speedy cure. Secret Diseases are the greatest enemies to health, as. they are the first cause of Consumption, Serof-

ula, and many other diseases, and should be a terror to the human family. As a permanent cure is scarcely ever effected, a majority of the cases falling into the hands of incompetent persons, who not only full to-cure the discases ruin the constitution with mercury, which, with the disease, has-tens the sufferer into a rapid Consumption.

But should the disease and the treatment

not cause death speedily and the victim mar-

ries, the disease is entailed upon the children,

who are born with feeble constitutions, and

the current of life corrupted by a virus which betrays itself in Scrofula, Tetter, Ulcers, Erup-tions an other affections of the skin, Eyes, Throat and Lungs, entailing upon them a brief existence of suffering and consigning them to

an early grave. SELF ABUSE is another formidable enemy (

to health, for nothing else in the dread catalogue of human discuses causes so destructive
