

County and County.

COUDERSPORT, AUGUST 11, 1859.

For Sale, at this Office, a copy of Michélet's new work entitled "Love." Price \$1.25.

Personal.—Mr. Frank B. Roberts, New York, is informed that no pecuniary consideration whatever will induce us to publish his advertisements as they now read. We are not publishing a "flash" paper.

PENNSYLVANIA REVOLUTIONARY SOLDIERS.—The pension agents in the State of Pennsylvania report the following among the number of Revolutionary soldiers in this State who have died during the half year ending with June 30, 1859: Isaac Phillips, of Potter county, and Abner Jennings, of Crawford county.

Is there to be a County Agricultural Fair this Fall? is a question frequently asked by farmers and others, now-a-days. Will the Board of Managers of the Society inform the public in regard to the matter. We hope the June freeze did not scare the Board out of its organization.

Fast Work.—S. D. Kelly, of the firm of Olmsted & Kelly, of this place, on Wednesday afternoon, cut out made three large tin store-boilers, with copper bottoms, between 11 and 4 o'clock P. M.—being only two hours and a half making them. The bottoms only were made beforehand. We regard this as fast work, and we rather think it would be hard to beat.

The following named citizens of this county left this place on a pleasure excursion to Niagara, last Monday morning. They were accompanied by Mr. Charles Bashor, of Philadelphia:

Andrew Jackson and lady, and Alex. Elyan, of Germantown; D. F. Glassmire and lady, and Dr. E. Jeorg and lady of Coudersport.

The Warren Ledger wants to know what butter and other "vegetables" are worth in Tioga County. For the benefit of our subscribers we commence and shall continue to publish a price current list, which we have no doubt, will be found of great benefit to those among our subscribers who bring their produce to this market. We shall see that it is kept correct and reliable. James of the Ledger does not think because we are an "old hand" that therefore we don't keep posted on the markets. The particular article he inquires about is dear.—Tioga Agitator.

We can heartily endorse the last sentence of our Tioga friend, in response to the same inquiry from the same source.

THE BEST COUNTERFEIT DETECTOR.—About the most useful thing that any person in business can have, in these times, is a correct and reliable Counterfeit Detector and Bank Note List. This want is now supplied. Messrs. T. B. Peterson & Brothers of Philadelphia, publish "Peterson's Philadelphia Counterfeit Detector and Bank Note List,"—a monthly quarto publication which contains all the information that can be obtained in regard to all Counterfeits, Broken Banks, and the rates of discount on all the Bank Notes of the country. Messrs. Drexel & Co., the well-known Bankers and Brokers of Philadelphia, supervise it, and make the corrections in each number of the list, so that it may be perfectly relied on, while the well-known house of E. W. Clark & Co., Commission, Stock and Exchange Brokers, correct the Stock List. It will never be allowed to subvert the purposes of any banking house, as most of the Detectors do. It will be found a useful and reliable publication to the whole business community, and we would advise all of our readers to remit the price of one year's subscription to the publishers at once for it. The price is but one dollar a year, monthly. Address all orders and remittances to the publishers, T. B. Peterson & Brothers, 309 Chestnut Street, Philadelphia, and they will receive immediate attention.

The Tioga Agitator copies the recent article of the McKean Citizen relative to the "Nigger Bumper" of this place, and adds the following:

For the information of the Citizen we would state that he has "turned up" at Washington, D. C., where he has opened a Patent Office, in opposition to Mann & Co., under the name, style and firm of "Cotter & Co." We presume that Byron Cotter of Coudersport, has taken his old county friend, C. H. Cotter, into partnership with him, and the two together compose the "Co." They advertise one million dollars' worth of patents for sale. We hope the enterprising "firm" will succeed in selling every dollar's worth soon, and we suggest that they (Cotter & Co.) invest one dollar in paper, and the balance—\$999,999—in brains sufficient to revive the Nigger Bumper, so as to get the Sheriff's sales for September Court.

