Aiscellany,

From the Olean Advertiser ON A SPREE.

TAN STAR STER PHELINE, JE. The old man is on a-spree

But it whothing new for him, He always wants a little " drink." To put him well in trim.

It only takes a "horn" or two

To make him feel his best, But when he gets a little more It always breaks his rest

Sometimes he gets a "drap" too much

And then he's all undon Last night be thought the sitting moon

Buch strange ideas as fills his head Are cuillous in their way He says that printers cannot live Unless subscribers pay.

Though what he says seems very strange Yet overy word is true, And every man who has a soul

Will pay the printer's due,

The Practical Man.

The practical man is the one, of all others, who knows just what to say and that a boy in the woods had abused and osophizes as follows: do, and who says and does it. He always insulted him with many vile words. But comes to the point, regardless of rules or the mother took her child by the hand, forms. He sees just how to suit the word and said : "My child, these words were to the setion, and the action to the word but the ceho of thine own voice. What and the right word and the right action ever thou didst call was returned to thee come and produce their effect.

While others hesitate he strikes; and pleasant words, pleasant words would have the work is done before they have decid returned to thee. Let this be thy lesson icd how they would do it. He is always through life. The world will be the echo doing, but does only what needs to be done; he is always learning, but learns only what he can use. His world is real, and not a soft bed for ease and dreaming. bave love. Send forth sunshine from thy

If he makes speeches he tells people spirit, and thou shalt never have a cloud what they ought to know; if books, he ed day; carry about a vindictive spirit, fills them with useful facts or practical and even in the flowers shall lurk curses. truths; if he be a worker, he makes things Thou shalt receive ever what thou givest for service and not for show. He is no machine, but a live man with | er, " is that child in the mountain-passes,

perception and force peculiarly his own; - and every man and every woman is that and he has an inherent energy of charac- child." ter which brings everything around to his
