THE MILKING MAID IN THE MORNING.

When the dew is on the clover,
And the grass in Autumn bloom,
And the primrose beds all over
With acorn cups are strewn;
And the lazy rook sits yawning
High upon the tallest tree,
And my feathered loving,
Is to the milking through the fog,
Then calls to me:
The cuckoo free;
And the blackbird at the dawn
Sings clear and ripe,
With his golden pipe,
To the milking maid in the morning.

When the bloom is on the bean-stalk,
And the hare in green hedge-rows
Washes her face with the dew-drops,
I call to my new milk cow,
The partridge springs, on dewy wings,
And the pheasant, under the bough,
Plashes the sheep of his purple rings,
As my milk-white heifers low,
And sings for me,
In green-wood tree,
The thrush sits at the dawn;
And the sky lark he
Pipes cheerily
To the milking maid in the morning.

INFANTS APPEALING FOR DIVORCE.
Special term. Before Judge Sutherland,
A very amusing petition for a divorce
was presented to the Judge, which may
be taken as highly illustrative of an age
of progress. Edward Ayers, "an infant,
aged fourteen," applied by petition to
have a guardian appointed to prosecute a
suit for divorce from his—the petitioner's,
not the guardian's—wife. The
Judge having read the papers, enquired
how old the interesting lady might be,
and was informed she was about sixteen.
The Judge then signed the paper, and
granted the prayer of the petition, ap-
pointing James Horsford such guardian.

**HOWARD ASSOCIATION,
PHILADELPHIA.**

A benevolent institution, established by special
endowment for the relief of the sick and dis-
tressed, afflicted with Venereal and
Epidemic diseases.

To all persons afflicted with Venereal Disen-
ses, such as SPERMATORRHOEA, SEMI-
NAL WEAKNESS, IMPOTENCE, GONOR-
RHOEA, GLEET, SYPHILIS, the Vice of
ONANISM, or SELF ABUSE, &c., &c.

The HOWARD ASSOCIATION, in view of
the awful destruction of human life, caused
by Venereal diseases, and the deceptions prac-
tised upon the unfortunate victims of such
diseases by Quacks, several years ago directed
their Consulting Surgeon, as a CHARITABLE
ACT worthy of their name, to open a Dispensary
for the treatment of this class of diseases,
in all their forms, and to give MEDICAL AD-
VICE GRATIS, to all who apply by letter,
with a description of their condition, (age,
occupation, habits of life, &c.) and in cases
of extreme poverty, to FURNISH MEDICINES
FREE OF CHARGE. It is needless to add
that the Association commands the highest
Medical skill of the age, and will furnish the
most approved modern treatment.

The Directors, on a review of the past, feel
assured that their labors in this sphere of be-
nevolent effort, have been of great benefit
to the afflicted, especially to the young, and they
have resolved to devote themselves, with re-
newed zeal, to this very important but much
neglected cause.

Just Published by the Association, a Report
on Spermatorrhea, or Seminal Weakness, the
Vice of Onanism, Masturbation or Self-
Abuse, and other Diseases of the Sexual Or-
gans, by the Consulting Surgeon, which will
be sent by mail, (in a sealed envelope) FREE
OF CHARGE, on receipt of TWO STAMPS
for postage.

**DO YOU EVER
WANT ANY THING
FROM NEW YORK?**
If so, SEND YOUR ORDER TO
F. S. CABOT & CO.,
Buyers, 55 Barclay St.

ALMOST every one, certainly every mer-
chant, has sometimes very strongly wish-
ed that he had a reliable correspondent and
friend living in this great metropolis to whom
he could send for the transaction of some busi-
ness, or the purchase of some article, that he
could not make it convenient to go to the city
to do, or to buy himself, with full confidence,
that the business would be well done, and at
a reasonable expense to him. Having become
satisfied by a considerably extended observa-
tion and experience that this is an almost un-
iversal wish, we have established our house to
supply it. We have found that thousands of
persons from Maine to Georgia are constantly
sending us to execute orders, involving pur-
chases varying from 25 cents to as many hun-
dred dollars, and we believe in every case,
those engaging us have been satisfied both
with the quality of the services rendered and
equity of our charges. We mean that our
charges shall in all cases be fair and reason-
able, being predicated on the time and labor
consumed. It is certain, that being constantly
in the market, buying largely for cash,
we can buy articles that any single pur-
chaser can. In fact we save to our friends
much more in price than the commission we
charge. No man, who only occasionally
comes here can be familiar with a market so
extensive as this. We bring here all the time,
are thoroughly acquainted with it, and know
where to go to find every thing in first hand,
and at the lowest rates. We have found that
many of our distant friends wish to read us
country produce to sell, sometimes the pro-
duce to be invested in goods, sometimes in
money. Accordingly we have made the very
best arrangements to enable us to do justice
to those who may consign to us. Our charges
for selling are a usually five per cent, although
in special cases of very large or very small
transactions, equity might require it to be
varied from that. We have a circular giving
more at length the scope and plan of our busi-
ness, with statement of our charges for buy-
ing some of the leading articles, which will be
sent on application.
Letters of inquiry only should contain
stamps to prepay the replies.

