 ... lovers of good hotel accommoda-
 ... in the oil region of Tidouite, and
 ... from all sections, will learn with
 ... sure that Major S. M. MILLS, of
 ... burg, this county, has leased the
 ... hotel at Tidouite, and will take pos-
 ... of it on the 16th of March. He

 ... hotel-keepers in the land—a model
 ... well known for the bounty
 ... variety of his tables and the softness
 ... freshness of his beds. His wife is
 ... of nature's noble women, and has no
 ... as a landlady. Sam will have
 ... nothing in ship-shape, or he won't

 ... We have to

 ... members has been inaugurated in this
 ... ce, with a cash capital of \$2,000.
 ... they have leased some lands at Tidouite
 ... on the Messrs. Overton, and two of the

 ... a contract for boring at Tidouite,
 ... and we hope in the course of eight or ten
 ... weeks to chronicle the success of both of
 ... companies. The owners of the land
 ... from whom the last named company leased
 ... a new demand \$100 cash bonus for a
 ... lease, and their leases are rapidly taken
 ...
 ... In this connection we would suggest
 ... that some of our citizens form a company
 ... for boring at or near this place. We be-
 ... lieve oil can be found here, though per-
 ... saps at greater depth than in the pres-
 ... ent developed oil region; we are confident
 ... that not more than \$1,500, judiciously
 ... expended, would be required, and per-
 ... haps not half that sum. If oil were found
 ... here would be no estimating the advan-
 ... tage to the county and the owners of land.
 ... Let a company be formed with 200 shares
 ... of \$10 each, and we venture to say the
 ... shares will be readily taken. Companies
 ... have been formed in this way at Olean,
 ... Smithport and other places in this region
 ... —why not here? There need be no
 ... haste in the matter; but we suggest that
 ... the company should be organized with a
 ... view to commence operations about the
 ... middle of the summer, when those inter-
 ... ested in Tidouite will have developed
 ... their claims there and be ready to take a
 ... lead at home.
 ... Parker, Abbott & Co., oil refiners
 ... at Titusville, offer "a superior article of
 ... refined illuminating petroleum, by the
 ... barrel," at their refinery in that place.
 ... This is a reduction of 10 cents on the
 ... other refiners in the oil region. They
 ... have just begun refining. Further re-
 ... ductions in the price of refined oil may
 ... be expected as refiners increase, while the
 ... crude oil will probably maintain its pres-
 ... ent rate of 25 cts. a gallon for some time
 ... to come. The net profit of the refiners
 ... at 60 cents is 25 cents a gallon. The
 ... loss of matter from crude in refining is
 ... 10 per cent.

UDOLPHO WOLFE'S
AROMATIC
SCHEDEAM
SCHNAPPS
A SUPERLATIVE
TONIC, DIURETIC,
ANTI-DYSPEPTIC
AND
INVIGORATING CORDIAL

To the citizens of New Jersey and Pennsylvania.

Apothecaries, Druggists, Grocers and Private Families.

Wolfe's Pure Maderia, Sherry and Port Wine.
 Wolfe's Pure Jamaica and St. Croix Rum.
 Wolfe's Pure Scotch and Irish Whisky.

ALL IN BOTTLES.

I beg leave to call the attention of the citizens of the United States to the above Wines and Liquors, imported by Udolpho Wolfe, of New York, whose name is familiar in every part of this country for the purity of his celebrated SCHEDEAM SCHNAPPS. Mr. Wolfe, in his letter to me, speaking of the purity of his Wines and Liquors, says: "I will stake my reputation as a man standing as a merchant of thirty years' residence in the City of New-York, that all the Brandy and Wines which I bottle are pure as imported, and of the best quality, and can be relied upon by every purchaser." Every bottle has the proprietor's name on the wax, and a facsimile of his signature on the certificate. The public are respectfully invited to call and examine for themselves. For sale at Retail by all Apothecaries and Grocers in Philadelphia.

Read the following from the New York Courier:

EXCLUSIVE BUSINESS FOR ONE NEW YORK MERCHANT.—We are happy to inform our fellow-citizens that there is one place in our city where the physician, apothecary and country merchant, can go and purchase pure Wines and Liquors, as pure as in order, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will repay any stranger or citizen to visit Udolpho Wolfe's extensive ware-house, Nos. 18, 20 and 22, Beaver street, and Nos. 17, 19 and 21, Marketfield street. His stock of Schneppes on hand ready for shipment could not have been less than thirty thousand cases. The Brandy, some ten thousand cases of Madeira, Sherry and Port Wine, Scotch and Irish Whisky, Jamaica and St. Croix Rum, some very old and equal to any in this country. He also had three large cellars, filled with Brandy, Wine, &c., in casks, under Custom-House key, ready for bottling. Mr. Wolfe's sales of Schneppes last year amounted to one hundred and eighty thousand dozen, and we hope in less than two years he may be equally successful with his Brandy and Wines.

"His business merits the patronage of every lover of his species. Private families who wish pure Wines and Liquors for medicinal use should send their orders direct to Mr. Wolfe, until every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves, and replace it with Wolfe's pure Wines and Liquors.

We understand Mr. Wolfe, for the accommodation of small dealers in the country, puts up assorted cases of Wines and Liquors. Such a man, and such a merchant, should be sustained against his tens of thousands of opponents in the United States, who sell nothing but imitations, ruinous alike to human health and happiness. CHILDREN
TEETHING

MRS. WISLOW.
 An experienced Nurse and Female Physician, presents to the attention of mothers, her **SOOTHING SYRUP.**

FOR CHILDREN TEETHING,
 which greatly facilitates the process of teething, by softening the gums, redness, all inflammation will ally ALL PAIN and spasmodic action, and is
SURE TO REGULATE THE BOWELS.
 Depend upon it, mothers, it will give rest to yourselves, and
RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and CAN SAY, IN CONFIDENCE AND TRUTH, of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of commendation of its magical effects and medical virtues. We speak in this matter—WHAT WE DO KNOW; after ten years' experience, AND PLEDGE OUR REPUTATION FOR THE FULFILLMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS IN THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve GRIPING IN THE BOWELS, and WIND COLIC and excessive convulsions, which, if not speedily remedied, end in death. We believe it the BEST and SUREST REMEDY IN THE WORLD, in all cases of DYSENTERY and DIARRHOEA IN CHILDREN, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—DO NOT LET YOUR PREJUDICES, NOR THE PREJUDICES OF OTHERS, stand between you and your suffering child; and the relief that will be SURE—YES, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. Some genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

Sold by Druggists throughout the world.
