OIAN ROOT PILLS. This philanthropist has spent the greater part of his life in traveling having visited Europe, Asig, and Africa, as well as North America—has spent three years among the Indians of our Western country among the Indians of our Western country— it was in this way that the Indian Root Pills strength this way that the Indian Root Pills the Press and by the first Musical Masters, to were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD-that our strength, health and life depended upon this

When the various passages become clogged. and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all pains, sickness and distress of every name; our strength is ex-hausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked liberal discount, and cease to act, and thus our light of life will an extra discount. forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant ous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sudorific. which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expectorant, that opens and uncloss the passage to the lungs, and thus, in a soothing manner, performs its duty by throwing off phiegm, and other humors from the lungs by copious spitting. The third is a Diaretic, which gives ease and double strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out bountifully by the urinary or water passage, and which could not have been discharged in any other way. \$5,540 34 The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in

great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, Music. but become united with the blood, for they find way to every part, and completely rout out and cleanse the system from all impority, and the life of the body, which is the blood, hecomes perfectly healthy; consequently all sickness and pain is driven from the system. for they cannot remain when the body become-42 75
