COUDERSPORT, JULY 5, 1860.

The Coudersport Academy opened last Monday with 35 scholars, and a number more are expected to attend.

The "Fourth" in our village amounted to some cannonading from 1 A. M. till 7 P. M., and some fire-crackers fired off by the boys, lots of drunk men, and two fights. We are thankful that it amounted to so little of the kind.

The Sabbath School, Celebration last Saturday was much better than the most sanguine participants expected. The rain on the previous day had made the woods damp, and it was thought best to adjourn the exercises until 1 o'clock P. M., instead of holding them in the forenoon, as announced. At 1 o'clock both schools (the Union or Methodist, and the Presbyterian) assembled at their respective Churches, where they were formed into processions. The Union School then marched up to the corner of Fifth and Mait streets, where they halted, and in a few moments were joined by the Presbyterian School, headed by the Coudersport Brass Band, (the Union School falling in the rear, in courtesy); the procession then marched down Main street, making a fine display, and crossing the river, proceeded to a grove near the old camp ground, which had been tastefully prepared for the occasion by the committee of arrangements. The banners in the procession were truly beautiful and appropriate, and done honor to the hearts, heads and hands of those who got them up. The first in the line was that of the Presbyterian School, (the only one displayed by them) white satin, bronze printed letters, blue silk border, gilt frame and 26x31 inches in size—inscription, "Holiness to the Lord,"—a very beautiful banner indeed. The next was carried by the class of J. S. Mann in the Union School, bearing the inscription "Hope of the World" in blue letters on white cloth with evergreen border. The class is composed of youths of 15 to 19 years of age and the banner was very appropriate. The next banner was carried by Mr. George Metzger's class, bearing the inscription "The Bible—Young America's Balance-wheel," in bronze letters printed on white cambric, and with an evergreen border around the edge. The class is composed of boys under 14 years of age, and they bore their expressive banner with grace and becoming pride. A white pennant with a pink binding was the only other banner noticed. It was carried by Mrs. L. A. Young's class of boys under 10 years of age. Several banners had been prepared for the different classes of girls, as well as one for the Bible class, but the day being very windy and the banners frailly made they were not carried.

The procession was attended by a large number of the parents and friends of the scholars, and on arriving at the grounds all were comfortably seated, and listened to a tune by the Band, after which the audience joined the Rev. Mr. Latham in a fervent prayer. A choir of the young misses of the schools, lead by H. J. Olmsted, then sang an appropriate Sabbath-School hymn, when the Rev. J. H. Parsons made a few excellent and characteristic remarks principally addressed to the children, but which were "words of wisdom" as well to the teachers and parents. His remarks were listened to with marked attention by all present. He was followed by the Rev. M. H. Rice with some equally applicable and worthy remarks, addressed to all present. The Speaker was peculiarly happy in giving his remarks a sort of patriotic moralism, calculated to give them impressive force upon the minds of the youth who heard them. At the close of Mr. Rice's remarks another piece was played by the band, and another hymn sung by the choir, when the Marshal, Z. J. Thompson, Esq., called the schools to the table by classes; where 120 children, waited upon by their teachers, enjoyed themselves "hugely" over the nice viands which had been contributed by their parents and friends. After they were done eating, the teachers and such others as desired again filled the long table full, and seemed to enjoy the luxuries with epicurean zest.

On leaving the table the children retired to a green near by, and spent an hour or so in such amusements as children well know how to appreciate, and of which the "old folks" had their enjoyment in looking upon. At about 4 1/2 o'clock P. M., all of the crowd not engaged in "cleaning up," returned to the village and their homes; all seemingly pleased and satisfied with the day's entertainment—and all alike agreeing that

it was creditable to the committees of arrangements, the Schools and the people of the place.

Married.

COON-KNOWLTON.—In Rutlet, July 1st, by E. H. Burt, Esq., Mr. Josiah Coon, to Miss Thankful Knowlton, both of Routlet. [With the above we received about 4 quarts of green currants—whether from the "Squire" or the others we can't say. We hope the currants are not sourly typical of their expectations in the matrimonial way. We take all kinds of produce for marriage notices where money is scarce.—Ed. Jour.]

It has been reported that the Rev. Henry Ward Beecher was about to start a new daily journal of a religious character, but we are authorized to state that the practical execution of the plan will not be attempted. On a careful search for pious men connected with the newspaper profession, Mr. Beecher has not been able to find a sufficient quantity of piety, aside from those already employed in leading newspapers, to justify the establishment of the proposed new journal. It will, therefore, be a waste of time for any one to apply to him for a place in his staff.—N. Y. Tribune, 15th.

