

Town and County.

CONDERSPORT, DECEMBER 15, 1859.
Wm. T. Burt, Esq., the Sheriff elect,
red his family and goods into the jail
Wednesday.

On our first page will be found a very
resting article in relation to the early
ment of this county, written, we pre-
ce, by an old citizen of this county who
ow in Tioga.

Remember the Agricultural meeting
day evening, the Temperance meet-
Tuesday evening and the Anti-Slavery
meeting on Wednesday evening of
rt week.—and be there, too.

We desire to call the attention of our
ers to the new prospectus of the N.
Home Journal—in our opinion the
paper of its kind in the country, and
pecially adapted to the home circle for
mother's and daughter's reading. A
cannot make his wife a better New
ar's present, than to furnish her with
Home Journal for 1860.

We have an arrangement with Peter's
Magazine, by which we are enabled
ffer it and the JOURNAL together for
50 a year. This is the cheapest com-
ation for a Magazine that we have ev-
een able to offer, and those of our la-
eaders who wish to avail themselves
it will do well to call immediately, as
first number of the new volume is al-
y issued, and is itself worth half of
at we ask for the year.

Coleridge well said:—"There are
ors which no wise man will treat with
eness, while there is a probability that
y may be the refraction of some great
ill still below the horizon."

The British Reviews,
We last week promised a lengthier no-
of those excellent publications, the
ual announcement of which will be
nd in our advertising columns; and
ugh pressed for space, we cannot fore-
that object now. Combined with
ackwood's Magazine, they form one of
most complete compendiums of cur-
ent English literature that can be found
hesame space, and for the same amount
oney, in the world. In order to give
eaders some information respecting
m, and at the same time effect our ob-
t in this notice, we make the follow-
cognizant extract from the Congrega-
onalist, published at New York. We
mit it for a careful perusal, and urge
on our young men to look favorably
on the good advice contained in the
paraph:—

Our advertising columns contain
essrs. L. Scott & Co.'s announcement
the terms on which they supply Amer-
ican subscribers with their accurate and
utiful reprint of the four great Eng-
Reviews and Blackwood's Magazine;
eaders are, we presume, mostly fa-
lar with the distinguishing character-
ics and great value of these reprints.

The North British Review, the Free-
arch Organ—which had wandered
ewhavior from its first love, has now, we
ice to say, got back to its Orthodox
springs, and bids fair to be all that the
se there demands.

The Westminster Review, under the
agement of Mr. John Chapman (the Ameri-
London bookseller), is the "Liberal"
progressive organ, fighting a great
against Church and State in favor
Free Trade, and to a degree, of free
king also. Its literary character is
remely able, and it utters great truths,
ced sometimes with dangerous errors.

The Edinburgh Review, edited by Mr.
ere—is the old Whig organ, started
Jeffrey, and Brougham, and Sydney
ith, and still mighty in maintenance
its principles. A good notice of a book
orth more in its columns than any-
ere else.

The London Quarterly, under the
agement of Rev. W. Ewryn—was es-
lished to fight the Edinburgh on its
ground, and with its own weapons,
l was carried on by Southey, Scott,
knight, &c. It now defends Con-
stitutional principles, and upholds the Es-
tablishment.

Blackwood's Magazine, Tory to the
kbone—has, in England, a circulation,
s said, of 40,000 copies. And, though
"edits itself," its corps of contributors
of such vast and varied ability, that it
nds at the head of the Magazines of
the world.

hear from their investment in the quick-
ened intelligence, and stimulated thought
of the pulpit.
Moreover—in all our villages—it would
be a good thing done, for ten or twenty
reading young men to club together, and
procure these reprints for their own use
and benefit. They will gain more from
them, than from thrice the money invest-
ed in oysters, sleigh rides, popular fiction,
or pictorial periodicals.

Special Notices.

COMMON SENSE rules the mass of the peo-
ple, whatever the misnamed and misanthropic
philosophers may say to the contrary. Show
them a good thing; let its merits be clearly
demonstrated, and they will not hesitate to
give it their most cordial patronage. The
masses have already ratified the judgment of
a physician, concerning the virtues of HOS-
TETTER'S BITTERS, as may be seen in the
immense quantities of this medicine that are
annually sold in every section of the land. It
is now recognized as greatly superior to all
other remedies yet devised for diseases of the
digestive organs, as such as dyspepsia, bilious-
ness, constipation, and for the various fevers that
arise from derangement of those portions
of the system. Hostetter's name is rapidly be-
coming a household word, from Maine to Tex-
as, from the shores of the Atlantic to the Pa-
cific. Try the article and be satisfied.
Sold by all druggists in the world.
See advertisement in another column.

INFLAMMATION OF THE EYES
Like all other inflammation, is caused by
impurity of the blood, which causes all eru-
ptive diseases, as such as dyspepsia, bilious-
ness, Sores, Ulcers, &c. The blood being impure,
and of an impure nature, also occasions Dropsy,
and the blood becoming obstructed in the
veins, the watery part of the blood in conse-
quence is thrown out from their extremities,
and dropsy is the result. Many times it is
occasioned by improper treatment of some
former disease, and the vessels being filled
with serous humors instead of blood. Free
evacuations by these pills, open the passage
into the bladder and carry off the corrupted hu-
mors, and renew them with pure and healthy
blood, which will drive out of the body all
inflammation, together with eruptions of the
skin, and all deranged complaints. They will
be a shield to every form of disease to guard
and keep you from the cold grasping hand of
death, and cause life and strength to remain,
and the countenance to brighten with the
bloom of beauty and health.
Dr. Morse's Indian Root Pills are sold
by all dealers in Medicines.

BLACKWOODS MAGAZINE (Tory).

The present critical state of European affairs
will render these publications unusually in-
teresting during the forthcoming year. They
will occupy a middle ground between the hasti-
ly written news-items, crude speculations, and
living rumors of the daily Journals, and the
ponderous fomes of the future historian, writ-
ten after the living interest and excitement of
the great political events of the time shall have
passed away. It is to these Periodicals that
readers must look for the only really intelli-
gible and reliable history of current events,
and as such, in addition to their well-es-
tablished literary, scientific, and theological
character, we urge them upon the consideration
of the reading public.

The receipt of Advance Sheets from
British publishers gives additional value
to these Reprints, inasmuch as they can now
be placed in the hands of subscribers about as
soon as the original editions.
