

MISCELLANEOUS.

THE AMALGAMATION OF LANGUAGES.—There is a growing tendency in this age to appropriate the most expressive words of other languages, and after a while to incorporate them into our own; thus the word Cephalic which is from the Greek, signifying "for the head," is now becoming popularized in connection with Mr. Spalding's great Headache remedy, but it will soon be used in a more general way, and the word Cephalic will become as common as Elect. type and many others whose distinction as foreign words has been worn away by common usage until they seem "native and to the manner born."

'ardly Realized. The 'ardly 'ardache this afternoon, hand I stepped into the apothecary's hands he said to me, "Can you hear me of an 'ardache?" "Does it lache 'ard," says he. "No," I replied, "I had upon that 'e gave me a Cephalic Pill, and 'pon me 'onor it cared me so quick that I 'ardly realized 'ad an 'ardache."

HEADACHE is the favorite sign by which nature makes known any deviation whatever from the natural state of the brain, and viewed in this light it may be looked on as a safeguard against any more serious disease which might otherwise escape attention, till too late to be remedied; and its indications should never be neglected. Headaches may be classified under two names, viz: Symptomatic and Idiopathic. Symptomatic Headache is exceedingly common and is the precursor of a great variety of diseases, among which are Apoplexy, Gout, Rheumatism and all febrile diseases. In its nervous form it is sympathetic of disease of the stomach, constituting bilious headache, of hepatic disease constituting hepatic headache, of worms, constipation and other disorders of the bowels, as well as renal and uterine affections. Diseases of the heart are very frequently attended with Headaches; Anemia and plethoria are also affections which frequently occasion headache. Idiopathic Headache is also very common, being usually distinguished by the name of nervous headache, sometimes coming on suddenly in a state of apparently sound health, and prostrating at once the mental and physical energies, and in other instances it comes on slowly, heralded by depression of spirits or acerbity of temper. In most instances the pain is in the front of the head, over one or both eyes, and sometimes provoking vomiting under this class may also be named Neuralgia.

For the treatment of either case of Headache the Cephalic Pills have been found a safe and sure remedy, relieving the most acute pains in a few minutes, and by its suble power eradicating the disease of which Headache is the unerring index.

Daughter.—Misses wants you to send her a box of Cephalic Pills, a bottle of Prepared Pills—but I'm thinking that's not just it; neither; but perhaps you'll be after knowing what it is. You see she's high dead and gone with the Sick Headache, and wants some more of the same as relieved her before.

Druggist.—You must mean Spalding's Cephalic Pills. Bridget.—Och! sure now and you've seen it, here's the quarter and give me the Pills and don't be all day about it either.

A Real Blessing.

Physician.—Well, Mrs. Jones, how is that headache? Mrs. Jones.—Gone! Doctor, all gone! the pill you sent cured me in just twenty minutes, and I wish you would send more so that I can have them handy. Physician.—You can get them at any Druggist's. Call for Cephalic Pills, I find they never fail, and I recommend them in all cases of Headache. Mrs. Jones.—I shall send for a box directly, and shall tell all my suffering friends, for they are a real blessing.

Cephalic Pills CURE Sick Headache CURE Nervous Headache CURE All kinds of Headache

By the use of these Pills the periodic attacks of Nervous or Sick Headache may be prevented; and if taken at the commencement of an attack immediate relief from pain and sickness will be obtained. For Literary Men, Students, Delicate Females, and all persons of sedentary habits, they are valuable as a Laxative, improving the appetite, giving tone and vigor to the digestive organs, and restoring the natural elasticity and strength of the whole system. THE CEPHALIC PILLS are the result of long investigation and carefully conducted experiments, having been in use many years, during which time they have prevented and relieved a vast amount of pain and suffering from Headache, whether originating in the nervous system or from a deranged state of the stomach.

An aperient and Stomachic preparation of IRON purified of Oxygen and Carbon by combustion in Hydrogen. Sanctioned by the highest Medical Authorities, both in Europe and the United States, and prescribed in their practice.

The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions indicate its necessity in almost every conceivable case.

Innocuous in all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz: Debility, Nervous Affections, Emaciation, Dyspepsia, Constipation, Diarrhoea, Dysentery, Incipient Consumption, Scrophulous Tuberculosis, Salt Rheum, Menses irregular, Whites, Chlorosis, Liver Complaints, Chronic Headaches, Rheumatism, Intermittent Fevers, Pimples on the Face, &c.

