

THE POTTER COUNTY JOURNAL
Is the only paper published in Potter county, circulates among an intelligent class of people, and is thus an excellent medium for both City and County Advertising.

Transient Advertisements and those from a distance must be Cash or have responsible reference.
All communications, to receive attention, must be directed to the Editor, and contain the name of the writer. No attention paid to anonymous communications.
TERMS—One copy, one year, \$1; Six copies \$3; Twelve copies, \$10; Twenty copies, \$18, with one to the person raising the Club. The money must accompany the names.

Coudersport, Thursday Morning, July 11, 1861.

It is only **ONE DOLLAR A Year**, you can all afford that. Try it for a year. The Cash must accompany the order.

Read the story on the first page, we publish it for the lesson it teaches.

We received a long communication from a friend this week which we cannot publish, and will take this opportunity of stating that we can not and will not fill our paper with long-drawn out accounts of anything or any person, unless particularly interesting to the majority of our readers. The sum and substance of this communication is that the writer joined "Sickles' Brigade" and was deceived, and warns young men from following in his footsteps.

Another from a friend in the county we cannot publish for want of room.—Although we, to some extent, sympathize with him, and feel somewhat, as he does, yet it is not always best to intrude our feelings upon those who might not receive them very patiently or in the spirit they were intended.

We learn that the 4th at Oswayo was a success; the people had the old Continental spirit fully awakened, and evinced a universal feeling that the War must be carried to its success.

Some thought our Celebration was a failure, but that is a great mistake, and they would have come to a different conclusion if they could but have had one glimpse at a luxurious repast, and listened for a moment to the eloquent "heart-orientations" had in a "Grove" not a thousand miles from Coudersport.

It is a query among some of our good citizens to know what has become of our County Committee. If we are to have nominations it would be well to have some official notice of it. It is well that a general thing to open the canvass early. Give the people a chance to decide with some deliberation. Forced nominations are seldom popular; nor those made just prior to the election. Give the people time to make their own free-thought choice.

A copy of the New York *Day Book* has found its way to our office, with a hint, derived partly from its columns and partly from the post-mark, that it is circulated free to all who will take. Its well-known character is that of a secession organ dressed in the garb of an anti-war policy. It is loud in its denunciation of the very men that are doing all that is possible for the preservation of our country. It might be well for those who take it to think of the fate of those who give "comfort" to traitors. What would be the position you would sustain to your country if martial law was proclaimed.

Charles J. Biddle, Dem., was elected to Congress from Philadelphia, in place of E. Joy Morris.
Col. H. B. Wright, Union, was elected from the Luzerne District, in place of Geo. W. Seranton, dec'd.

We publish the Message of the President to the exclusion of other news. We thought that there would be a greater desire to read that which the great head of the nation would say at this time than to read a detailed account of the skirmishes of our troops. There has been at the time of this writing no battle of any very great importance or extent.—There have been, since our last issue several slight engagements, which of course would naturally follow the advancing up and occupying of the land of the Rebels; they are retreating fast toward Richmond, it is not known where they will take a stand. Gen. Patterson's column is pushing them close. Col. Duray has been made a General. Maj. Gen. Fremont has been appointed to the Western Division with his head quarters at St. Louis. Gen. Scott, it is said, will take the field, if thought necessary.

American Cement Glue.—We invite the attention of all our readers to the advertisement of Messrs. Johns & Crosley, New York, in another column. Their "Cement Glue" will no doubt meet with a large sale, is a great saving to housekeepers and within the reach of all. Only 25 cents per bottle, and for sale by druggists and storekeepers generally.

MOTHERS, READ THIS.—The following is an extract from a letter written by the pastor of a Baptist Church to the "Journal and Messenger," Cincinnati, Ohio, and speaks volumes in favor of that world-renowned medicine—*Mrs. Winslow's Soothing Syrup*.
"We see an advertisement in your columns of Mrs. Winslow's Soothing Syrup. Now we never said a word in favor of a patent medicine before in our life, but we feel compelled to say to your readers, that this is no humbug. We have tried it, and know it to be a most useful medicine of the day, because it is one of the best. And those of your readers who have babies can't do better than to lay in a supply."

