FAST TYPE SETTING .- On last Friday, tice in this office seven months, set up the same is hereby repealed. 11,489 em's of Long Primer, solid in the juside of ten hours, having but twenty typographical errors in the whole matter. This is the fastest type-setting on record that has ever come to our knowledge there are any other Apprentices in the tate who have worked at the business he same number of months, or any old Sinnemahoning Creek a public highway Jours" who can beat it, we would like hear from them:

The boy no doubt set up all his matter the scarcity of the typographical errors, and the solid-ity of the matter. Friend We intend publishing this bill as soo unham, when you try it again, tell a igger "whopper" than the above.

Below we give a list of the Grand and Travise Jufo's for the Sept. Term of Court. The ablication of the list of Jurors has not lately been the custom in this county, but looking upon it as a matter of public accommodation, and believing that a good effect will result, we propose, now and hereafter, to give the list one insertion in our local column previous to each term of Court:

Charles Grover, Isaac H. Briggs, John Couls-ion. Coudersport: A. F. Jones, A. B. Goodsell, Benj. Rennells. Genesce: Wm. F. Smith. Harrison: Henry Stratham. Hebron: Henry Lamberton, Charles Goram. bleeding and blind, is one of those common and obstinate forms of disease which are so difficult to cure on the ordinary methods, but which find an entire and fundamental cure in the Pires Specific. True, time is required; but the Specific is pleasant to take, requires neither diet nor restraint, and being followed up a perfect cure is the result. Hundreds of persons, in purchasing a case of Specifics, have obtained a cure for this most trying and obstinate form of disease, which has been worth to them ten times the cost of the entire set. Cases of over twenty years' standing have been cared with this simple Specific, and ve believe all may be cured by perseverance.

The case contains the best

FEVER AND AGUE SPECIFIC known. A remedy without any deleterious or poisonous substances, which not only cures the ague, and old, mismanaged agues, but may be relied upon as a preventative when ersons are residing in a fever and ague district. It prevents or protects upon the same principle that vaccination prevents small-pox or belladonna prevents scarlet fever, by pre-occupying the system with true Specific. Hundreds have been thus protected and cured.
