Cemperance,

Potico Priends of Temperance, and late sons of Temperance yanią.

The undersigned, a committee appointed by the Grand Division of the Sons of Temperance of hibitory laws. These laws cannot be the said State of Pennsylvania, at a Session held pissed, or at least cannot be successfully at York, on the 28th day of April, 1858, to enforced, till there is correct opinion upaddress you a Circular, presented the following on the subject—till voters and legislators which was adopted, and directed to be published in large mainting are convinced by ration.

al arguments that drinking intoxicating CIRCULAR, beverages, in any quantity, is a deep, The Temperance cause in the United grievous, and intensely mischievous sin.

Above we present you with a likeness of by inhalation, is to me a source of unalloyed grievous, and intensely mischievous sin.

Blates has passed through a series of The masses do not now believe this truth;

DR. MORSE—the inventor of MORSE'S INpleasure. It is as much under the control of MAN ROOT PILLS. This philanthropist has medical treatment as any other medical treatment as any other medical treatment. stages of 12 gresses from the first associ- and however obvious it may be to us, DIAN ROOT PILLS. This philanthropist has ated against immoderate drinking, still an error which has rested for centu-beneard to the pledge against distilled all ries in the minds of men cannot be cast having visited Europe. Asia, and Africa, as well as North America, has spent three years Lead pledge against the use of all alcohols years, unless there be much rational as it was in this way that the Indians of our Western country—it was in this way that the Indian Root Pill to save more than five per case as it was in this way that the Indian Root Pill to the Lungs are so out up by the disease as were first discovered. Dr. Morse was the first to bid defiance to medical skill. Even how man to establish the fact that all diseases arise over, in the last stages, Inhalation affords expendence of the Sons of Temperance: and more than five per case in the second; par in the second in the O.der of the Sons of Temperance; and most illuminating convictions of ultimate afterwards, as a supposed finality, to the success are to be found in the brilliant vital fluid. doctrine and temporary establishment in successes of the past quarter of a centusome States of prohibitory laws against ry, and especially in the past half of that the traffic. These different phases have quarter, in which the Sons of Temperall in their turn been actively supported. ance, with some small assistance from oth-From each of them much good was hoped or excellent persons, have caused this distress of every name; our strength is ex-for, and, indeed, much good was realized, great branch of human duty to be recog-hausted, our health we are deprived of, and if the great enemy of life, for, it spargs neither from each open was copied for, and, indied of which there has been have had their day, and all have failed of their full accomplish ment, and host of them exist up longer. The Order of Sons of Temperance being a great affiliated bytherhood, linked together by a common constitution, and uniform coreumonics and usages, with its Divisions scattered thickly over the whole North American continent still exists, has exercised heretofore, and its still expression of the existing directory of the order of sons of Temperance of the whole who have the proposed to the continent still exists, has exercised heretofore, and its still expression that the grant of the whole of the past swe may be necessary to the proposed to for, and, indeed, much good was realized great branch of human duty to be recogspeaks more and more obseringly. The lowest point of depression seems to have been reached, and the rebound has begun.* The people of the State are aware of the necessity of doing something, in the present emergency. The Order for Sons of Temperance is calculated to oposite advantageously upon community through individual influence. It administers a personal single obligation easily understand in the wide State, and dispel that the first days of the Order it was disasted to many warm-hearted friends of Temperance to mingle in the deliberation of a body whose most interesting topics of Temperance to mingle in the deliberation of a body whose most interesting topics of discussion referred to bein first for the first both the sick, rather than to the prime-piece of Total Abstinence. This Order and specific treatment of the construction of a requirements of the sick, rather than to the prime-piece of Total Abstinence.

This order of Sons of Temperance are the system are derived in the side of the construction of a body whose most interesting topics of discussion referred to be uniform the content of the sick, rather than to the prime-piece of Total Abstinence.

This order is warded to the sick, rather than to the prime-piece of Total Abstinence.

This order is warded to the sick of the sick, rather than to the prime-piece of Total Abstinence.

This order is a construction of arguments to the side of the such as a few manufacture of the construction of arguments to the prime-piece of Total Abstinence.

This order is a construction of arguments to the construction of arguments to the side of the such such as the proper to the such as the side of the such as the side of the such as the su ples of Total Abstinence. This objective understanding, through the medium of sermons and speeches, tracts and other ions the power, if they choose, of being non-beneficial. The law now permits to bow of fourteen ways and unwards to the presentation of arguments to so pure and clear. The reason why people are so distressed when sick, and why so many die, is because the beneficial. The law now permits the power of fourteen ways and unwards to the presentation of arguments to or new cannot remain when the body becomes and prove cander and prove cannot remain when the body becomes and prove cannot remain when the body becomes the last stages, which faily satisfies me that consumption is up longer a family remains the body becomes the understanding, through the medium of sermons and speeches, tracts and other remains when the body becomes the last stages, which faily satisfies me that consumption is up longer a family remains the body becomes the consumption is opine and clear.