N. B. The "firm" are also in the "Pension" line. May they have great success in picking up "old soldiers."

For the information of our readers, we will state that "old soldiers" in this case, means cast off chews of tobacco and cigar stumps. We would not like to trust any other kind of "pensioners"—particularly the pensioners—in his hands. Since the pension office announcement in the Nigger-Bumper we notice there is a great demand for and scarcity of "old soldiers" in our streets.

The Warren Ledger narrates a terrible accident in the edge of Warren county. A Mr. SUMNER of Pine Grove, was putting his gun up in its place in the house, when it slipped from his hand and exploded. His wife fell at the instant, which he supposed to be fainting, but found that the ball had penetrated her

head, killing her instantly. She was the mother of four children.

Mr. Sickle's declares his determination not to resign his seat in Congress. He means to go back to Washington. If he takes his wife with him how smartly the noses of the undetected adulteresses will turn up at the detected one.—Louisville Journal.

Special Notices.

GRAVEL AND STONE. By this we understand a collection of sand-like substance having been lodged in the passage of the urine. When the system is in a healthy state, this substance is carried off by the natural passage of the body; but when there is a weakness of any organ, especially the kidneys, they become incapable of expelling such sandy concretions, and consequently they are lodged in the kidneys, urethra, or the bladder, causing great inflammation to those organs, and great pains and swelling, and great difficulty in voiding urine. It is seldom admitted by many physicians, that Morse's Indian Root Pills are made out of some particular plants which have a wonderful charming influence in dissolving the substance which has clogged the passage, and by their cooling properties, they expel all inflammation, and leave the water passage in an active and healthy state. From three to four of these Pills night and morning, from one to two weeks, will decide how this dreadful disease is to be treated; and as they remove the cause of every kind of disease, it is utterly impossible for them to fail in curing the gravel as they unclog the passage, and leave the parts in a healthy and lively condition. Dr. Morse's Indian Root Pills are sold by all dealers in Medicines.

COURT PROCLAMATION.

WHEREAS the Hon. Robert G. White, President Judge, and the Hon. Joseph Mann and G. G. Colvin, Associate Judges of the Courts of Oyer & Terminer and General Jail Delivery, Quarter Sessions of the Peace, Orphans' Court and Court of Common Pleas for the County of Potter, have issued their precept, bearing date the eleventh day of Aug., in the year of our Lord one thousand eight hundred and fifty-nine, and to me directed, for holding a Court of Oyer and Terminer and General Jail Delivery, Quarter Sessions of the Peace, Orphans' Court, and Court of Common Pleas, in the Borough of Coudersport, on MONDAY, the 19th day of September next, and to continue on Wednesday, the 21st day of September next, to the Court of Oyer and Terminer and General Jail Delivery, Quarter Sessions of the Peace, and Constables within the county, that they be then and there in their proper persons, at 10 o'clock A. M. of said day, with their rolls, records, inquiries, examinations, and other remembrances, to do those things which to their offices appertain to be done. And those who are bound by their recognizances to prosecute against the prisoners that are or shall be in the jail of said county of Potter, are to be then and there to prosecute against them as will be just. Dated at Coudersport, Aug. 11, 1859, and the 84th year of the Independence of the United States of America.

HUMPHREYS' SPECIFIC

HOMOEOPATHIC REMEDIES, HOMOEOPATHIC REMEDIES, HOMOEOPATHIC REMEDIES, HOMOEOPATHIC REMEDIES, HOMOEOPATHIC REMEDIES, No. 562 BROADWAY. No. 562 BROADWAY. No. 562 BROADWAY. No. 562 BROADWAY. THE GREAT FEATURE THE GREAT FEATURE THE GREAT FEATURE THE GREAT FEATURE

Of this series of Domestic Remedies is that each particular medicine is a Specific for the particular disease or class of diseases whose name it bears, and may be relied upon for the cure of that particular affection. Hence, persons suffering from a chronic disease or long-standing ailment, in buying a case of HUMPHREYS' SPECIFICS, obtain the particular one desired in their case, and thus themselves make a cure which otherwise would cost them many dollars, and no small amount of time and medical attendance, if, indeed, it could be obtained at all.

