This gives an additional value, for to the beauties of its animating nature it adds the charm of life and motion. The process is a discovery of our own, and being unknown in Europe, we receive large orders from London and Paris for Anthony's Instantaneous Views of American life and scenery.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order? Are your bowels deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be arrested by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors, purify the blood, and let the fluids move unobstructed in health again. They stimulate the functions of the bowels, purify the system from the obstructions which make disease, and cold settles somewhere in the system, and obstruct its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by slow progress, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it, the buoyant feeling of health again. What is true and good is popular in this time of common complaint, is also true in many of the deep-seated and dangerous disorders. The same purgative effect exists there. Cases by slow progress, and through the aid of the natural functions of the bowels, they are rapidly, and many of them cured, by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forging Merchant of St. Louis, Feb. 4, 1855.
Dr. Ayer: Your Pills are the purgative of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long and repeatedly afflicted with hives and pimples over her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

As a Family Physic.
From Dr. E. H. Currier, New Orleans.
Your Pills are the pillar of purgatives. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Hemorrhage, Stiff Neck, Headache, Full Stomach.
From Dr. Edward Boyd, Baltimore.
Dear Dr. Ayer: I cannot answer you what complaints I have cured with your Pills better than to say that I have cured many more than I can mention. I can mention, however, one on an official certificate in my daily cabinet with me, and believing as I do that your Pills are the best we have, I of course value them highly.

Bilious Disorders—Liver Complaints.
From Dr. Theodore Bell, New York City.
Not only are your Pills admirably adapted to their purpose as a purgative, but their beneficial effects upon the liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I can truly rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

Dysentery, Diarrhoea, Relix, Worms.
From Dr. J. G. Green, of Chicago.
Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best preparations I have ever used. Their salutary effects upon the bowels, and their ability to relieve, when given in small doses for bilious dysentery and diarrhoea. Their sugar-coating makes them very palatable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.
From Dr. J. F. Hines, Pastor of Advent Church, Boston.
Dr. Ayer: I have used your Pills with extraordinary success in my family and among those I have called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.
From Dr. J. P. Vaughn, Montreal, Canada.
Too much can be said of your Pills for the cure of costiveness. If others of my family have found them as efficacious as I have, they should join me in recommending them to the benefit of the multitudes who suffer from that complaint, which, although but enough in itself, is the precursor of others that are worse. I believe costiveness to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston.
I find one or two large doses of your Pills, taken at the proper time, are excellent remedies of the natural secretions when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best, physic we have that I recommend no other to my patients.

From the Rev. Dr. Haines, of the Methodist Ep. Ch. of Chelsea, Essex Co., Mass., Jan. 7, 1856.
Having used your Cathartic Pills in my family, and finding them so excellent for the relief of the bowels, and for the cure of biliousness, I can truly recommend them to the benefit of the multitudes who suffer from that complaint, which, although but enough in itself, is the precursor of others that are worse. DR. MOTT'S CHALYBEATE RESTORATIVE PILLS OF IRON.

An aperient and Stomachic preparation of IRON purified of Oxygen and Carbon by combustion in Hydrogen. Sanctioned by the highest Medical Authorities, both in Europe and the United States, and prescribed in their practice.

The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexion indicates its necessity in almost every conceivable case. Innoxious in all maladies in which it has been tried, it has been found absolutely curative in each of the following complaints, viz: In Debility, Nervous Affections, Emaciation, Dyspepsia, Constipation, Diarrhoea, Dysentery, Incipient Consumption, Scrophulous Tuberculosis, Salt Rheum, Menses irregular, Whites, Chlorosis, Liver Complaints, Chronic Headaches, Rheumatism, Intermittent Fevers, Pimplex on the Face, &c.

In cases of General Debility, whether the result of acute disease, or of the continued diminution of nervous and muscular energy from chronic complaints, one trial of this restorative has proved successful to an extent which no description nor written attestation would render credible. Invalids long bereft of health have been forgotten in their own neighborhoods, have suddenly re-appeared in the busy world as if just returned from protracted travel in a distant land. Some very signal instances of this kind are attested to female Sufferers, emaciated victims of nervous exhaustion, sanguineous exhaustion, critical changes, and that complication of nervous and desultory aversion to air and exercise for which the physician has no name. In Nervous Affections of all kinds, and for reasons familiar to medical men, the operation of this preparation of iron must necessarily be salutary, for unlike the old oxides, it is vigorously tonic without being exciting and overstimulating; and gently, regularly aperient even in the most obstinate cases of costiveness without ever being a gastric purgative, or inflicting a disagreeable sensation.