CAUTION.

Merchants and Trades will be on their guard and not
be imposed upon by a Counterfeit of Morse's Indian Root
Pills, signed J. A. Morse. All genuine Indian Root Pills
have the name and signature of J. A. Morse on each box.

Above we present you with a likeness of
DR. MORSE—the inventor of MORSE'S IN-
DIAN ROOT PILLS. This philanthropist has
spent the greater part of his life in traveling,
having visited Europe, Asia, and Africa, as
well as North America—has spent three years
among the Indians of our Western country—
it was in this way that the Indian Root Pills
were first discovered. Dr. Morse was the first
man to establish the fact that all diseases arise
from IMPURITY OF THE BLOOD—that our
strength, health and life depended upon this
vital fluid.
When the various passages become clogged,
and do not act in perfect harmony with the
different functions of the body, the blood loses
its action, becomes thick, corrupted and dis-
eased; thus causing all pains, sickness and
distress of every kind; our strength is ex-
hausted, our health we are deprived of, and if
nature is not assisted in the removal of the
impurities, the blood will become clogged
and cause to act, and our strength of life will
forever be blown out. How important then
that we should keep the various passages of
the body free and open! And how pleasant
is it that we have it in our power to put a
medicine in your reach, namely, Morse's In-
dian Root Pills, manufactured from plants
and roots which grow around the monu-
mental cliffs in Nature's garden, for the health and
recovery of diseased man. One of the roots
from which these Pills are made is a St. John's
wort, which grows in the crevices of the rocks,
Nature in throwing out the finer parts of the
corruption within. The second is a plant
which is an Expectant, that opens and re-
gulates the passage to the lungs, and thus, in a
soothing manner, performs its duty by throw-
ing off phlegm, and other humors from the
lungs by copious spitting. The third is a Di-
uretic, which gives ease and double strength
to the kidneys; thus encouraged, they draw
large amounts of impurity from the blood,
which is then thrown out bodily by the
urinary or water passages, and which could
not have been discharged in any other way.
The fourth is a Cathartic, and accompanies
the other properties of the Pills, which engage
in purifying the blood; the coarser particles
of impurity which cannot pass by the other
outlets, are thus taken up and conveyed off in
great quantities by the bowels.
From the above, it is shown that Dr. Morse's
Indian Root Pills not only enter the stomach,
but become united with the blood, for they find
their way to every part, and completely re-
fresh and cleanse the system from all impurity,
and the life of the body, which is the blood, be-
comes perfectly healthy; consequently all
sickness and pain is driven from the system,
for they cannot remain when the body becomes
so pure and clear.
The reason why people are so distressed
when sick, and why so many die, is because
they do not get a medicine which will pass
to the afflicted parts, and which will open the
natural passages for the disease to be cast out;
hence, a large quantity of food and other mat-
ter is lodged, and the stomach and intestines
are literally overflowing with the corrupt ma-
ss; thus undergoing disagreeable fermenta-
tion, constantly mixing with the blood, which
throws corrupt matter through every vein
and artery, until life is taken from the body
by disease. Dr. Morse's PILLS have added to
themselves victory upon victory, by restoring
allies of the system, by promoting health and
happiness. For thousands have been by
packed or cramped with sickness, pain and
anguish, and whose feeble frames have been
sorely tried by the burning elements of raging
fever, and who have been brought, as it were,
within a step of the silent grave, now stand
ready to testify that they would have been
numbered with the dead, had it not been for
this great and wonderful medicine, Morse's
Indian Root Pills. After one or two doses had
been taken, they were astonished, and abso-
lutely surprised, in witnessing the charming
effects. Not only do they give immediate ease
and strength, and take away all sickness,
pain and anguish, but they at once go to
work at the foundation of the disease, which
is the blood. Therefore, it will be
shown, especially by those who use these Pills,
that they will so cleanse and purify, that dis-
eases that readily ensue—will take its flight,
and the life of youth and beauty will again
return, and the eyes be bright and happy.