AYER'S Sarsaparilla
FOR PURIFYING THE BLOOD.
And for the speedy cure of the following complaints: Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Bores, Boils, Blisters, and all other eruptions of the skin.

Oakland, Cal., Feb. 21, 1860.
J. C. AYER & Co. Gent: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having indulged in a habit of self-abuse for many years, it has done me much harm in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it caused a neuralgia in my head, and at times it broke out on my head and covered my scalp with a sore, which was very painful and led to a loss of hair. I tried many medicines and several physicians, but without success. At length I was induced to read in the Gospel Messenger that you had prepared an alternative Sarsaparilla, and I knew from your position that anything you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses, a teaspoonful or more, and used also three bottles of the Sarsaparilla. My skin soon began to show signs of improvement, and a while after I felt as if it were a new man. I now feel as if you had done me a great deal of good. I can say that I feel what I feel, and that I hold you to be one of the greatest of the age, and remain ever gratefully,
ALFRED B. TALLEY.

St. Anthony's Fire, Rheum or Erysipelas, Kingworm, Scald Head, Ringworm, Skin Itches, Etc.
Dr. J. B. Channing writes from Salem, N. Y., 12th Dec. 1859, that he has cured an inveterate case of Kingworm, which threatened to terminate fatally, by the use of your Sarsaparilla, and also a severe case of St. Anthony's Fire, which he cured by the same medicine. He says he cured the common Kingworms by it constantly.
Bronchocoe, Croup or Swelled Neck.
Zeblun Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured my Croup, which was swelling on the neck, which I had suffered from over two years."

Leucorrhoea or Whites (Ovarian Tumor), Ulcer of the Cervix, etc.
Dr. J. B. Channing writes from New York City, writing: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alternative in the numerous cases of Leucorrhoea, and especially in the cases of Ulcer of the Cervix, which I have cured by the use of your Sarsaparilla. I have cured many more inveterate cases of Leucorrhoea by it, and some where no complaint was made of it, but the secretion of the discharge had been so great, leading to my knowledge equal to that of these female diseases."
Edward S. Norton, of Newbury, writes: "I had long tried all the remedies we could employ, but at length have completely cured my wife's Leucorrhoea by your Sarsaparilla, and I believe that your Sarsaparilla can afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it was cured effectually. After having used nearly eight weeks no symptom of the disease returned."
Syphilis and Mercurial Disease.

Rheumatism, Joint, Liver Complaint.
Jennings, Preston Co., Va., 6th July, 1860.
Dr. J. C. AYER: Sir, I have been afflicted with a painful chronic Rheumatism for a long time, which baffled the skill of physicians, and at length, I have been cured by your Sarsaparilla. I think it wonderful medicine. J. BREMAM.
James V. Gatchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me. At length, I have been cured by your Sarsaparilla. I believe it to be the only medicine that has cured me, and any thing that was worth trying. By the blessing of God I feel cured now, and I feel as if I were a new man. I feel that it is a great blessing to me. I feel that I can say that I feel what I feel, and that I hold you to be one of the greatest of the age."
Schistosoma Cancer Tumors, Enlargement, Ulceration, Curves and Exfoliation of the Bones.

A great variety of cases have been reported to me within the last few days, and I have been very much pleased by the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which I think is one of the best and most useful pamphlets that I have ever read, and which I would like to see in the hands of every one who is afflicted with any of the above diseases.

of the Disease.
This is a remedy so universally known to surpass any other of the kind for the cure of these complaints. It is especially adapted to the relief of coughs and colds, and its truly wonderful cures of pulmonary affections are well known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its efficacy. Some living testify to its merits, and others who are so afflicted all know the dreadful fatality of these disorders, and do more than to know them that it has now all the virtues that it did have when making the cures which have been so strongly upon the confidence of the people.

UDOLPHO WOLFE'S
AROMATIC
SCHNAPPS
A SUPERLATIVE
TONIC, DIURETIC,
ANTI-DYSPEPTIC,
AND
INVIGORATING CORDIAL.

