Colvin, Associate Judges of the County of Potter, and General Jail Delivery, Quarter Sessions of the Peace, Orphans' Court and Court of Common Pleas for the County of Potter, have issued their precept, bearing date the fifteenth day of Nov., in the year of our Lord one thousand eight hundred and eighty-nine, and to me directed, for holding a Court of Order and Receiver and General Jail Delivery, Quarter Sessions of the Peace, Orphans' Court and Court of Common Pleas, in the Borough of Conduersport, on MONDAY, the 15th day of December next, and to continue one week;

**HOSTETTER'S STOMACH BITTERS.**

It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but with the aid of a good tonic and the exercise of good common sense, they may be able to so regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enables the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid inaction of the Stomach or bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal.

Diarrhoea, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bitters of some kind; then why not use an article known to be reliable? All nations have tried Bitters, as a preventive of disease and a strengthener of the system in general, and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medical science.

Fever and Ague.—This trying and provoking disease, which fixes its relentless grasp on the body of man, reducing him to mere shadow in a short time, and rendering him physically and mentally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used in proper directions. And as the Bitters are so gentle and so efficacious, and render unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is relieved as speedily as is consistent with the production of a thorough and permanent cure.

For Persons in Advanced Years, who are suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. Add to a mother while nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must wane, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the virtue of the Bitters, will recommend their use in all cases of weakness.

**Caution.**—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CALLED STOMACH BITTERS, and see that each bottle has the words "Dr. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

Of this series of Domestic Remedies is that of this particular medicine is a Specific for the particular disease or class of diseases whose name it bears, and may be relied upon for the cure of that particular affection. Hence, persons suffering from a chronic disease or long-standing ailment, in buying a case of Humphreys' Specifics, obtain the particular one desired in their case, and thus themselves make a cure which otherwise would cost them many dollars, and no small amount of time and medical attendance, if indeed it could be obtained at all.

This multitude suffer from **DYSPEPSIA**, **INDIGESTION**, **CONSTIPATION**, **DIARRHOEA**, **HEADACHE**, **TOOTHACHE**, and **NEURALGIA**, which is perfectly controlled and cured by the **DYSPEPSIA SPECIFIC**.

There is scarcely a phase or form of this disease which is not promptly controlled and ultimately cured by the use of this Specific. This "Bile and Acid" having purchased a case of these Specifics, have obtained a perfect cure and immunity from their old complaint.

**COUGHS, COLDS AND SORE THROATS,** which so frequently lead to **BRONCHITIS AND CONSUMPTION**, are all in their early stage secured by the **COUGH PILLS**.

Many cases of long-standing Bronchitis and irritating Coughs have been perfectly cured by this Specific. But more many persons have a special liability to colds and catarrhs from the least exposure. This will be entirely relieved by the use of the **COUGH PILLS**, as scores can testify from experience.

**CATARH** is one of our most common and most troublesome diseases, against which the old and new Medicines and even Homoeopathic prescriptions, are of very little use. Very many cases of persons have been cured of not only recent, but fresh, but even long-standing and obstinate cases of CATARRH by the use of this Specific.

One aged lady in Syracuse was thus perfectly cured of a Catarrh, which had annoyed her all her life. A young lady at one of our first-class boarding schools, who was so afflicted with this disease as to require more than forty handkerchiefs a week, was entirely cured in a single week by this Specific.

**PILES**, Stinging and bleeding, is one of those common and obstinate forms of disease which are so difficult to cure on the ordinary methods, but which find an entire and permanent cure by the use of this Specific. True, time is required, but the Specific is pleasant to take, requires neither diet nor rest, and is so efficacious that a perfect cure is the result. In many cases, in purchasing a case of Specifics, have obtained a cure for this disease, which had been a source of trouble, which had been worse to them ten times the cost of the entire set. Cases of over twenty years standing have been cured with this Specific, and we believe it may be cured by perseverance. The case continues the text.

