WHY SHOULD MEN SWEAR.—I can conceive of no reason why they should, but of ten why they should not: 1. It is mean. A man of high moral standing would almost as soon steal a sheep as swear.

"SOME" WOMAN.—The Rev. Mr. Pettengill, a school commissioner at Seneca Falls, N. Y., refused to grant a certificate to Miss Celia C. Head, a teacher already engaged by the Trustees of the town, because she would not pledge herself to abstain from the practice of dancing during the term of teaching.

SEEING AT CERTAIN DISTANCES.—The earth being globular, at a certain distance, even though our vision can reach much further, its form will prevent us from seeing objects. It has been calculated that at a distance of 600 yards an object one inch high cannot be seen in a straight line; at 900 yards, two inches; at 1400 yards, five inches; at one mile, eight inches; three miles, six inches.

TRUE.—Sir Walter Scott declared that these four lines, by Robert Burns, were worth a thousand raiments: Had we never loved so kindly— Had we never loved so blindly— Never met—or never parted— We had ne'er been broken-hearted.

EYES OPEN! EARS OPEN! RIGHT ABOUT FACE! H! all ye that hath ears, let him hear! H! all ye that hath eyes, let him see! and the wonders being done in Wellville, the City of Zanneries, and especially at the Old Regulator, where thirty-two men and seven boys are wanted to work fifteen hours every day.

EVERYTHING bought and sold at the Old Regulator, except Gas, Gas, Scandal and Harney. Soft Soap and Soder, at a expense a pound, must be had at Some Brothers, at Some Brothers, in this town.

CAUTION.—Merchants and Traders will be on their guard and not be imposed upon by a Counterfeit of Morse's Indian Root Pills, signed B. Rowe. All genuine Indian Root Pills have the name and signature of J. J. Wade & Co., on each box.

When the various passages become clogged, and do not act in a perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased, thus causing all pains, sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open! And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountain and cliffs in Nature's garden, for the health and recovery of diseased men. One of the roots from which these Pills are made is a Sulfurifer, which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within. The second is a plant which is an expectorant, that opens and unblocks the passage to the lungs, and thus, in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys; thus, encouraged, they draw large amounts of impurity from the blood, the urine is then thrown out honorably by the urinary or water passages, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills, while engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely root out and cleanse the system of all impurity, and the life of the body, which is the blood, becomes perfectly healthy, consequently all sickness and pain is banished from the system, for they cannot remain when the body becomes so pure and clear.

The reason why people are so distressed, when sick, and why so many die, is because they do not get a medicine which will pass to the affected parts, and which will open the natural passages for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which becomes corrupted, and the blood, being the life of the body, is consequently all sickness and pain is banished from the system, for they cannot remain when the body becomes so pure and clear.

Seized, taken in execution, and to be sold as the property of William T. Jones, A. F. Jones, Geo. W. Bradlee & A. S. Lawton.
