HORNING & HUMPEREY.

No. 321 N. SECOND Street PHILAD's

rale over

Are you sick, feeble, and complaining? Are you out of order, with your system, deranged and your feelings uncomfortable? These symiptons are often the prelude to serious illuess. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered hamours—purify the blood, and let the fluids move on unobstructed in health, again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general agravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also tuo in many of the deep-seated and dangerous distempers. The same purystive effect exples them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, chared by the same means. None who know the virtues of those Pills, vill neglect to employ them whon suffering from the disbrderer they cure.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856. Da. Ayen. Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievally adjitted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic.

From Dr. E. W. Curteright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels; which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore Draw Br. Edward Loyd; Ballimore.

Draw Bro. Axer: I cannot answer you what complaints. I have enred with your Pills better than to say all this we neer treat with a pargetive medicine. I place great dependence on an effectual cathartic in my daily contest with liseuse, and believing as I do that your Pills afford us the best we have, I of course value them highly;

PRITSIERA, Ph., May 1, 1855.

DR. J. C. Aren. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two fryour Pills. It seems to ariso from a foul stomach, which they cleans at once.

Yours with great respect, ED. W. PREBLE, Clerk of Steamer Clarion.

Billions Disorders - Liver Complaints. From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their pur-pose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my prac-tice proved more effectual for the cure of bilious com-plaints than any one remedy I can inention. I sincerely rejoice that we have at length a purgative which is wor-thy the confidence of the profession and the people.

thy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR, |
Washington, D. C., 7th Feb., 1855. |
Sin: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious diseases so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hopital.

Dysentery, Diarrhoa, Relax, Worms.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for billour dyscutery and diarrhota. Their sugar-conting makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood. From Rev. J. V. Himes, Fusion of Advent Church, Boston.
Dn. Ayrn: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the lorgans of digestion and purify the blood, they are theivery best remedy I have vere known, and I can coinfidently recommend them to my friends.

Yours, J. V. HIMES.

my friends.

WARSAW, Wyoming Co., N. Y., Oct. 21, 1855.

DEAR Sm.: I um using your Cathartic Pills in my practice, and find them an excellent pure ative to cleanse the system and purify the foundatins of the blood.

JOHN G. MEACHAM, M. D.

Constitution, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Drop-sy, Paralysis, Fits, etc. From Dr. J. P. Vauglen, Montreal, Canada.

From Dr. J. P. Langua, Montreas, Connacts.

Too much cannot be said of your Pills for the cure of costineness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bud enough in itself, is the progenitor of others that are worse. I believe conticeness to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. L. Stuart, Physician and Midwife, Boston. I find one or two large doses of your Fills, taken at the proper time, are excellent premotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worns. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church. From the Rev. Dr. Haukes, of the delhodist Epis. Church.

Pr.LASEL HOUSE. Savaunah, Gal. Jan. 6, 1856.

HONORED Sin: I should be ungrateful for the relief your skill has brought me if I did not report mylease to you. A cold settled in my limbs and brought on excruciating neuralpic pains, which ended in chronic theumatism, Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzik, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHANETE, Balon Rouge, La., 5 Dec. 1855.

Dp. AFER: I have been entirely cured, by your Pills, of Rheumotic Gout — a painful disease that had afflicted mo for years.