The reason why people are so distressed when which will pass the province of the sufficiency to the affiliation of the province of the sufficiency to the affiliation of the province of the sufficiency to the affiliation of the sufficiency to the sufficiency possession of fourteen years and upwards to become members, excluding them from the principal offices until they are twenty-ty-one years of age. It also permits the Divicions, at their option, upon a twe-third vote, to admit females as visitors. These increased privileges render it a much less restrictive organization than in its first days. To young men there are first states of these means, for a quarter to the afflicted parts, and which will open the attitude parts, and which will open the discussion. My perfect acquaintence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted truly overflowing with the corrupted was; thus under going disagreeable fermon that bood, which throws corrupted matter through every vein and artery, until life is taken from the body by disease. Dr. Morse's PILLS have added to the masselves victory upon victory, by restoring the parts, and which will open the attitude parts, and which will open the discussion. My perfect acquaintence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted was; thus under going disagreeable fermon that they time be mass; thus under going disagreeable fermon the body and apply the proper remedies, a union with the corrupted was in large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted was; thus a undergoin disagreeable fermon the body and apply the proper remedies, a union of disagreeable are literally overflowing with the blood, which the s can squeeze school of parliamentary discipline than the Division ots, philanthropists and Christians, to speaker has an opportunity to cultivate peet them to respond promptly, by signthe faculty of expressing his ideas withmentary discipline than the Division ots, philanthropists and Christians, to speaker has an opportunity to cultivate peet them to respond promptly, by signfever, and who have been been should be made to it renewed vitality, giving energy and tone to it renewed vitality, giving energy and tone to the entire system.

Of all disease; the great, first cause

Springs from neglect of Nature's laws. SUFFER NOT! When a CURE is guaranteed

IN ALL STAGES OF SECRET DISEASES. f-Abuse, Nervous Debility, Strictures, Glacte.

Gravel, Diabeles, Diseases of the Kidneys and Bladder, Mercurial Rhoumatism, Scrofata, Pains in the Bones and Ankles, Diseases of the Lamps, Throot, Nose and Eyes, Uterra upon the Losly or Limbs, Cancers, Propag, Epsteptic Fus, St. Vite's Dupre, and all diseases arising from a deragement of the Sexual Organs, CUCH as Nerrous Trembling, Loss of Memory, Loss of Power, General Weakness, Dinness of Vision with peculiar spots appear-

ing before the eyes, Loss of Sight, Wakefulness Dyspepsia Liver Disease; Eraptions upon the face, Pain in the back and head, Female irregularities and all improper discharges from both sexes. It matters not from what cause the disease originated, however long standing or obstinate the case, recovery incertain, and in a shorter time than a permanent cure can be effeered by any other treatment, even after the disease has befled the skill of eminent physicians and resisted all their means of cure. The medicines are pleasant without odor, causing no sickness and tree from mercury or balsam. During twenty years of practice, I have rescued from the jaws of Death many thousands, who, in the last stages of the above mentioned disin the last stages of the above mentioned dis-eases had been given up to die by their physi-cians, which warrants me in promising to the afflicted, who may place themselves under my care, a perfect and most speedy cure. Secret Diseases are the greatest enemies to health, as they are the first cause of Consumption, Seconula, and many other diseases, and should be a terror to the human family, As a permanent cure is scarcely ever effected, a parjority of the cases falling into the hands of incompetent persons, who not only fail to cure the discases but ruin the constitution, filling the system with mercury which, with the disease, has tens the sufferer into a rapid Consumption.

But should the disease and the treatment not cause death speedily and the victim marries, the disease is entailed upon the children, who are born with feeble constitutions, and the current of life corrupted by a virus which betrays itself in Scrofula, Tetter, Ulcers. Eruptions an other affections of the skin, Eyes, Throat and Lungs, entailing upon them a brief existence of suffering and consigning them to

an early grave. SELF ABUSE is another formidable enemy to health, for nothing else in the dread catalogue of human diseases causes so destructive a drain upon the system, drawing its thousands of victims through a few years of suffering down to an untimely grave. It destroys the Nervous system, rapidly wastes away the energies of life, causes mental derangement, prevents the proper development of the system, disqualities, for marriage, society, businessi and all eartily happiness, and leaves the suf-5 00 ferer wrecked in body and mind, predisposed 8 00 to consumption and a train of evils more to be 15 00 dreaded than death itself. With the fullest The articles to be distributed are comprised Self-Abuse that a permanent and speedy cure can be affected, and with the aban coment of ruinous practices my patients can be restored

to robust, vigorous health. The afflicted are cautioned against the use of Patent Medicines, for there are so many ingenious spares in the columns of the public prints to catch and rob the unwary sufferers that militons have their constitutions runed parations of mercury and a deadly poison, which instead of curing the disease disables

the system for life.
Three-fourths of the patent nostrums new in use are put up by upprincipled and ignoran
