A Novelty in the Art World! PHOTOGRAPHY UPON PORCELAIN. Secured by letters patent in the United States, England, France, and Belgium.

THE AMERICAN PHOTOGRAPHIC PORCELAIN CO., No. 781 Broadway, N. Y., having secured their novel and ingenious invention by American and European patents, are fully prepared to execute all orders for

Miniature Likenesses of Persons on China, presenting all the attractive and advantageous features of ordinary photographs, the brilliancy and finish of a water-color drawing, and a hitherto unattained quality of durability, by being rendered as imperishable as the natural properties of the articles upon which they are transferred.

As the patented process of the Company enables the reproduction of Photographs, not only on plain surfaces, but upon such as are round or of any degree of irregularity—portraits can be reproduced with faultless accuracy, and delicacy of delineation, upon Porcelain wares of any description and dimension used as articles of luxury or of household utility, such as

URNS, VASES, BREAKFAST CUPS, TOILET ARTICLES, &c.; thereby securing faithful portraits and furnishing a unique and exquisite style of ornamentation of articles in domestic use.

In order to furnish facilities for the gratification of the popular taste, and to meet the wants of those patrons of the Fine Arts desirous of having Portraits on Porcelain, the Company have imported from Europe a collection of superior porcelain goods, manufactured by their own order, which they sell at cost prices.

As the American Company are owners of the patent right, and consequently the only persons authorized to use the process, they have determined, in order

TO AFFORD PEOPLE IN EVERY SECTION OF THE UNION an opportunity to possess PORTRAITS ON CHINA, to make the following proposition to RESIDENTS IN THE COUNTRY, WHO ARE UNABLE TO VISIT PERSONALLY THE ATELIER AND GALLERIES IN NEW YORK.

Persons sending a photograph, ambrotype, or daguerreotype to the office of the Company in New York, accompanied by

FIVE DOLLARS, will receive in return by express, free of other charge, A RICHLY ORNAMENTED BREAKFAST CUP AND SAUCER, WITH THE PORTRAIT TRANSFERRED THEREON.

By transmitting a daguerreotype and TEN DOLLARS, they will secure in like manner, A HANDSOME FRENCH VASE OR TOILET ARTICLE.

With the portrait reproduced by the patented process. By sending a pair of daguerreotypes and FIFTEEN DOLLARS, they will receive in return

A PAIR OF HIGH SEVRES VASES, with the portraits executed equal to miniature paintings; and, in like manner, portraits can be reproduced on porcelain wares or VASES OF EVERY QUALITY OF FINISH, ranging in price from

TWENTY TO ONE HUNDRED DOLLARS THE PAIR.

N. B.—Be particular in writing the address, Town, county and State distinctly. All letters to be addressed to "Manager, American Photographic Porcelain Co., 4—3m, 781 Broadway N. Y."

JUDSON'S MOUNTAIN HERB PILLS.

Now, we present you with a perfect likeness of Tezuc, a chief of a tribe of the strange Aztec Nation, that once ruled Mexico.

The inventor and manufacturer of Judson's Mountain Herb Pills, has spent the greater part of his life in traveling, having visited nearly every country in the world.

It is an established fact, that all diseases arise from IMPURE BLOOD!

The blood in the life! and when any foreign or unhealthy matter gets mixed with it, it is at once distributed to every organ of the body.

Every nerve feels the poison, and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiently bile.

The action of the heart is weakened, and so the circulation is feeble. The lungs become clogged with the poisonous matter; hence, a cough—and all from a slight impurity at the fountain-head of life—the Blood!