These Remedies suffer from DYSPEPSIA, BILIOUS COLIC, COSTIVENESS, BAD TASTE, COARSE TONGUE and DRYNESS, which is perfectly controlled and cured by the

DYSPEPSIA SPECIFIC.

There is scarcely a phase or form of this disease which is not promptly controlled and ultimately cured by the use of this Specific. Thousands who have suffered for years with this "Bilious Condition" having purchased a case of these Specifics, have obtained a perfect cure and immunity from their old complaint.

COUGHS, COLDS AND SORE THROATS.

which so frequently lead to BRONCHITIS AND CONSUMPTION, are all in their early stage secured by the

COUGH PILLS.

Many cases of long standing Bronchitis and irritating Coughs have been perfectly cured by this specific. But more! many persons have a specific liability to colds and take them from the least exposure. This will be entirely relieved by the use of the COUGH PILLS, as scores can testify from experience. So

CATARH

is one of our most common and most troublesome diseases, against which the Old School Medicines and even Homoeopathic prescriptions, are of very little use. Yet hundreds of persons have been cured of not only recent and fresh, but even long standing and obstinate cases of CATARRH by the use of this specific. One aged lady in Syracuse was thus perfectly cured of a Catarrh, which had annoyed her all her life. A young lady at one of our

first class boarding schools, who was so afflicted with this disease as to require more than forty handkerchiefs a week, was entirely cured in a single week by this Specific.

PILES.

bleeding and blind, is one of those common and obstinate forms of disease which are so difficult to cure on the ordinary methods; but which find an entire and fundamental cure in the Piles Specific. True, time is required; but the Specific is pleasant to take, requires neither diet nor restraint, and being followed up a perfect cure is the result. Hundreds of persons, in purchasing a case of Specifics, have obtained a cure for this most trying and obstinate form of disease, which has been worth to them ten times the cost of the entire case. Cases of over twenty years' standing have been cured with this simple Specific, and we believe all may be cured by perseverance. The case contains the best

FEVER AND AGUE SPECIFIC

A remedy without any deleterious or poisonous substances, which not only cures the ague, and old, mismanaged agues, but may be relied upon as a preventative when persons are residing in a fever and ague district. It prevents or protects, upon the same principle that vaccination prevents small-pox or belladonna prevents scarlet fever, by occupying the system with true Specifics. Hundreds have been thus protected and cured.

The Ophthalmic Specific

has proved a most valuable remedy for SORE EYES and EYELIDS, and for WEAK and BLURRED SIGHT. One lady in Indiana, who had been a sufferer from sore eyes for many years, and for two years was entirely blind, was cured perfectly by the Ophthalmic Specific alone.

HEADACHES.

to which so many are subject, finds a curative in the case. There is a specific which relieves at the time of the attack, and also one which corrects the condition of the system upon which it depends, and so destroys the predisposition to return.

The Specific for the various forms of FEMALE COMPLAINTS

has proved invaluable. Old long standing LEUCORRHOEA or WHITES, are attended with debility or exhaustion, and for which other forms of medicine are of little value, are fully controlled and cured by the FEMALE PILLS, while the specific for irregularities control almost every form of scanty, painful or irregular menstruation.

DIARRHOEA AND SUMMER COMPLAINTS

in adults or children are controlled like magic by the Diarrhoea Pills, while it may be averted without the possibility of successful contradiction, that the Dysentery Pills are the most perfect Specific for that disease known.

For the various forms of FEVERS, SCARLET FEVER, MEASLES,

and other diseases of children, the Fever Pills may be safely and surely relied upon.

These Specifics are the prescriptions of Prof. HUMPHREYS, used for years in his extensive practice, and to the perfection of which he has devoted the resources of extensive knowledge, experience and study.

The public may rest assured that during the life-time of Dr. H., no one has been so well entrusted with the preparation of his Specifics, and he offers the guaranty of his professional life and reputation that they shall be just as he represents them.

They have now been before the public for five years, and have everywhere won golden opinions from the many thousands who have used them.

Simple, free from intricacy, technically, or danger, they have become the ready recourse and aid of the parent, traveler, nurse, or invalid, and have become the family physician and medical adviser of thousands of families.