To the citizens of New Jersey and Pennsylvania.
Apothecaries, Druggists, Grocers and Private Families.
Wolfe's Pure Cognac Brandy.
Wolfe's Pure Madeira, Sherry and Port Wine.
Wolfe's Pure Jamaica and St. Croix Rum.
Wolfe's Pure Scotch and Irish Whisky.
ALL IN BOTTLES.
I beg leave to call the attention of the citizens of the United States to the above Wines and Liquors, imported by Udolpho Wolfe, of New York, whose name is familiar in every part of this country for the purity of his celebrated SCHNAPPS. Mr. Wolfe, in his letters to me, speaking of the purity of his Wines and Liquors, says: "I will stake my reputation as a man my standing as a merchant of thirty years' residence in the City of New York, that all the Brandy, and Wines which he bottles are pure as imported, and of the best quality, and can be relied upon by every purchaser." Every bottle has the proprietor's name on the wax, and a fac simile of his signature on the certificate. The public are respectfully invited to call, and examine for themselves. For sale at Retail by all Apothecaries and Grocers in Philadelphia.

Sole Agent for Philadelphia.

Read the following from the New York Courier:
CONSUMERS BUSINESS FOR ONE NEW YORK MERCHANT.—We are happy to inform our fellow-citizens that there is one place in our city where the physician, apothecary, and country merchant, can go and purchase pure Wines and Liquors, as pure as imported, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will repay any stranger or citizen to visit Udolpho Wolfe's extensive warehouse, Nos. 18, 20 and 22, Beaver street, and Nos. 17, 19 and 21, Market street. His stock of SCHNAPPS on hand ready for shipment could not have been less than thirty thousand cases; the Brandy, some ten thousand cases—Vintages of 1850 to 1856; and ten thousand cases of Madeira, Sherry and Port Wine, Scotch and Irish Whisky, Jamaica and St. Croix Rum, some very old and equal to any in this country. He also had three large cellars, filled with Brandy, Wine, &c. in casks, under Custom-House key, ready for bottling. Mr. Wolfe's sales of SCHNAPPS last year amounted to one hundred and eighty thousand dozen, and we hope in less than two years he may be equally successful with his Brandy and Wines.
His business merits the patronage of every lover of his species. Private families who wish pure Wines and Liquors for medicinal use should send their orders direct to Mr. Wolfe, until every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves, and replace it with Wolfe's pure Wines and Liquors.

We understand Mr. Wolfe, for the accommodation of small dealers in the country, puts up assorted cases of Wines and Liquors, such as, Brandy, Scotch and Irish Whisky, &c., in such a manner, and such a merchant, should be satisfied against his tens of thousands of consumers in the United States, who sell nothing but imitations, ruinous alike to human health and happiness. [Signed]—

BELLINGHAM'S
CELEBRATED
STIMULATING ONGUENT.
For the Whiskers and Hair.

The subscribers take pleasure in announcing to the Citizens of the United States, that they have obtained the Agency for, and are now enabled to offer to the American public, the above justly celebrated and world-renowned article.
THE STIMULATING ONGUENT
Is prepared by D. C. P. BELLINGHAM, an eminent physician of London, and is warranted to bring out a thick set of
Whiskers or a Mustache,
in from three to six weeks. This article is the only one of the kind used by the French, and in London and Paris it is a universal use. It is a beautiful, economical, soothing, yet stimulating compound, acting as if by magic upon the roots, causing a beautiful growth of hair to come forth. If applied to the scalp, it will cure baldness, and cause to spring up in place of the bald spots a fine growth of new hair. Applied according to directions, it will turn grey or towy hair black, and restore gray hair to its original color, leaving it soft, smooth and flexible. The "ONGUENT" is an indispensable article in every gentleman's toilet, and after one week's use they would not for any consideration be without it.
The subscribers are the only Agents for the article in the United States, to whom all orders must be addressed.
Price One Dollar a box—for sale by all Druggists and Dealers; or a box of the "ONGUENT" warranted to have the desired effect) will be sent to any who desire it, by mail (direct), securely packed, on receipt of price and postage; S. E. L. Apply to or address
