Detohor's Harvests

Then Waihink of the gluwing wood and physic lights and mists of Detober: it sceng in manific that the analysis and descriptions of this month's work can be obtained in meager words and uninterest-ing utratifes. No month is so full of rich and varied attractions; and none offer grate ification and satisfaction to the diverse fistes of so many admirers.

Theoretically, October should be a sad mouth, for then the harvests are mostly rusty and full of seedy or frost-stricken flowers every thing telling of the departare of genial Summer and the approach and debauchery. It is an excellent less of chill Winter. of chill. Winter.

How opposite to this is the truth! Now the farmer's heart overflows with the conscionsness of his wealth ... The rent-rul and winds, has listoned with strained ear reads the threats in the gathering clouds. sleek cattle, the peaceful bleat of sheep. all reiterate in tones upniistakable to us thrift, and hear constant witness to our

And it is not the farmer only that October oheers and delights. To the eyes of all willo love nature, it offors, not decay one of his bigeons. one of his pigeons. and death, but a rich display of her choicess beauties. Every tree is now lysincreased and improved. The air feels terst and its duties enlarged, and is changed intol

Reminiscences of Senator Bro-derick.

We find the fullowing reminiscence of [we and the Johowing remainscence of erel, Sind, Salmon, Blue-Fish, Herrings, fod-ihe late Sengtor Broderick in the N. Y. fish, Beet, Fork, Lard, Shoulders, Hams, Sides, Tribune of the 12th just. Mr. Broder, Checse, Beans, Rive, Subdivers, Links, C. ick was killed in a duet, noar Ban Fransisco, Cal., on the morning of the 13th ult, by Judge Terry .: The death of Sir. Brodarick was pre-letermined by the riends of Dr. Gwin, the administration leader in that State, and his funcral cortege was the largest ever witnessed there, gathened my the fields are bare of the tege was the largest ever witnessed there, Summers verdure, the woods in the first evidencing the general popularity of the stages of leafy decay, the birds gone or man. We commend the following to the going to more genial climates, the garden attention of those of our young readers who are wasting their lives in drinking

REMINISCENCES OF BRODESICK.

Mr. Broderick was the son of a stone-cutter

who practiced his calling in the City or Wash scionsposs of the weather, the stocks and the prided himself on this birth ; he once said, bonds of the richest broker, the ships and in the Senate, that he could then look around warehouses of the most princely merchant, him and see upon the walls the works of his can never give their owners such an over, father's chisel. On coming of age (I think flowing and contented feeling of well re-warded lab r, as the crowded barns and sort of portr-house: but, even under the inwirded tak r, as the crowded barns and sort of portir-house; but, even under the in-granarics, and well stocked linters and fluence of these associations, he eschewed jolds give the farmer. He has labored drinking and debauchery. At an explosion of hard through the Symmer's heat, has cast fulminating shells at a foundery in New-York, many and anxious glances at the clouds some years since, his only brother, who sat astride one of the shells, and in clearing out the contents produced the explosion, was for the creaking of ponderous wagons blown to atoms; " and thus perished the only loaded with hay, as his experienced eye " person on earth known to me, in whose yeins reads the threats in the gathering clouds. " Howed a drop of my blood" (Broderick to'd But now nnder his own roof are gathared ne tnis). In 1848-49 Broderick removed to California, and, in partnership with Fred. D. the sacumulated and condensed rays of Kohler, went into the assaying business. When the sun and breaths of Summer zephyrs; Scuator National Bennet was chosen Justice the earth's fatness and its increase have of the Supreme Court by the Legislature, Brod-contributed to make him rich. As he crick succeeded him as Senator from San stands on his parn floor with the last rays sessions of 1850; 1851, 1852, and 1853. He case of these Specifics, have obtained a perfect of the sun just effding the contented faces was a bold and fearless legislator, and resist-Francisco, and was re-elected, serving in the of the sattle objoying their evening meal, ed to the last the infamous slave-law passed or chewing their oud, and hears the rhyth- by the Legislature of (I forget the year.) His mical heating of the mulk on the empty morals were much higher than those of the moat nearing of the mink of the simply average of his legislative compatriots. He pails or its muffled sound as the rapid said in one of his speeches in the late canvass stream is fost in foam, harmonizing with in California that "no man had ever seen him the quiet poolugs of pigeons or the occa-"drank, or at the gambling table, or in a storget drawsy remonstrance of some hen up chicker provided on the well-filled roost; his heart cannot fail to overflow with grat-like at house turn. But the grant defaultor to the Gor-his heart cannot fail to overflow with gratis heart cannot full to overflow with grat-like an honest man. But the great value of itude, and thanksgiving for God's good-nis life consists in the example of solf-redempriess and nature's hounties. The index is the consistent in the example of entry entry of the index is the index is the example of the index is the example of the entry appreciated his deficiencies, and under-nor positive satisfaction than any less took to remedy them. He became a hard sta tangible property can awaken in it's owner. The miser to enjoy his hoard must lock of asking their advice and assistance in laying his door and chink the gold pieces togeth out a course of reading and study. Thus he er, else half his pleasure is wanting. Bare avoided the wasto of time which results from er, else nall his pletsure is wanting. Bare a solgen the wash of the which results from persons i ownership never rewards men; tho reward is in seeing the possession, and showing it to others. Of this series of Domestic Remedies is that each particular medicine is a Specific for the particular disease or class of diseases whose name it hears, and may be relied upon for the cure of that particular affection. Hence, persons suffering from a chronic disease or longstanding ailment, in buying a case of HUMPH-REYS' SPECIFICS, obtain the particular one desired in their case, and thus themselves make a cure which otherwise would cost them many dollars, and no small amount of time and medical attendance, if, indged it could be obtained

