For the Potter Journal. The Tables Turned.

MR. CHASE .- Dear Sir-I find in the JOURNAL of March 1st, a pretended reply to my article of Jan. 6th: Such a reply from such a source, I-regard as justness of my cause and the completethe arrow penetrated. In his anguist he defiles himself with his own venous. The article is two weak to support itself; it carries on its face its own refutation; but itideserves notice from the part where it

was written, as well as from its malicious Be Now, Mr. Rogers, why was it "you did not write to defend 'Konyon's Grammar'." Can you tell? Simply because you could not. Ounscious of your inability to re-fute the truth, and fearing its light would expose your own hideous deformity, you vainly tried to obscure it with smoke. Truly, air, you attempted all you were capable of. Though, had you confined yourself to the object you specified, you would have been spared no little trouble. You performed nothing that you announced: it. Why did you say I was hired? Was this county, how much will there be taken Why not? because there was neither it because I dared to tell the truth in different our share of the "State appropriation" to the Schools? tried to find it. If there was, why did you put point it out? name it? let others see it? "rebuke it?? If there is any judge I was hired? Can you compre- June 6, 1859 was \$186,841 12. Our there, it is yours by the best of all rights hend no higher motives than those which county received \$800 20. Now take from any "stupidity" there, you are welcome venal as yourself? Yet I can hardly we would diminish our appropriation about to it also, though I think nature robbed blame you. Were I compelled to live on two dollars fifteen cents and a haif (\$2.15) others, to bestow an unusual amount upon the pittance you receive, I might think or, if equally divided among our 94 you. Exceptions are said to prove the more of a few cents. A good teacher can schools, about 23 cents to each school. rule. You have shown the truth of the live without descending to such means The more thickly settled counties of the proverb :- "The disciple is not above his You are very unfortunate in all your al State would be proportionally more affectmaster." The beam-in your eye is too busions. You referred to Yale College cd. Thus Alleghony county received from great to come out entire. I will try and I have no reason to be ashamed of her, the State last year, \$11,631 80. Should chip off a little. " You rebuke bembast"? How could you? The best way to rebuke least, I will try not to disgrace her. You we would draw our \$30 from the 476 any vice is to eshibit the opposite virtue. Why did you not show the bombast of do you say to "confidently believed," mind, defeats its own purpose. "Not a one; ours original. You did not modify pertaining to the office. truthful sentence in my article"? Is it it to suit the nature of the new institu creditable that I could write a piece of tion, but burdened an infant with fetters that length without one truth? when you that manhood cannot endure. When you drick, by what we have allowed them to could not write half as much without two: wanted text books, instead of examining do, or paid them for doing. Nor are we would have been better for Kenvon, more have reason to be proud of, it is that the he means by the subject of a verb." Look have no doubt he will use John A. Por and fidelity of the office, modified, in some on page 57. You say "the grammar does ter's Chemistry, and Quackenba's Philos- instances, by the inadequate compensation not inform one what a finite verb is." ophy. Should you publish another cir. paid, or the persistent want of coopera-look on page 40, also, on page 125. Now, cular, I think you will not forbid the assir, you either knew those delicitions were sociation of those who have been intimate there, or you did not know it? You from childhood, nor claim the privilege to give us the best man the county affords, knew it? Then you told a malicious of visiting the young ladies' rooms at all or one among the best men-and by your morality you inquicate in your "Sunday to be had here," and then send our stu sufficient to repay him for devoting his evening lectures"? this the lesson you dents thirty miles to pay more for old time and talent to the interests of the give from the sacred desk? O! you did books than the retail price of new ones. schools in Examinations, Visitations, Lec you assert what you did not know? Is I am not. What constitutes a merit in fied-we will try it again. this the way you instruct your classes to your view, is a demerit in mine. But recite? No wonder "they do not think grammar dry"! How dare you say Wold's looks through green eye glasses thinks entertain the sentiments embodied in the resorted to in Pennsylvania. The follows over one hundred, five delegates. was a better grammar than one you knew everything green. It shows the medium nothing of? How dare you say that even through which you look. O, but you Kenyon's was superior to it? After such an act, do you fancy that the ipse dixit of Rev. Wm. H. Rogers is to be the end racity. But did I say it was perfect? I will simply say, select a man from among of "controversy"? Now on what does Did I say it had no superior in the lunther applicants, who is not burdened with your artiple rest? How sure one feels of its truth! What a satisfaction it must or to nave suon an instructor! How for-tunate the people who receive the sacred my own opinion better than I did. Should perfect." Yours truly, L. Bird. be to have such an instructor! How fororacles from his lips! Here, sir, I would gladly leave you to each into the obscurity for which nature designed you; but duty demands that I should instruct oth I would have good reason to laugh at ers, by making a negative example of

bid you an eternal farewell I early in "My review presents the undoubted life resolved to associate only with the evidences of ab hireling," Why? "A wise and virtuous. I think the lowest candid reviewer leaves his zeaders to vice is, to disregard the truth. I have How would this have benefitted given you a good lesson. Should you reyou? When I judged for you, you child ceive it with gratitude and study it with not see it. Simply because I did not say diligence, you will find it of great profit at the close of each argument: this proves As I can have no enmity towards one be my first point, and this my second, but neath contempt, I sincerely hope you will left this to the reader; you failed to see be benefitted by my labors, and I convey that anything had been proven. Nay my parting sentiment in the homely max more, when I said a thing was a conpound, you thought nothing was proved others, alone." Should you be tempted because I did not show my statement ab to neglect this rule and thrust yourself sard by showing that each element made up the whole. You want I should pubraving madness urge you "to rebuke arlish some of Kenyon's villifications. Are you as ignorant of Kenyon as of Covell? to defend error, remember your present Then how do you know that "Kenyon's success, and condemn in silence what you has its defects? Why, "all books have." cannot correct. rogance"; should inspired zeal incline you cannot correct. You have an casy way of judging. It saves a deal of trouble. But third reviewers use slang phrases and vile epi-Superintendent's Salary Again. thets," and because I did not, therefore "I am hired." What logic! Why did

of your own mouth. Yet no one believes tributed among the schools in paying the and with the determination to "live up or your own mouth. Let no one peneves tributed among the schools in paying the and with the determination to this paying the and interest of the specific wages." Now as our School Law to it." And I am almost certain that they could be considered as the considered wages. Now as our School Law to it. And I am almost certain that they chose delegates propose to speak are discussion to select conferrees after a constitution of this readers, dency is part of the system, and each coming election of Superintendent.
