COUDERSPORT, POTTER COUNTY, PA., WEDNESDAY, AUGUST 7, 1861.

THE NORTHERN MOTHER.

They are all in the army, My three brave, gallant boys; They've changed the peace of home life For martial pomp and joys. < It tore my heart-strings sadly To see them march away. But when their country called them, I could not say them nay.

There's one that grasps a-true sword, Commissioned to command ; There's one within the ranks found 'With musket in his hand ; There's one, and he my youngest, Whose stirring drum doth beat The faultless, martial measure For proudly-stepping feet.

Their father fought before them On many a bloody plain-At Erie and at Chippewa, At York and Lundy's Lane. O, may his spirit nerve them When in the battle's brunt; For should they fail, I'll know then They bear their wounds in front.

God shield my three brave darlings Throughout these crimson wars! God help them in defending Our good old Stripes and Stars! God speed them on their mission To quell the Rebel foe 1 With strength, that each arch-traitor May need no second blow.

And when my youngest boy beats The loud long roll at night, That tells of foes advancing, And bids them arm for fight, God give unto my other boys,

Amid the battle's flame, To one-a dashing soul to lead, To one-unerring aim.

The list of slain and wounded I'll read with trembling breath, To see how many darling sons Have met untimely death. And should mize be among them And fell they there like braves, I would not wish them holier death. Nor ask them prouder graves! Washington, July 15. W.W.CURTIS.