Thas multitudes suffer from Dyspepsis, Bin IOUS CONDITION, COSTIVENESS, BAD TABLE, COATED TONGUE and DEBILITY, which is perfectly controlled and cured by the

DYSPEPSIA SPECIFIC.

There is sparcely a phase or form of this disease which is not promptly controlled and ultimately cured by the use of this Specific. Thousands who have suffered for years with this "Bilious Condition" having purchased a COUCHS, COLDS AND SORE THROATS.

which so frequently lead to BRONCHITIS AND CONSUMPTION, are all in their early stage secured by the

COUGH PILLS.

from the least exposure. This will be entire. ly relieved by the use of the COUGH PILLS, as scorps can testify from experience. So

PATENT POCKET COIN DETECTOR. For TESTING the various kinds of

throws corrupted matter. Intagen every seen and artery, until life is taken from the body by disease. Dr. Morse's PILLS have added to themselves visiony upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been EVER OFFERED TO THE PUBLIC. IT IS SO SMALL THAT IT CAN BE CAR

RIED IN THE POCKET WITHOUT ANY INCONVENIENCE. Every MERCHANT should have it ! Every STOREKEEPER should have it !! Every MECHANIC should have it !!

Every MAN IN BUSINESS should have it!!!!! A warrantee goes with every one

that is sold.

forever be blown out. How important then

that we should keep the various passages of

the body free and open. And how pleasant

to us that we have it in our power to put a medicine in your reach, namely. Morse's In-

dian Root Pills, manufactured from plants

and roots which grow around the mountains ous cliffs in Nature's garden, for the health and

recovery of diseased man. One of the roots

from which these Pills are made is a Sudorific

which opens the pores of the skin, and assist

which is an Expectorant, that opens and un-clogs the passage to the lungs, and thus, in a

soothing manner, performs its duty by throw-

Indian Root Pills not only enter the stomach

but become united with the blood, for they

for they cannot remain when the body becomes

when sick, and why so many die, is because

they do not get a medicine which will pass to the afflicted parts, and which will open the

patural passages for the disease to be east out; hence, a large quantity of food and other mat-ter is lodged, and the stomach and intestines

are literally overflowing with the corrupted mass; thus undergoing disagreeable formen-

ation, constantly mixing with the blood, which

throws corrupted matter, through every vein

racked or tormented with sickness, pain and

anguish, and, whose feeble frames have been

scorched by the burning clements of raging

fever, and who have been brought, as it were within a step of the silent grave, now stand

ready to testify that they would have been numbered with the dead, had it not been fo

this great and wonderful medicine. Morse'

