Are you sick, feeble, and amidmining? Are you out of

order, with your system derained, and your feelings uncomfortable? These symptoms are often the product to sickness is creeping upon you, and should be arrested by a finely use of the right remedy. Take Ayer's Fills, and cleans out the disordered incompared the structs its natural functions. They stimulate the functions of the body into rigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions, aftering, and disease. While in this condition, oppressed by the derangements, take Ayer's Fills, and pee how directly they restore the natural action of the system; and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-scated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, curel by the same means. None who know the virtues of these Pills; will neglect to employ them when suffering from the disorders they cure.
