The afflicted are cautioned against the use of Patent Medicines, for there, are so many ingenious snares in the columns of the public prints to catch and rob the unwary sufferers that millions have their constitutions ruined by the vile compounds of quack doctors, or the equally poisonous nostrums vended as "Patent Medicines." I have carefully analyzed many of the so called Patent Medicines and find that nearly all of them contain Corrosive Sublimate, which is one of the strongest preparations of mercury and a deadly which instead of curing the disease disables

the system for life. Three-fourths of the patent nostrums pow

Irregularities and all diseases of males and females treated on principles established by twenty years of practice, and sanctioned by thousands of the most remarkable cures. Medicines with full directions sent to any part of the United States or Canadas, by patients communicating their symptoms by letter.—Business correspondence strictly confidential.