TEACHINGS OF PATRIOTS AND STATESMEN, OR The "Founders of the Republic" ON SLAVERY.

"FIAT JUSTITIA." A Great National Work—every man who votes, or expects to vote, should buy and read it. It is not a partisan book, but a compilation from the reports of Debates, and from other reliable sources, of the Speeches and Writings of the "Founders of the Republic" on the question of Slavery, showing their opinions thereon, as expressed in the Congress of the Confederation, in the Convention to form the Constitution, and in the several State Conventions to ratify the same.

A distinguished feature of the discussions are the Speeches of Madison, Randolph, Dr. Franklin, Rutledge, Livingston, Roger Sherman, Ellsworth, Patrick Henry, Mason, Pinckney, Dowdson, and in short, all those men of the Revolutionary times, renowned alike for their patriotism, statesmanship and virtues. It will include the History of the Ordinance of 1787, by Peter Foster, Esq., the great congressional compiler—the only authentic amount of that famous Ordinance ever published. The slavery agitation is then traced in its various phases, in Congress, from 1790 to 1854, and the opinions (gathered from the Speeches and Letters) of Jefferson, Madison, Monroe, Harrison, Pinckney, John Quincy Adams, Clay, Calhoun, Benton, Webster, Silas Wright and Marcy, as well as eminent living Statesmen, are accurately compiled.

It will also contain the Dred Scott and other decisions of the Courts upon the Slave Question; the great speech of Alexander Hamilton advocating Monarchical Government; also his plan of Government; the inaugural Addresses of Washington, Adams, Jefferson and Madison, and the Farewell Addresses of Washington and Jackson—a partisan book; but as all parties claim to represent the views of the "Fathers of the Republic" on the Slavery Question, the object of the compilation is rather to show what those views were, and what construction the eminent statesmen of the country have given the Constitution, from the period of its adoption to the repeal of Missouri Compromise in 1854.

This volume is the only work of the kind published, and should be in the hands of all who wish a history of this all-absorbing question. It has been compiled with great care by Hon. E. B. Chase, who has had the most ample facilities for its full and authentic compilation.

Price only \$1.00 sent by mail, free of postage, on receipt of the price. J. W. BRADLEY, Publisher, 48 North Fourth Street, Philadelphia.

N. B.—Agents Wanted in every Town in the United States to sell this work, to whom the largest commission will be paid.

MOFFAT'S LIFE PILLS AND PHENIX BITTERS.

THESE MEDICINES have now been before the public for a period of THIRTY YEARS, and during that time have maintained a high character in almost every part of the Globe, for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

The following are among the distressing varieties of human diseases in which the Vegetable Life Medicines are well known to be infallible.

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acid kind; FLAUNTILEXIA, Loss of Appetite, Heartburn, Headache, Restlessness, Intemperance, Anxiety, Languor, and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure. COSTIVENESS, by cleaning the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels costive within two days.

FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstruction in others.

The Life Medicines have been known to cure RHEUMATISM, permanently in three weeks, and GOUT in half that time, by removing local inflammation from the muscles and ligaments of the joints.

DROPSIES of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of GRAVEL.

Also WORMS, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere.

SCURVEY, ULCERS, and INVETERATE SORES, by the perfect purity which these LIFE-MEDICINES give to the blood, and all the humors.

SCORBUTIC ERUPTIONS and BAD COMPLEXIONS, by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, scaly, cloudy, and other disagreeable complexion.

The use of these Pills for a very short time will effect an entire cure of SALT RHEUM, and a striking improvement in the clearness of the skin. COMMON COLDS and INFLUENZA will always be cured by one dose, or by two in the worst cases.

PILES.—The original proprietor of these Medicines, was cured of Piles of 35 years' standing, by the use of the LIFE-MEDICINES alone.

FEVER AND AGUE.—For this scourge of the Western country, these Medicines will be found a safe, speedy, and certain remedy.—Other medicines have the system subjected to a return of the disease—a cure by these Medicines is permanent—TRY THEM, BE SATISFIED, AND BE CURED.

BILIOUS FEVERS and LIVER COMPLAINTS.—General Debility, Loss of Appetite, and Diseases of Females—the Medicines have been used with the most beneficial results in cases of this description.—Kings Evil, and Scrophula, in its worst forms, yields to the mild yet powerful action of these remarkable Medicines. Night Sweats, Nervous Debility, Nervous Complaints of all kinds, Palpitation of the Heart, Painters' Colic, are speedily cured.

MERCURIAL DISEASES.—Persons whose constitutions have become impaired by the injudicious use of Mercury, will find these Medicines a perfect cure, as they never fail to eradicate from the system, all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla.
