ENORMOUS BUSINESS FOR ONE NEW YORK MERCHANT.—We are happy to inform our fellow-citizens that there is one place in our city

where the physician tanothecary, and country where the physician, apothecary, and country morehant, can go and purchase pure Wines and Liquors, as pure as im, orted, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will repay any stranger or citizen to visit Udelpho Wolfe's extensive ware-house, Nos. 18, 20 and 22, Beaver street, and Nos. 17, 19 and 21, Mark-etfield street. His stock of Schnapps on hand ready for shipment could not have been less than thirty thousand cases; the Brandy, some ten thousand cases-Vintages of 1836 to 1856; and ten thousand cases of Madeira, Sherry and Port Wine, Scotch and Irish Whisky, Jamaica and St. Croix Rum, some very old and equal to any in this country. He also had three large cellurs, filled with Brandy, Wine, &c., in casks, under Custom-House key. ready for bottling. Mr. Wolfe's sales of Schnapps last year amounted to one hundred and eighty thousand dozen, and we hope in less than two years he may be equally successful with his Brandies and Wines.

His business merits the patronage of every lover of his species. Private families who wish pure Wines and Liquors for medical use should send their orders direct to Mr. Wolfe, until every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves, and replace it with Wolfe's pure Wines and Liquors.

We understand Mr. Woife, for the accommodation of small dealers in the country, puts up asserted cases of Wines and Liquors .-Such a man, and such a merchant, should be sustained against his tens of thousands of opponents in the United States, who sell noth ing but imitations, ruinous alike to human health and happiness.
