### Corn and County.

Last week we were shown three ears of corn, raised by Sala Stevens, Esq., of Law, which averaged 624 grains to the ear of the finest and largest grained corn I have yet seen. It was on exhibition at the Fair.  
 Mr. Crippen, of West Branch, has placed four ears of excellent quality of corn on a table. The kernels are large but the ears are of middling size—cob very full. We are sure we have some of the best specimens of corn raised in this county, and can be produced in Northern or Western Pennsylvania. We purchased the seed premium corn at the Fair. It was raised by H. F. Sizer, of Portage.

### McKean Co. Bank, Pa.—Bad Omen for the Bill-Holders!!!

The investigation of the affairs of the McKean County Bank, Pa., has developed the startling fact that, besides the \$75,000 regular circulation of the Bank in the hands of the public, that other liabilities in the shape of Certificates of Deposit, &c., to a large amount have been issued by the Cashier, without the knowledge of the President—also \$80,000 of bills were ordered, with lithographed fac-simile signatures of the President. Thus the shyester Cashier and his co-operators are profuse in expedients to avoid the unpleasant impediment of the REFUSAL of the President to sign any more bills, after he found himself in the hands of the Philistines.  
 The prospect for the bill-holders is growing "beautifully less" every day. We are buying the notes at fluctuating rates, but at the highest market prices.—*Hodges' Journal of Finance.*

**MRS. MONTAGUE'S FEMALE CORDIAL.**  
**FOR THE CURE OF ALL THOSE PAINFUL DISEASES PECULIAR TO WOMEN.**  
 Mrs. Montague's Female Cordial has been used with most of the diseases that are common to females, spending a large fortune in ten years in trying the different means of treatment for her relief, to no avail, was prevailed upon, by many of her friends to visit Cuba, December '48, for the purpose of regaining her former health. While there, she obtained a prescription from a Spanish Physician—  
*"Whose name I forgot."*  
 With which, through the mercy of God, she was restored to her youthful health.  
 After her return she made known to hundreds of her female sufferers the effects of the remedy with equally as great success.  
 This extraordinary medicine is offered to the public for the relief and cure of all the painful and dangerous diseases peculiar to women, and that the female constitution is subject to. To those suffering from "Tropalus Uteri," Leucorrhoea, Amenorrhoea, Menorrhagia, Dysmenorrhoea-Chlorosis, a speedy cure can be obtained.  
 To those suffering from Falling of the Womb or Uterine Weakness of any kind, the Female Cordial is especially recommended. It is warranted to cure this painful disease if persevered in.  
 In all spinal affections, pain in the region of the Pelvis, Lowness of Spirits, Hysteria, Sick-headache, and all those diseases arising from the peculiar formation of women, the Cordial will be found of an immense value.  
 This medicine moderates all excess, and removes all obstruction; it invigorates the debilitated constitution for the duties of life, and when taken in middle age proves a blessing.  
 Modesty forbids us, in a public advertisement, to make full the details; but the wrapper around each letter will fully explain every case.  
 Merchants, females, or others, by sending a three cent stamp, can have any information respecting the operations of the medicine.  
 Agents wanted in every village in the United States. Put up in half pint bottles; \$2.00 per bottle; 50 per cent. off to the trade. All orders must be addressed to

### Dr. Phelps Brown.

**DR. PHELPS BROWN,**  
**THE GREAT CURE OF CONSUMPTION,**  
 was for years so badly afflicted by Dyspepsia, that for a part of the time he was confined to his bed. He was eventually cured by a prescription furnished him by a young clairvoyant girl. The ingredients may be found in any drug store. I will send this valuable prescription to any person on the receipt of one stamp to pay postage. A dress

### Inflammation of the Eyes.

**INFLAMMATION OF THE EYES**  
 Like all other inflammation, is caused by impurity of the blood, which causes all eruptive diseases, as Salt Rheum, Scurvy, Boils, Ulcers, &c. The blood being unhealthy, and of an impure nature, also occasions Dropsies. The blood becoming obstructed in the veins, the watery part of the blood in consequence is thrown out from their extremities, and dropsy is the result. Many times it is occasioned by improper treatment of some former disease,