Indian Root Pills. After one or two doses had been taken, they were astonished, and abso

Intely surprised, in witnessing their charming

effects. Not only do they give immediate case

and strength, and take away all sickness pain and anguish, but they at once go to

great quantities by the bowels.

in discase on any part of it. No orgen a to from its ancarks, nor is there one which is a not destroy. The sciofulwa tent is which caused by increasing discuss, now first it ordered or unhealthy food, impure all and filthy habits, the depressing vices at above all, by the venereal infections while ever be its origin; it is hereditary in the or stitution, descending "from parents to childs unto the third and fourth generation;" inder it scients to be the rod of Him who say, a will visit the iniquities of the father an their children." 91115 Above we present you with a likeness OR. MORSE-the inventor of MORSE'S IN-DIAN ROOT PILLS. This philanthropist has DIAN ROOTFILLS. their children." their children." Its effects commence by deposition from the blood of corrupt or ulcerois matter, which the lungs, liver, and internal organs, is true tubercless, in the glauds, swellings; and were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD-that out the surface, cruptions of sores. This ruption, which genders in the blood, The energies of life, so that scrofulous could the energies of life, so that scrofulous could tions not only suffer from scrofulous could stand the attacks of other discuss; the quently, was: immunity perial by discus-which, although not scrofulous in their and are still februard fail by this tant in the strength, health and life depended upon this vital fluid. When the various passages become clogged. and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and dis-ensed; thus causing all pains, sickness and distress of every name ; our strength is ex-hausted, our health we are deprived of, and if system. Most of the consumption which a system. Most of the consumption which is emates the human family has its origin direct in this scröbulous contamination; and man destructive discases of the liver, kidney, brin and, indeed, of all the organs, arise from are aggravated by the store cause, nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus our light of life will

are aggravated by the same cause. One quarter of all our people are scroubs their persons are invaded by this lurking a fection, and their health is undermined by To cleanse it from the system we must re the blood by in filterative medicine, and is vigorate it by healthy food and exercis Such a medicine we supply in

AYER'S

Compound Extract of Sarsaparill Nature in throwing out the finer parts of the corruption within. The second is a plant the most effectual remody which the media the most encetain remark which the medica thill of our times can device for this ever where prevailing and fatal malady. It is blued from the most active remedials that has been discovered for the expurgation of this for disorder from the blood, and the resciect of ing off phiegin, and other humors from the lungs by copious spitting. The third is a Dinings of copious spitting. The initial is, in-arctic, which gives case and double strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out bounufully by the system fram its destructive configurate not only scrofuld, but also those other der not only scrofuld, but also those other der tiols willelt disc fromt if, such as Euripe and SEIN DISEASES, St. ANTHONY'S IN-Rose, or Envsipelas, Pistries, Portis Blotches, Blains and Boils, Testors, Tem urinary or water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies BLOYCHES, BLAINS and BOILS, TCHORS, TERM and, SALT RUEUM, SCALD, HRAD, RINGWAR RHEUMATOM, SCENDLITH and MERCURAL IN RASES, DEORST, DYSFERIA, DEDULT, in indeed, ALL COMPLAINTS ADDING FROM VM TED ON INFOLM BLOOD. The popular bein in "impurity of the blood" is founded in true for scrofula is a degeneration of the blood. In particular purpose and virtue of this Samp rilla is to purify and regenerate this vital for without which sound health is impossible is contaminated constitutions. the other properties of the Pills while engaged in purifying the blood the courser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in From the above, it is shown that Dr. Morse's find way to every part, and completely rout out and cleanse the system from all imp. ruy, and contaminated constitutions the life of the body, which is the blood, be-comes perfectly healthy; consequently all sickness and pain is driven from the system,

Ayer's Cathartic Pills

FOR ALL THE PURPOSES OF A FAMILY PHISE

FOR ALL THE PURPOSES OF A FAMILY PHIN are so composed that disease within the range their action can rarely withstand or 'erade the Their ponetrating properties search, and elem and invigorate every portion of the human org-ism, correcting its diseased action, and return its healthy vitalities.
