Scrofula or King's Evil is a constitutional disease, a corruption of the blood, by which this fluid becomes ritiated weak, and poor. Being in the circulation, it pervades the whole body, and may bunt out in disease on any part of it. No organ is free the whole between the attacks, nor is there one which it may from its attacks, nor is there one which it may not destroy. The scrotlous taint is variously not destroy. The scrofulous taint is vanously caused by mercurial disease, low living, discovering vices and ordered or unhealthy food, impure air filth and filthy habits, the depressing vices and above all, by the venercal infection. Whitever, be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who saw at into the third and lourth generation; indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the intheir upon their children."

Its effects commence by deposition from the

Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is terned tubercles; in the glands, swellings; and on the surface, cruptions or sores. This foul corruption, which genders in the blood, depresses the energies of life, so that scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently, vast numbers perish by disorder which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver by the stant of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver by the stant of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver by in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and; indeed, of all the organs, arise from or are aggravated by the same cause.

One quarter of all our people are scrolulous their persons are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must renovate the blood by an alterative medicine, and invigorate it by healthy food and exercise Such a medicine we supply in

### AYER'S

Compound Extract of Sarsaparilla,

the most effectual remedy which the medical skill of our times can devise for this every where prevailing and fatal malady. It is com-bined from the most active remedials that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the disorder from the blood, and the rescue of the system, from its destructive consequences. Hence it should be employed for the cure of not only serofula, but also those other affections which arise from it, such as Enuring and Sein Dispasse, Sr. Anthony's First. Hose, or Envirence, Pimples, Publica, Blotches, Blains and Boils, Toxons, Terra, and Salt Rheum, Scald Head, Ringwork, RHEUMATISM, SYPHILITIC and MERCURIAL DIS-EASES, DROPSY, DYSPERSIA, DEBILITY, and indeed, ALL COMPLAINTS ARISING FROM VITA-TED ON IMPURE BLOOD. The popular belief in "impurity of the blood" is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsapa-rilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.