**FEVER AND AGUE SPECIFIC** known. A remedy without any deleterious or poisonous substances, which not only cures the ague, and all malarial fevers, but may be relied upon as a preventive, which persons are residing in a fever and ague district. It prevents or protects upon the same principle that vaccination prevents small-pox or cholera prevents cholera, by preventing the system with true Specifics. Hundreds have been cured and cured.

**The Ophthalmic Specific** has proved a most reliable remedy for SORE EYES and EYE-LIDS, and for WEAK and BLURRED SIGHT. One lady in Indiana, who had been a sufferer from sore eyes for many years, and for two years was entirely blind, was cured perfectly by the Ophthalmic Specific.

**HEADACHES,** to which so many are subject, finds a corrective in the case. There is a specific which relieves at the time of the attack, and also one which corrects the condition of the system upon which it depends, and so destroys the predisposition to return.

The Specific for the various forms of **FEMALE COMPLAINTS** have proved invaluable. Old long-standing **LEUCORRHOEA** or **WHITES**, are attended with debility or exhaustion, and for which other forms of medicine are of little value, are fully controlled and cured by the **FEMALE PILLS**, while the specific for irregularities control almost every form of female complaint or irregular menstruation.

**CHARRIES AND SUMMER COMPLAINTS** in a child or children are controlled like magic by the **DIARRHOEA PILLS**, while it may be attended without the possibility of successful condition that the **DIARRHOEA PILLS** are the most perfect specific for that disease known.

For the various forms of **FEVERS, SCARLET FEVER, MEASLES,** and other diseases of children, the **FEVER PILLS** may be safely and surely relied upon.

These Specifics are the responsibility of **JOHN HUMPHREYS**, used for years in his extensive pharmacy, and to the perfection of which he has devoted the resources of extensive knowledge, experience and skill.

The public may rest assured that during the time of Dr. H. no one has been so fully instructed with the preparation of his Specifics, and he offers the guarantee of his professional life and reputation that they shall be just as represented.

They have now been placed in the public for five years, and have everywhere won golden opinions from the many thousands who have used them.

Of this series of Domestic Remedies is that of this particular medicine is a Specific for the particular disease or class of diseases whose name it bears, and may be relied upon for the cure of that particular affection. Hence, persons suffering from a chronic disease or long-standing ailment, in buying a case of Humphreys' Specifics, obtain the particular one desired in their case, and thus themselves make a cure which otherwise would cost them many dollars, and no small amount of time and medical attendance, if indeed it could be obtained at all.

This multitude suffer from **DYSPEPSIA**, **INDIGESTION**, **CONSTIPATION**, **DIARRHOEA**, **HEADACHE**, **TOOTHACHE**, and **NEURALGIA**, which is perfectly controlled and cured by the **DYSPEPSIA SPECIFIC**.

There is scarcely a phase or form of this disease which is not promptly controlled and ultimately cured by the use of this Specific. This "Bile and Acid" having purchased a case of these Specifics, have obtained a perfect cure and immunity from their old complaint.

**COUGHS, COLDS AND SORE THROATS,** which so frequently lead to **BRONCHITIS AND CONSUMPTION**, are all in their early stage secured by the **COUGH PILLS**.

Many cases of long-standing Bronchitis and irritating Coughs have been perfectly cured by this Specific. But more many persons have a special liability to colds and catarrhs from the least exposure. This will be entirely relieved by the use of the **COUGH PILLS**, as scores can testify from experience.

**CATARH** is one of our most common and most troublesome diseases, against which the old and new Medicines and even Homoeopathic prescriptions, are of very little use. Very many cases of persons have been cured of not only recent, but fresh, but even long-standing and obstinate cases of CATARRH by the use of this Specific.

One aged lady in Syracuse was thus perfectly cured of a Catarrh, which had annoyed her all her life. A young lady at one of our first-class boarding schools, who was so afflicted with this disease as to require more than forty handkerchiefs a week, was entirely cured in a single week by this Specific.

**PILES**, Stinging and bleeding, is one of those common and obstinate forms of disease which are so difficult to cure on the ordinary methods, but which find an entire and permanent cure by the use of this Specific. True, time is required, but the Specific is pleasant to take, requires neither diet nor rest, and is so efficacious that a perfect cure is the result.
