it not that miserable, sinful curiosity which prompts people to pry into others' affairs, coupled with the evil disposition, from Indiana :. "We think the Repubwhich hears and magnifies ? I have seen lican cause is all right now in Indiana, hind the shadow of the triumphant sum- |Fitch." mer, her pleasant face grew sad. She though some deadly viper was eating majority."-N. Y. Eve. Post.

away her very heart. All this seemed very strange to me for I had not heard the story. She was my friend, so I entreated her to tell me the cause of her sorrow.

She burst into tears, and leaning fer head upon my shoulder told me all found a spark to kindle from, and thenwild fire confusion spread the news -desolation wee! The burning, seathing flaine of slander scorched and seared her tender, sensitive nature, and left her almost a wreck ! When I heard her story, I was furiously indignant, but my just indignation soon "ecoled down," and I strove to comfort her with a little whole--that is, mind her own concerns and ating family disturbance. then if they chose to talk, let them; she should not heed them any more than she

would a flock of geese squawking at her heels. She was a sensible gir', and ac cepting my advice, she went on her way rejoicing. This is one instance, but not the only one. I see the effects of this scandal---it was a max ! a mun was it ? No! it was a-a-what?

I verily believe the prevailing motto business, and my business is my own." Why don't people mind their own con-cerus? Surely, "Every man has in his own breast tollies enough—in his own evils enough-without minding other people's business." RUTH ROLLAND.

Two Noble Boys.

A correspondent of The Independent in St. Louis, Missouri, communicates the following story as strictly-true :

A few evenings since two little boys, about five years old, were walking together along one of the fashionable streets of our city. As they were passing a pri vate residence they stopped, attracted by laugh-when damned spirits swap hell

suds, and occupies himself for hours blowing soap bubbles through a common elay, pipe, which he intently watches floating about until they burst. He is doubtless," she continued, "now at his favorite amusement, for it is a fine day ;

learn to mind their own concerns? Why man smiled, and they went up stairs, don't they ? haven't they common-sense when after looking through the staircase enough? don't they know enough? or window into the adjoining court-yard, he haven't they any business of their own to turned to her and said, "My dear madam; mind? A certain poet says-"There's the person whom you suppose to be a much of sorrow on this earth of ours, and poor lunatic, is no other than the great much of grief." Well, I don't dispute Sir Isaac Newton, studying the refracthat-it's the truth; but then I would tion of light upon thin plates-a phelike to ask the poet what is the cause of nomenon which is beautifully exhibited all, or nearly all, of this grief and sorrow upon the surface of a common soap bub-

HOSTETTER'S STOMACH BITTERS.

It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of good common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired Main above Third St T TELLS YOU How to attend upon the sick, object, the true course to pursue is certainly that which will produce a natural state of and how to cook for them; things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has in-troduced to this country a preparation bearing how to prepare Drinks, Poultices, &c., and how to guard against infection his name, which is not a new medicine, but one that has been tried for years, giving satisfacfrom Contagious Diseas-Of the various diseases of tion to all, who have used it.
