Hinins, and all Skin Diseases.

OMELAND, Ind., 6th June, 1859.

J. C. Ayen & Co. Gents: I feel it my duty to acknowledge what your Sarsapagilla has done for me. Having inherited a Scroulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned invarid and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and soveral physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnatiand got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a mouth, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now devar, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully.

Dr. J. B. S. I have cured many invoterate cases of Leucorrhea by it, and some where the complaint was caused by ulceration of the ulcrus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Sewbury, Ala, writes, "A dangerous orarian tumor on one of the females in my family; which had defied all the remedies we could employ, has it length been completely cured by your Extract of Sarsaparilla. Syphilis and Mercurial Diseases

New Obleans, 25th August, 1859.
Dr. J. C. Aten: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.

Librae cured with it, in my practice, most of the constaints for which it is recommended, and have found this effects truly wonderful in the cure of Veneral and Mercurial Disease. One of my patients had Syphilitic ulcers his threat, which were consuming his plante and the top of his mouth. Your Sarsapavilla, steadily taken, n his throat, which were consuming his palate and the op of his mouth. Your Sarsuparlila, steadily taken, nured him in five weeks. Another was attacked by secondary symptoms in his nost, and the ulceration had atten away a considerable particly is othat I believe the disorder would soon reach his brain and kill him. But it yielded to my administration, of your Earsaparlila; the alcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered exriciating pain in her joints and bones. She, too, was sured entirely by your Earsaparlila in a few weeks. I know from its formula, which your agent gave me, that this Proparation from your laboratory must be a great emedy; coisequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D. Rheumattism, Gout, Liver Complaint.

Dn. J. C. Avan; Sir, I have been afflicted with a painul chronic Rheumatism for a fong time, which buffled the skill of physicians, and stuck to me in spite of all the emedical could find, until I tried your Saranaprilla. One oottle cured me in two weeks, and restored niy general realth so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM. tticked. I think it a wonderful medicine. J. FREAM. Jules Y. Getchell, of St. Louis, writes: "I have been illicted for years with an affection of the Liver, which lestroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he exid he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

the Bones.

A great variety of cases have been reported to us where curse of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanae, which the agents below named are pleased to farnish gratis to all who call for them.

Dyspepsia. Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia. By, Melancholy, Weuralgia.

Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will lo for them all that medicine can do.

Exormors Business for one New York Menchant.-We are happy to inform our fellow-citizens that there is one place in our city where the physician, apothecary, and country where the physician, apothecary, and country merchant, can go and purchase pure Wines, and Liquors, as pure us im orted, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will repay any stranger or citizen to visit Udolpho Wolfe's extensive ware-house, Nos. 18, 20 and 22, Beaver street, and Nos. 17, 19 and 21, Mark-etfield street. His stock of Schnarps on hand ready for shipment could not have been less than thirty thousand cases; the Grandy, some ten thousand cases—Vintages of 1836 to 1856; and ten thousand cases of Madeira, Sherry and the thousand cases of Adders, Sherry and Port Wine, Scotch, and frish. Whisky-Jamaica and St. Croix Ruin, some very old and equal to any in this country. He also had three large cellars, filled with Brandy, Wine, &c., in casks, under Custom-House key, ready for bottling. Mr. Wolfe's sales of Schnapps last year amounted to one hundred

and eighty thousand dozen, and we hope in less than two years he may be equally sucessful with his Brandies and Wines. His business merits the patrollage of every lover of his species. Private families who wish pure Wines and Liquors for medical use should send their orders direct to Mr. Wolfe, until every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves, and replace it with Wolfe's pure