In cases of General Debility, whether the result of acute disease, or of the continued diminution of nervous and muscular energy from chronic complaints, one trial of this restorative has proved successful to an extent which no description nor written attestation would render credible. Invalids so long bed-ridden as to have become forgotten in their own neighborhoods, have suddenly returned from protracted travel in a distant land. Some very singular instances of this kind are attested to female Sufferers, emancipated victims of apparent maniacism, sanguineous exhaustion, critical changes, and that complication of nervous and desultory aversion to air and exercise for which the physician has no name.

In Nervous Affections of all kinds, and for nervous families, to medical men, the operation of this preparation of iron must necessarily be salutary, for unlike the old oxide, it is vigorously tonic without being exciting and overbearing; and gently, regularly aperient even in the most obstinate cases of constipation without ever being a gastric purgative, or inducing a disagreeable sensation.

It is this latter property, among others, which makes it so remarkable effectual and permanent a remedy for Pills, upon which it also appears to exert a distinct and specific action; by dispersing the local tendency which forms them.

In Dyspepsia, innumerable as are its causes and its effects, the Chalybeate Pills has often been found to be the most successful, including the attendant Costiveness. In unchecked Diarrhoea, even when advanced to Dysentery, confirmed, emaciating, and apparently malignant, the effects have been equally decisive and astonishing.

In the local pains, loss of flesh and strength, debilitating cough, and remittent hectic, which generally indicate Incipient Consumption, this remedy has allayed the alarm of friends and physicians, in several very gratifying and interesting instances.

In Scrophulous Tuberculosis, this medicated iron has had far more than the good effect of the most cautiously balanced preparations of iodine, without any of their well known liabilities.

The attention of females cannot be too confidently invited to this remedy and restorative, in the cases peculiarly affecting them.

In Rheumatism, both chronic and inflammatory—in the latter, however, more decidedly—it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and muscles.

In Intermittent Fevers it must necessarily be a great remedy and energetic restorative, and its progress in the new settlements of the West, will probably be one of high repute and usefulness.

No remedy has ever been discovered in the whole history of medicine, which exerts such prompt, happy, and fully restorative effects—Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use.

JUDSON'S MOUNTAIN HERB PILLS.

Above, we present you with a perfect likeness of Tezucou, a chief of a tribe of the strange Aztec Nation, that once ruled Mexico. You will find a full account of him and his people in our Pamphlets and Almanacs—to be had gratis, from the Agents for these Pills.

The inventor and manufacturer of "Judson's Mountain Herb Pills," has spent the greater part of his life in travelling; having visited nearly every country in the world. He spent over six years among the Indians of the Rocky Mountains and of Mexico, and it was thus that the "Mountain Herb Pills" were discovered. A very interesting account of his adventures there, you will find in our Almanac and Pamphlet.

It is an established fact, that all diseases arise from

IMPURE BLOOD!

The blood is the life, and when any foreign or unhealthy matter gets mixed with it, it is at once distributed to every organ of the body. Every nerve feels the poison, and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiently of bile. The action of the heart is weakened, and so the circulation is feeble. The lungs become clogged with the poisonous matter; hence, a cough—and all from a slight impurity at the fountain-head of life—the Blood! As if you had thrown some earth, for instance, in a pure spring, from which ran a tiny rivulet, in a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood fly to every part, and leave its stinging behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out.

These pills not only purify the blood, but regenerate all the secretions of the body; they are therefore, unrivaled as a

CURE FOR BILIOUS DISEASES,

Liver Complaint, Sick Headache, &c. This Anti-Bilious Medicine expels from the blood the hidden seeds of disease, and renders all the fluids and secretions pure and clean, clearing and reorganizing the vital organs.

Please mind, it is to you, that we are able to place within your reach, a medicine like the "Mountain Herb Pills," that will pass directly to the afflicted parts, through the blood and fluids of the body, and cause the sufferer to brighten with the flush of beauty and health.

Judson's Pills are the Best Remedy in existence for the following Complaints: Bowel Complaints, Debility, Inward Weakness, Coughs, Colds, Chest Diseases, Costiveness, Dyspepsia, Diarrhoea, Dropsy, Headaches, Indigestion, Influenza, Inflammation, Piles, Stone and Gravel, Secondary Symptoms.

GREAT FEMALE MEDICINES!

Females who value health, should never be without these Pills. They purify the blood, remove obstructions of all kinds, cleanse the skin of all pimples and blotches, and bring the rich color of health to the pale cheek.

The Plants and Herbs of which these Pills are made, were discovered in a very surprising way among the Tezucouans, a tribe of "Aborigines in Mexico." Get the Almanac of our Agent, and you will read with delight, the very interesting account it contains of the "Great Medicines" of the Aztecs.

Observe.—The Mountain Herb Pills are put up in a beautiful wrapper. Each box contains 40 pills, and retail at 25 cents per box. All genuine, have the signature of B. L. JUDSON & CO., on each box.
