AYER'S Sarsaparilla FOR PURIFYING THE BLOOD. And for the speedy cure of the following complaints: Scrofula and Scrofulous Affections, such as Eruptions, Skin Diseases, Eruptions, Pimples, Pustules, Boils, Blisters, and all Skin Diseases.

J. C. AYER & Co. Gentlmen: I have no way to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous Infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my face, and sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one scurf, which was very itching and sore. I tried many medicines and several physicians, but without much relief from any thing. It was then that I saw your Sarsaparilla in the Boston Herald, and I bought a bottle. I took it as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. Now and healthy skin soon began to form under the scurf, and it finally fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the benefactors of the age, and remain ever gratefully yours, ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scalp Itch, Ringworm, Sore Eyes, Dropsy. Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of your Sarsaparilla, and also a dangerous Malignant Erysipelas by large doses of the same; says he cures the common Dropsy, and it comes in the form of Bronchocoele, Gout, or Swelled Neck.

Leucorrhoea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases. Dr. J. B. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agents in saying I have found your Sarsaparilla to be the most alterative in the numerous complaints for which we employ such a remedy, but especially in Female Diseases of the Scrofulous class, such as Whites, Leucorrhoea, or Uterine Ulceration, &c., and in some other cases of Leucorrhoea by it, and in some where the complaint was caused by ulceration of the uterus. The ulceration itself was cured by your Sarsaparilla, and my knowledge equals it for these female derangements."

FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Croupy Children in advanced Stages of the Disease. This is a remedy so universally known to surpass any other for the cure of the above diseases, and it is useless here to publish the evidence of its virtues. Its unrivaled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized world. Few are the communities, or even families, among them who have not some personal experience of its effects. Some living trophies in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. All know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, need not to know that it did when making the cures which have won so strongly upon the confidence of mankind. BY ROBT. F. CULVERWELL, M.D., Author of the "Green Book," &c. UDOLPHO WOLFE'S AROMATIC SCHNAPPS TONIC, DIURETIC, ANTI-DYSPEPTIC, AND INVIGORATING CORDIAL. To the citizens of New Jersey and Pennsylvania. Apothecaries, Druggists, Grocers and Private Families.

Wolfe's Pure Cognac Brandy, Wolfe's Pure Madeira, Sherry and Port Wine, Wolfe's Pure Jamaica and St. Croix Rum, Wolfe's Pure Scotch and Irish Whisky. ALL IN BOTTLES. I beg leave to call the attention of the citizens of the United States to the above Wines and Liquors, imported by Udolpho Wolfe, of New York, whose name is familiar in every part of this country for the purity of his celebrated SCHNAPPS. Mr. Wolfe, in his letter to me, speaking of the purity of his Wines and Liquors, says: "I will stake my reputation as a man of standing as a merchant of thirty years' residence in the City of New York, that all the Brandy and Wines which I bottle are pure and imported, and of the best quality, and can be relied upon by every purchaser." Every bottle has the proprietor's name on the wax, and a fac simile of his signature on the certificate. The public are respectfully invited to call and examine for themselves. For sale at Retail by all Apothecaries and Grocers in Philadelphia. GEO. H. ASBURN, No. 832 Market St. Phila. Sole Agent for Philadelphia.

Read the following from the New York Courier: ENORMOUS BUSINESS FOR ONE NEW YORK MERCHANT.—We are happy to inform our fellow-citizens that there is one place in our city where the physician, apothecary, and country merchant, can go and purchase pure Wines and Liquors, as pure as imported, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will repay any stranger or citizen to visit Udolpho Wolfe's extensive ware-house, Nos. 18, 20 and 22, Beaver street, and Nos. 17, 19 and 21, Market street. His stock of Schnapps on hand ready for shipment could not have been less than thirty thousand cases; the Brandy, some ten thousand cases—Vintages of 1836 to 1856; and ten thousand cases of Madeira, Sherry and Port Wine, Scotch and Irish Whisky, Jamaica and St. Croix Rum, some very old and equal to any in this country. He also had three large cellars, filled with Brandy, Wine, &c., in casks, under Custom-House key, ready for bottling. Mr. Wolfe's sales of Schnapps last year amounted to one hundred and eighty thousand dozen, and we hope in less than two years he may be equally successful with his Brandy and Wines.

His business merits the patronage of every lover of his species. Private families who wish pure Wines and Liquors for medical use should send their orders direct to Mr. Wolfe, until every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves; and replace it with Wolfe's pure Wines and Liquors.

We understand Mr. Wolfe, for the accommodation of small dealers in the country, puts up assorted cases of Wines and Liquors. Such a man, and such a merchant, should be sustained against his tens of thousands of opponents in the United States, who sell nothing but imitations, ruinous alike to human health and happiness.
