ideas, it is at least conceivable that man Library of Reference contains over 40 volthese animals. He has copied from patterns set by nature in tree and leaf, and flower and plant; he has formed the Goth-leaf, and column from the interlucing them are are and column from the interlucing boughs of the lofty avenue, the Corinthi bracing basket, and classic urns and vashaving derived a similar lesson from an-No species of animals has learned any thing new from man, except within the narrow sphere of domestication .- Atlantic Monthly.

Another of the World's Heroes.

The Detroit Free Press, of the 11th instant, commenting on the Lady Elgin disaster, says: "We have glimpses of a and called them to a sense of their danger. All were finally collected on deck, and when the steamer went down; the hyricane deck, which continues the strong and noble incentives this institution acroof of the upper caoin, floated clear of tercourse of the students with each other and the hull and sustained the crowd. Mr. with the Instructors is expected to conform to Bot less than three hundred persons were collected, the majority of whom clung to their places until near daylight. The serve its Regulations. A copy of these is furraft was mostly under water from the nished to each student and conformity to them weight of its living burden, and very few is indispensible to continuance in the Institution.

The coptain was CIPAL, Ulysses, Pa,

constantly on his feet encouraging the crowd, and seems to have been the only man who dared to stir from the recumbent position that was necessary to keep a secure hold on the precarious raft. He carried a child, which he found in the arms of an exhausted and submerged woman, to an elevated portion of the rafand left it in charge of a woman, when it was soon lost. He constantly exhorted the crowd to keep silent, and not only to make no noise, but to refrain from moving, in order that the frail framework might last the longer. Bellman says that during the time which clapsed, while the raft kept together, there was scarcely a sound from man, woman or child. They clung to their places in silent terror, and neither groans nor prayers were audible; no voice, save that of the captain, raised aloud in encouragement and good sheer, being heard amid the roar of the wind Aztec Nation, that once ruled Mexico. You and the ceaseless splash of combining in our Pamphlets and Almanaes—to be had And then remember me.

And then remember me.

and conduct a Teachers' Institute. Prof Sanders will be aided by S. LEWIS, It is very important that Students be pres-

to every Patron.

Above, we present you with a perfect likeness of Tezuco, a chief of a tribe of the strange

like feather weights, and a weary struggle were discovered. A very interesting account the hapless survivors had during the long Almanac and Pamphlet.

It is an established fact, that all diseases

impure blood: The blood is the life! and when any foreign or unhealthy matter gets mixed with it, it is at once distributed to every organ of the Every nerve feels the poison, and all body. The action of the heart is weakened, and so the circulation is feeble. The lungs become clogged with the poisonous matter; hence, cough-and all from a slight impurity at the pure spring, from which ran a tiny rivulet, in a'few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood fly to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction

removed, the lamp of life soon dies out. These pills not only purify the blood, but egenerate all the secretions of the body; they are therefore, unrivalled as a

CURE FOR BILIOUS DISEASES. Liver Complaint, Sick Headache, &c. This Anti-Bilious Medecine expels from the blood the hidden seeds of disease, and renders all the fluids and secretions pure and fluent, clearing and resuscitating the vital organs. Pleasant indeed, is it to us, that we are

ble to place within your reach, a medicine like the "Mountain Herb Pills," that will pass directly to the 'afflicted parts, through the blood and fluids of the body, and cause the sufferer to brighten with the flush of beauty

Indson's Pills are the Best Remedy in ex istence for the following Complaints: Bowel Complaints, Debility, Inward Weak-Howel Compliants, Dennity, Inward near-ness, Coughs, Colds, Chest Diseases, Costive-ness, Dyspepsia, Diarrhosa, Dropsy, Head-aches, Indigestion, Influenza, Inflammation, Piles, Stone and Gravel, Secondary Symp-

HOSTETTER'S

STOMACH BITTERS. It is a fact that, at some period, every mem ber of the human family is subject to disease

or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of good common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a patural state of how to prepare Drinks, things at the least hazard of vital strength and Poultices, &c., and how life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one cs. that has been tried for years, giving satisfac-IT TELLS YOU Of the various diseases of tion to all who have used it. The Bitters operate powerfully upon the stomach, bowels, best and simplest mode and liver, restoring them to a healthy and of treatment during vigorous action, and thus, by the simple process of strengthening nature, enables the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal.
