DENTISTRY.

M. SHEERAR, Dentist, of Wellsville,
Allegany Co., N. Y., respectfully announces to the people of Potter and the adjoining Counties in Penn'a, that he is permanently established in Wellsville, and is prepared to perform the various operations in Dentistry. Especial attention is solicited to his style of inserting ARTIFICIAL TEETH, superior to any other style known, called French, (extra)

"Allen's Continuous Gum." All work warning Letters of inquiry promptly answered. M. SHEERAR, Dentist, of Wellsville, Primary Branches.

The Ameriacn Trades Company, was organized November 8, 1857, with a Capital of one hundred thousand dollars. This Company was formed with a view of takitizens of Potter and adjoining counties, for ing up inventors of small articles of general utility, who are unable to make independent arrange nents for introducing their inventions by an equitable arrangement with them for

their rights by purchase out and out, or by tariff on the articles manufactured and sold. The inventive genius of this country has long u., to 9 p. u., by the good people from Dan to called for an Institution of this kind. The Baresheba, after the good things therein con-American mind is so active, that thousands of tained. Wellsville is a fast City, and the peo-things are invented, many of which would be ple are fast nags. O! my!! how they do up in the latest style, with taste. The large quantity of work to be "done over," will be delivered at the earliest moment. Ladies them have no means to carry them out. To bait lany body with 6c. Sugar, and call it never introduced, because the Inventors of ging can't begin with it; and they don't try them have no means to carry them out.

The capital of this Company will be devoted good. Such might possibly do for Vinegar, to the development of really useful inventions. Cleansed. President Judge, and the Hons. Joseph character of the parties composing that Com- Fied; 95790 Nails, 41 to 5c; 78000 Hard-Mann and G. G. Colvin, Associate Judges of mittee is a sufficient guaranty that plans, and ware, Grow-Bars, Iron. Tin Ware, Stone and the Courts of Oyer & Terminer and General specifications may be submitted before patents Wooden Ware, Tools for Mechanics, Farmers 122 Jail Delivery, Quarter Sessious of the Peace, are applied for, without any risk of advandand everybody; 1690 Flour, \$4,75 to \$7; 76 Orphans' Court and Court of Common Pleas tage being taken of this circumstance, and Chests of Tea, from 35 to '5c.; Paints, Oils, 121 for the County of Potter, have issued their when desired to do so, the Company will take Fluid, Alcohol, Cawphene, and 200000, other

This Company respectfully invite inventors and Children.

Any one of the following modes is acceptable to this Company:
First: To munufacture any articles for hers, Justices of the Peace and Constables which their machinery is adapted by contract. Packing and Flour Shanties, all the good peowithin the county, that they be then and there the inventors receiving the articles and paying

Second: They buy any patent which is approved of by their committee.

Third: They will manufacture and sell any

The American Trades Comp'y. What they manufacture.

THE AMERICAN SMOKER. Consisting of a great variety of unique and beautiful patterns of Cigar Tubes; also, sevral varieties of Pipe Tubes. The peculiarity bout these erticles is that each one is arrang ed so as to receive a damp sponge, through which the smoke of the burning eigar has to pass on its way to the mouth. This damp sponge not only cools the smoke, but extracts from it the nicotine oil, the poisonous proper ty of the Tobacco, which renders the breath ess offensive. Smokers will find the use of these Tubes a luxury never before attained

use will also greatly promote the health of the habitual smoker and preserve the sweetness of the breath. THE AMERICAN CARPET HOOK. ls a little contrivance for putting down carpet without tacks. This is a new article, which has never before been upon the market. But it possesses the merit of enabling a person to put down or take up a carpet of the largest any injury to the floor or carpet. It is very -chearer in the long run than tacksand the great faculty with which even a servant can take up and put down carpets, with-out the possibility of a mistake, renders it in-

aluable to the housekeeper. THE AMERICAN PEN HOLDER & WIPER It is a neat invention for holding a wet sponge, nto which the pen is thrust, always coming out clean and ready for use. A very conven ent article for the Counting-House Desk and Library Table.

The American Smoker is an article of great utility and benefit to Smokers, Persons afflicated with Bronchitis, Asthma, Dyspepsia, Liver complaints or Kidney affecions, can procure Sponges Medicated for these various diseases by Old Dr. Thorn. Sold by the American Trades Company, Nos. 22 and This medicine moderates all excess, and re
