

Edwin and County.

COUDERSPORT, AUGUST 23, 1860.

The Sheriff of Triga County advertises fifty-one tracts of land to be sold by him on the 3rd day of Sept. A similar notice was advertised at the June Term. Creditors are savage in our neighboring county. We will publish our list next week, when it will be seen that there is some difference.

Harper's Magazine, for September, is little ahead of all but God's this time. It needs no word of commendation from me, it being so well known to the reading public. We notice a poem, "The Servant Girl," by Fitz James O'Brien, and papers from Porte Crayon, Fitz Hugh Ludlow, Wm. M. Thackeray and John Ruskin—all first class literati. We furnish either of the \$3 magazines for \$2 to our subscribers.

The Potter Co., R. R. Company.—By an announcement in our advertising columns it will be seen that this company, whose project we noticed at considerable length last summer, is putting itself in a new position, and are going to work earnestly in the effort to secure the capital necessary. It is in the hands of energetic and persevering men who can command both foreign and American capital.

A day or two since F. W. Knox, showed us a handful of the Wheat then being harvested on his farm in Summit township, and of which he said he would have between 300 and 400 bushels. It was of the first quality. The Buckwheat and Oat crops in this vicinity look as promising as need be. Some lots of potatoes are rotting in this immediate vicinity in consequence of the continued heavy rains, and some of our farmers are beginning to lament the entire crop. Time will tell.

Population of Potter County.—We have been favored by Dept. Marshal White, with the census of the following Townships which we compare with previous statistics.

Table with 4 columns: Year (1840, 1850, 1860), and rows for various townships including Enlalia, Coudersport, Homer, Wharton, Sweden, Starwardson, Rowlet, Pleasant Valley, Ulfess, Bingham, Genesee, Portage, Jackson, Pike, West Branch, Hector, Allegany, Clara, Sharon, Oswayo, Harrison, and Helron.

Mr. Editor: A sad accident occurred about two miles from here yesterday. Mr. Fish, a poor man, while engaged in clearing a road so as to be able to haul rails from his fallow, hitched his steers to a log supposing it to be loose, and it being fast at one end flew round and caught his leg between it and another log and broke both bones below the knee. He managed to crawl to the house where he lay for three hours alone, his wife being at a neighbors' house, and his nearest neighbors being about a mile distant. A couple of boys passing by him and he hallooed and brought them to him, so that assistance was obtained. Having sent to Cores and Oswayo village without obtaining a doctor, they finally got one from the Eleven Mile, Dr. Goodall, who set his leg, and he is now in a fair way to recover. Yours truly, M. MILLPORT, Aug. 19 1860.

Fatal Accident.—A correspondent in the township sends us the following particulars of a fatal accident which recently occurred in that region. On the 6th of June, Justice Kilbourne issued a search warrant, on the oath of Chauncey Guernsey and Henry Deoxy, charging some one unknown to deponents of stealing six gallons of brandy and goods to the amount of \$40 from a peddler's wagon at E. Johnston's barn, on the 22d of May—whose goods and brandy were not found by constable Metzger. One of the above named peddlers (our correspondent does not know which) has been peddling about the county during the Summer, and on Saturday the 4th inst., was driving his wagon up the Long Run road, leading from Gaines to Westfield, and when near the house of Geo. Harvey, the wagon ran against a rock in the side of the road and upset, throwing him out. He did not think he was much hurt at first, but when the excitement caused by the previously drunk whiskey had passed off, and he was again sober, it was found that his injuries were of a fatal character. He died the following Sunday night. Our correspondent closes his letter

with the following appropriate reflections: "Thus has passed to his reward another victim of intemperance;—and still, with thousands of facts more awful than this, men who hold high positions, and even those who profess christianity, will fold their arms and look on and smile. Yes, even lawyers in high standing at the bar and in the council of the State, will defend those guilty of filling drunkards' graves—those who murder fathers with poison, mothers with degradation, misery and want, and send innocent children to the elms-house, or more frequently to the State-prison in after life. Run-sellers: you do all this—can there be any excuse?"

Improvements in Coudersport.—Our village presents quite an active progress this year in the way of building improvements. We will mention some of them just completed and now in progress: P. A. Stebbins has erected a large and handsome frame dwelling near the river on Second Street. It is 34x40 feet, two stories high; built by W. B. Gordinier.

Hon. Isaac Benson, has erected a convenient law office nearly opposite the above, and near his residence. Frame; built by E. Rees. Ira Canfield has erected a comfortable frame dwelling on the lot near the new Grist Mill. Size 24x32, two stories high; built by W. B. Gordinier.

