There will be a Concert given in the M. E. Church on Friday evening, by Miss KATE DEAN, the celebrated American Piano Donna. She comes well recommended by the press.

Our young friend E. N. STEBBINS has been appointed Ensign in the Navy—a life office—by President Lincoln. We congratulate him upon this well-deserved promotion, and hope that in the new home to which he has gone he may find friends as true as those he left behind.

We publish the Cards from the Harrisburg paper and another Communication in regard to the difficulties of the County Volunteers. The stories conflict and the trouble gets very little clearer by this frequent re-telling; in the future we shall refuse to publish anything in relation to it that is not decisive and with authority of some responsible officer.

Both have had a fair hearing—and to pursue it further can not help either party but will only serve to engender bitter-feeling.

Notices, read this.—The following is an extract from a letter written by the pastor of a Baptist Church to the "Journal and Messenger," Cincinnati, Ohio, and speaks rejoicingly in favor of that world-renowned medicine—Mrs. Winslow's Soothing Syrup for Children's Teething.

"We see an advertisement in your columns of Mrs. Winslow's Soothing Syrup. Now we never said a word in favor of a patent medicine before in our life, but we feel compelled to say to your readers; that this is no humbug we have tried it, and know it to be all the claims. It is, probably, one of the most successful medicines of the age, because it is one of the best. And those of your readers who have babies can't do better than to lay in a supply."

AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints: Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Eruptions, Itchings, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859.
J. C. AYER & Co. Gentl: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejected to read in the Great Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that anything you made must be good. I sent to Simons' drug store and bought a bottle, and took it as you directed. My skin at once began to improve, and I feel that the disease has gone from my system. You will believe that I feel what I am saying when I tell you that I feel well, and in the one of the happiest of my life, and remain ever gratefully yours.

ALFRED D. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Potters and all other Scrofulous Affections, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Peble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the use of your Sarsaparilla, and also a dangerous Malignant Erysipelas by large doses of the same; says he cures the common Eruptions by constantly using your Sarsaparilla. Zebulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me of a Gout—a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhoea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have cured my Sarsaparilla most excellent remedy for the numerous complaints for which we employ such a remedy, but especially in Female Diseases. I have cured many cases of Scrofulous Ulcers, and also a dangerous Malignant Erysipelas by constantly using your Sarsaparilla as the last resort before cutting. It proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.

Dr. J. C. Ayer, Sr., writes from New Orleans, 25th Aug., 1859. I have realized with your Sarsaparilla. I have cured with it in my practice most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Gonorrhoea and Mercurial Disease. One of my patients, a young man, had a sore in his throat, which was consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in a few days, and he was cured of all secondary symptoms in his case, and the ulceration had healed a considerable part of it, so that I believe the disorder would soon reach his brain and kill him, if he had yielded to the administration of mercury, which he had done, and he is well again, not of course without some disfigurement to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bowels. She had become so sensitive to the weather that on a damp day she suffered excruciating pains in her head, and was cured entirely by your Sarsaparilla in a few weeks. I know from my formula, which your agent gave me, that this preparation from your laboratory must be a great remedy, consequently these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint, Indigestion, Preston Co., Va., 6th July, 1859.
Dr. J. C. Ayer, Sr., I have been afflicted with a chronic Rheumatism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FRANK.

My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you make was worth trying. By the blessing of God it has cured me, and has purified my blood so much that I feel young again. The best that can be said of you is not half good enough."

Schirous, Cancer Tumors, Enlargement, Ulcers, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us where these of these formidable complaints have resulted from the use of this remedy, but our course here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, &c., &c., &c.

Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will be for them all that medicine can do.

Ayer's Cherry Pectoral, FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Whooping Cough, and all other Affections of the Throat and Lungs, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is needless here to publish the evidence of its virtues. Its unrivaled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth, and the thousands of grateful families among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous foe—the throat and lung complaint—know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not so much to assure them that the fruit of the tree which has won so strongly upon the confidence of mankind.

COURT PROCLAMATION.
WHEREAS the Hon. Robert G. White President Judge, and the Hon. Joseph Mann and G. G. Colvin, Associate Judges of the Courts of Potter & Termination and General Delivery, Quarter Sessions of the Peace, Orphan's Court and Court of Common Pleas for the County of Potter, have issued their precept, bearing date the seventh day of January, in the year of our Lord one thousand eight hundred and sixty-one, and to me directed, for holding a Court of Oyer and Termination and General Delivery, Quarter Sessions of the Peace, Orphan's Court and Court of Common Pleas, in the Borough of Coudersport, on MONDAY, the 17th day of June next, and to continue one week.

Notice is therefore hereby given to the Coroners, Justices of the Peace, and Constables within the County, that they be then and there in their proper persons, at 10 o'clock A. M. of said day, with their rolls, records, inquisitions, examinations, and other memorances, to do those things which to their offices pertain to be done. And those who are bound by their recognizances to prosecute against the prisoners that are or shall be in the jail of said county of Potter, are to be then and there to prosecute against them as will be just.

ALL IN BOTTLES.

I beg leave to call the attention of the citizens of the United States to the above Wines and Liquors, imported by Udolpho Wolfe, of New York, whose name is familiar in every part of this country for the purity of his celebrated Sarsaparilla, Mr. Wolfe, in his letter to me, speaking of the purity of his Wines and Liquors, says: "I will stake my reputation as a man of standing as a merchant of thirty years' residence in the City of New York, that all the Brandy and Wines which I bottle are pure as imported, and of the best quality, and can be relied upon by every purchaser."

Every bottle has on the program of his signature, and a full description of his goods, respectfully invited to call and examine for themselves. For sale at Retail by all Apothecaries and Grocers in Philadelphia.

GEO. H. ASPROUS, No. 832 Market St. Phila. Sole Agent for Philadelphia.

Read the following from the New York Courier:

EDUCATED BUSINESS FOR ONE NEW YORK MERCHANT.—We are happy to inform our fellow-citizens that there is one place in our city where the physician, apothecary, and country merchant can go and purchase pure Wines and Liquors, as pure as imported, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will repay any stranger or citizen to visit Udolpho WOLFE'S extensive ware-house, Nos. 18, 20 and 22 Beaver street, and Nos. 17, 19 and 21 Market street. His stock of Schnapps and Brandy, ready for shipment could not have been less than thirty thousand cases; the Brandy, some ten thousand cases—Vintages of 1836 to 1859; and ten thousand cases of Madeira, Sherry and Port Wine, Scotch and Irish Whisky, Jamaica and St. Croix Rum, some very old and equal to any in this country. He also had three large cellars, filled with Brandy, Wine, &c., in casks, under Custom-House key, ready for bottling.

Mr. Wolfe's sales of Schnapps last year amounted to one hundred and eighty thousand dozen, and we hope in less than two years he may be equally successful with his Brandy and Wines.

His business attracts the patronage of every lover of his goods. Private families who wish pure Wines and Liquors for medicinal use should send their orders direct to Mr. Wolfe, until every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves, and replace it with Wolfe's pure Wines and Liquors.

We understand Mr. Wolfe, for the accommodation of small dealers in the country, puts up assorted cases of Wines and Liquors.—Such a man, and such a merchant, should be sustained against his tens of thousands of opponents in the United States, who see nothing but imitations, ruinous alike to human health and happiness.
