

**MISCELLANY.**  
**NOVEL METHOD TO PREVENT POTATO ROT**—Some Belgian boys, a few years since, for amusement, inserted some peas into potatoes, and planted them. The result was an unusual yield of peas, and a crop of tubers perfectly sound, in a field where the potatoes were badly effected. Acting on the hint, Mr. Jackson of Leeds, England developed the theory that the potato being deficient in nitrogen, would receive an equivalent of that article from the pea, during the same time of growing, and so its tendency to disease would be counteracted. He then tried the experiment, inserting four or five peas in each potato, carefully avoiding injury to the eyes, and then planting in the usual way. The result was perfect success—an unusual yield of both peas and potatoes, and the latter perfectly free from disease. The tubers were found healthy the next Spring, and were again planted with the same results.

The school is in a neat, two-story building, beautifully situated on a gentle eminence commanding a view of the village and country around. The adjoining yard contains about three acres. The upper story contains a single room; and is used for a chapel, recitation, and study room. This room is lighted by 14 large windows, furnished with seats for 150 scholars, tables, black-boards, maps, charts, clock, thermometer, and Library of Reference Books. The lower story contains two rooms for recitations, one for Library, a dressing room, and a bath by 44 feet.

**HOSTETTER'S STOMACH BITTERS.**  
It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of good common sense, they may be able to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enables the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid function of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal.  
Diarrhea, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet. Will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bitters of some kind; then why not use an article known to be reliable? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom his preparation emanated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medical science.

**EVERY AND AGE.**—This trying and provoking disease, which fixes its relentless grasp on the body of man, reducing him to mere shadow in a short time, and rendering him physically and mentally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neither create nausea nor offend the palate, and render unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is removed as speedily as is consistent with the production of a thorough and permanent cure.

For Persons in Advanced Years, who are suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only to be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the virtue of the Bitters, will recommend their use in all cases of weakness.

**Caution.**—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

**JUDSON'S MOUNTAIN HERB PILLS.**  
Above, we present you with a perfect likeness of Tezucou, a chief of a tribe of the Aztec Nation, that once ruled Mexico. He will find a full account of him and his people in our Pamphlets and Almanacs—to be had gratis, from the Agents for these Pills.  
The inventor and manufacturer of Judson's Mountain Herb Pills, has spent a greater part of his life in traveling, and visited nearly every country in the world. He spent over six years among the Indians of the Rocky Mountains and of Mexico, and was thus the first to discover the virtues of his adventures there, you will find in our Almanac and Pamphlet.  
It is an established fact, that all diseases arise from

**IMPURE BLOOD!**  
The blood is the life! and when any part of it is unhealthy matter gets mixed with it, at once distributed to every organ of the body. Every nerve feels the poison, and the vital organs quickly complain. These ailments will not digest the food perfectly. The liver ceases to secrete a sufficiently of bile, the action of the heart is weakened, and the circulation is feeble. The lungs become clogged with the poisonous matter; heart cough—and all from a slight impurity of fountain-head of life—the Blood. As if he had thrown some earth, for instance, in pure spring, from which ran a tiny rill, a few minutes the whole course of the stream becomes disturbed and discolored. Asquity does impure blood fly to every part, it leaves its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out.

These pills not only purify the blood, they regenerate all the secretions of the body; they are therefore, unrivalled as a **CURE FOR BILIOUS DISEASES.**  
Liver Complaint, Sick Headache, &c. The Anti-Bilious Medicine expels from the blood the hidden seeds of disease, and renders the fluids and secretions pure and clear, clearing and re-energizing the vital organs.  
Pleasant indeed, it is to us, that we are able to place within your reach, a medicine like the "Mountain Herb Pills," that will directly to the afflicted parts, through the blood and fluids of the body, and cause the sufferer to brighten with the flush of beauty and health.

**Judson's Pills are the Best Remedy in existence for the following Complaints:**  
Bowel Complaints, Debility, Inward Weakness, Coughs, Colds, Chest Diseases, Costiveness, Dyspepsia, Diarrhoea, Dropsy, Headaches, Indigestion, Influenza, Inflammation of Piles, Stone and Gravel, Secondary Syphilis, &c.

**GREAT FEMALE MEDICINE!**  
Females who value health, should never be without these Pills. They purify the blood, remove obstructions of all kinds, cleanse the skin of all pimples and blotches, and bestow the rich color of health to the pale cheek.  
The Plants and Herbs of which these Pills are made, were discovered in a very surprising way among the Tezucans, a tribe of Aborigines in Mexico. Get the Almanac, our Agent, and you will read the details of the very interesting account it contains of "GREAT MEDICINE" of the Aztecs.  
**Observe.**—The Mountain Herb Pills are put up in a beautiful Wrapper. Each box contains 40 pills, and retail at 25 cents per box. Genuine, have the signature of B. L. JUDSON & CO., on each box.