Hon. Sobieski Ross has made a large addition to his residence. Frame; built by W. B. Gordinier.

W. B. Gordinier has erected a carpenters shop on the site of the one burnt during the Spring. It is frame, 24x36.

D. E. Olmsted & Co., are adding 40 feet to the rear of their Store, making the entire length of the building 70 feet; width 24 feet, 2 stories high; built by W. B. Gordinier.

E. N. Stebbins & Bro., are also adding 36 feet to the rear and Second Street front of their store, two stories high and 26 feet wide; built by E. Rees.

Collins Smith is putting up a handsome and commodious brick store, near the new Grist Mill, and near his own dwelling. It is 76 feet long by 26 feet wide, and two stories high. Foundation walls by Sullivan brothers; Stone-cutting by J. J. Crouch; carpenter work by W. B. Gordinier; brick work by R. Pinch.

The frame of the new Tannery of the Sauberg Brothers, has been erected, and the building is being pushed forward to completion as rapidly as convenient.—When it is completed we will notice it more specifically.

E. B. Hart, Harness-maker, and C. Reissman, Cabinet-maker, have each fitted up convenient shops during the year.

A basement lecture and prayer-meeting room has been added to the Presbyterian Church, and the building and street near it considerably improved.

Judge Ross has built a model bridge across Mill Creek for private convenience and public use. Also one of the same kind across the river at Seventh street. They are structures which, for cheapness, comeliness and durability, the borough corporation will do well to imitate hereafter. We believe they were built by J. Williams.

In addition to the foregoing, several of our citizens have repaired, by adding to or tearing down their dwellings and beautified their grounds, while nearly every citizen has contributed his share towards the beauty of our village by planting trees in and around his grounds, or otherwise improving them. Altogether the progress has been marked, and creditable to our citizens.

DIED. VAN KUREN.—In Genesee, August 8th, JOHN VAN KUREN, in the 77th year of his age. The subject of this notice was born in Kingston, Ulster Co., N. Y. His parents removed to Broome Co., when he was but 4 years old, where he resided for many years, and followed rafting for a number of years after he got old enough, like many of the inhabitants of that region at an earlier day. When the war broke out in 1812, he responded to his country's call and served some time in the lines at Sackett's Harbor; for which service his country, after he was almost worn out with toil and labor, gave him a warrant for 160 acres of land; but which he, like many others, never located; it went to satisfy the great land speculators? He was one of whom all that knew him speak in the kindest terms, as an honest upright benevolent man, possessing a generous heart, ever ready to aid all who needed aid, so far as his means would allow. In the character of his mind he was independent, and out-spoken in his feelings, speech and manners; and was therefore liable to be misunderstood by those who did not know him intimately. He was possessed of some of the most sterling qualities, although he never made any open profession of religion by uniting himself with any church; yet some who have embraced a limited faith accord to him a christian character and believe that

he has gone to a happy home beyond the skies. He has left an aged companion, one son, and one daughter to mourn their bereavement. The consolations of the gospel were tendered to the mourners and a large number of sympathizing neighbors, on the 10th, at the Red School House, by the Rev. S. E. Darrow.

KEECH.—In Genesee, on Saturday, August 19th, GEORGE KEECH, aged about 60 years.

Special Notices.

A CARD TO YOUNG LADIES AND GENTLEMEN.—The subscriber will send (free of charge) to all who desire it, the Recipe and directions for making a simple Vegetable Balm that will, in from two to eight days, remove Pimples, Blisters, Tan, Freckles, Sallowness, and all impurities and roughness of the Skin, leaving the same—as Nature intended it should be—soft, clear, smooth and beautiful. Those desiring the Recipe, with full instructions, directions, and advice, will please call on or address (with return postage) JAS. T. MARSHALL, PRACICAL CHEMIST, 48-131 No. 32 City Buildings, N. York.

THE BLOOD IS THE LIFE.—No more shall the poor sufferers in our country languish, their constitution racked and torn by strong and dangerous mineral-medicines; they will come to the fountain of health; found in simple herbs and roots from nature's storehouse. THE MOUNTAIN HERB PILLS, of innocent mountain plants composed, will reach and stop their distress, and cause the blood, renewed and cleansed, to carry through the body the elements of health; building up the broken constitution, and carrying life and health, where but for them would have been the wreck of hope—the feeble moan of suffering, at last ended by the cold hand of death. Do not let prejudice overcome your better reason; do not look upon these PILLS as only like others; do not let your despair, after trying everything else, prevent you from trying these. The blood must be pure, and the sickness is impossible. What a great and yet simple truth is this! it appeals to the common sense of all! it is the great key-stone of the healing art. JUDSON'S MOUNTAIN HERB PILLS will purify and cleanse it as sure as the sun will rise to-morrow. Judson's Mountain Herb Pills are sold by all Medicine Dealers.

THE FEMALE ORGANIZATION is often as frail as that of a tender flower. Many of the sex enter into marriage relations without being able to undergo the labors and trials of maternity. In this country thousands of young and beautiful women are sacrificed every year from this cause alone. Hostetter's Celebrated Stomach Bitters will save many of this class from an untimely grave. This medicine has been used with great benefit by immense numbers of people throughout the republic, and the proprietors have received grateful commendations from all sections of the country. The Bitters will be found to be very pleasant to the taste, even as a beverage, and prompt and powerful in its effect as a medicine. It infuses new vitality into the frame, and strengthens the whole system, so that women who use it are enabled to go through with labors which would, without it, be certain to prostrate them. Sold by all druggists.

ULYSSES ACADEMY.

JOSEPH A. COOPER, A. B. Principal. MR. WM. GILLILAND, ASSISTANT. MISS H. M. JONES.

The ULYSSES ACADEMY was commenced in the spring of 1859 and opened to students the following September. Its object is to afford to the youth of its vicinity, and to others who may choose it as a place of study, the requisite facilities for obtaining a thorough and practical education.

The school is in a neat, two-story building, beautifully situated on a gentle eminence commanding a view of the village and country around. The adjoining yard contains about three acres. The upper story contains a single room; and is used for a chapel, recitation, and study room. This room is lighted by 14 large windows, furnished with seats for 150 scholars, tables, black-boards, maps, charts, clock, thermometer, and Library of Reference Books. The lower story contains two rooms for recitations, one for library, a dressing room, and a hall 8 by 44 feet.

The students board in private families and study in their own rooms. Nearly every family in the village open their houses to boarders. As several new houses are being erected, there will be no lack of accommodations; and, in private families, students can enjoy the comforts of home.

This Institution is better furnished with maps, charts and Reference Books than any similar institution in the country. The Library of Reference contains over 40 volumes, costing about \$3.00 a vol. MOFFAT'S LIFE PILLS AND PINKETTS BITTERS.

THESE MEDICINES have now been before the public for a period of THIRTY YEARS, and during that time have maintained a high character in almost every part of the Globe, for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

The following are among the distressing variety of human diseases in which the Vegetable Life Medicines are well known to be infallible.

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind; FLATULENCY, Loss of Appetite, Heartburn, Headache, Restlessness, Ill-Temper, Anxiety, Langor, and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

COSTIVENESS, by cleansing the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels costive within two days.

FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstruction in others.

The Life Medicines have been known to cure RHEUMATISM, permanently in three weeks, and GOUT in half that time, by removing local inflammation from the muscles and ligaments of the joints.

DROPSIES of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of GRAVEL.

Also WORMS, by distending from the turnings of the bowels the slimy matter to which these creatures adhere.

SCURVEY, ULCERS, and INVETERATE SORES, by the perfect purity which these LIFE MEDICINES give to the blood, and all the humors.

SCORBUTIC ERUPTIONS and BAD COMPLEXIONS, by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of SALT RHEUM, and a striking improvement in the clearness of the skin. COMMON COLDS and INFLUENZA will always be cured by one dose, or by two in the worst cases.

PILES.—The original proprietor of these Medicines, was cured of Piles of 35 years standing, by the use of the LIFE MEDICINES alone.

FEVER AND AGUE.—For this scourge of the Western country, these Medicines will be found a safe, speedy, and certain remedy.—Other medicines leave the system subject to a return of the disease—a cure by these Medicines is permanent.—TRY THEM, BE SATISFIED, AND BE CURED.

BILIOUS FEVERS and LIVER COMPLAINTS.—General Debility, Loss of Appetite, and Diseases of Females.—The Medicines have been used with the most beneficial results in cases of this description.—Kings Evil, and Scrofula, in its worst forms, yields to the mild yet powerful action of these remarkable Medicines.—Night Sweats, Nervous Debility, Nervous Complaints of all kinds, Palpitation of the Heart, Painters' Colic, are speedily cured.

MERCURIAL DISEASES.—Persons whose constitutions have become impaired by the injudicious use of Mercury, will find these Medicines a perfect cure, as they never fail to eradicate from the system, all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla.