It is this latter property, among others, which makes it so remarkable effectual and permanent a remedy for Piles, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them. In Dyspepsia, innumerable as are its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases, including the attendant Costiveness. In unchecked Diarrhoea, even when advanced to Dysentery, confirmed, emaciating, and apparently malignant, the effects have been equally decisive and astonishing.

In the local pains, loss of flesh and strength, debilitating cough, and remittent hectic, which generally indicate Incipient Consumption, this remedy has allayed the alarm of friends and physicians, in several very gratifying and interesting instances. In Scrophulous Tuberculosis, this medicated iron has had far more than the good effect of the most cautiously balanced preparations of iodine, without any of their well known liabilities. The attention of females cannot be too cordially invited to this remedy, and restorative, in the cases peculiarly affecting them. In Rheumatism, both chronic and inflammatory—in the latter, however, more decidedly—it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and muscles.

In Intermittent Fevers it must necessarily be a great remedy and energetic restorative, and its progress in the new settlements of the West will probably be one of high renown and usefulness. No remedy has ever been discovered in the whole history of medicine, which exerts such prompt, happy, and fully restorative effects—Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use.

MOFFAT'S LIFE PILLS AND PHENIX BITTERS.

THESE MEDICINES have now been before the public for a period of THIRTY YEARS, and during that time have maintained a high character in almost every part of the Globe, for their extraordinary and immediate power of restoring perfectly healthy persons suffering under nearly every kind of disease, to which the human frame is liable.

The following are among the distressing variety of human diseases in which the Vegetable Life Medicines are well known to be infallible. **DYSPEPSIA,** by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind; **PLAQUEY,** Loss of Appetite, Heartburn, Headache, Restlessness, Intemperance, Anxiety, Langour, and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure. **COSTIVENESS,** by cleansing the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels costive within two days. **FEVERS of all kinds,** by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstruction in others.

The Life Medicines have been known to cure **RHEUMATISM** permanently in three weeks, and **GOUT** in half that time, by removing local inflammation from the muscles and ligaments of the joints. **DROPSIES** of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of **GRAVEL** and **WORMS;** by dissolving from the tunings of the bowels the slimy matter to which these creatures adhere.

SCURVEY, ULCERS, AND INVERTERATE SORES, by the perfect purity which these LIFE MEDICINES give to the blood, and all the humors. **SCORBUTIC ERUPTIONS** and **BAD COMPLEXIONS,** by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy, and other disagreeable complexions. The use of these Pills for a very short time, will effect an entire cure of **SALT RHEUM,** and a striking improvement in the clearness of the skin. **COMMON COLDS** and **INFLUENZA** will always be cured by one dose, or by two in the worst cases.

PILES.—The original proprietor of these Medicines, was cured of Piles of 35 years standing, by the use of the LIFE MEDICINES alone. **FEVER AND AGUE.**—For this scourge of the Western country, these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system, subject to a return of the disease—a cure by these Medicines is permanent—TRY THEM, BE SATISFIED, AND BE CURED.

BILIOUS FEVERS AND LIVER COMPLAINTS.—General Debility, Loss of Appetite, and Diseases of Females—the Medicines have been used with the most beneficial results in cases of this description.—Kings Evil, and Scrophula, in its worst forms, yields to the mild yet powerful action of these remarkable Medicines. Night Sweats, Nervous Debility, Nervous Complaints of all kinds, Palpitation of the Heart, Painters' Colic, are speedily cured.

NERVOUS DISEASES.—Persons whose constitutions have become impaired by the injudicious use of Mercury, will find these Medicines a perfect cure, as they never fail to eradicate from the system, all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla. Prepared and sold by **W. B. MOFFAT,** 335 Broadway, New-York. For sale by all Druggists.

MRS. WINSLOW, An experienced Nurse and Female Physician, presents to the attention of mothers, her **SOOTHING SYRUP, FOR CHILDREN TEETHING,** which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—all will ALLY ALL PAIN and spasmodic action, and is **SURE TO REGULATE THE BOWELS.** Depend upon it, mothers, it will give rest to yourselves, and **RELIEF AND HEALTH TO YOUR INFANTS.** We have put up and sold this article for over ten years, and CAN SAY, IN CONFIDENCE AND TRUTH of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of commendation of its magical effects and medical virtues. We speak in this matter "WHAT WE DO KNOW," after ten years' experience, AND PLEDGE OUR REPUTATION FOR THE FULFILLMENT OF WHAT WE BEBE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS IN **THOUSANDS OF CASES.** It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve **GRIPING IN THE BOWELS, AND WIND COLIC** and overcome convulsions, which, if not speedily remedied, end in death. We believe it the BEST and SUREST REMEDY IN THE WORLD, in all cases of **DYSENTERY** and **DIARRHOEA IN CHILDREN,** whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—DO NOT LET YOUR PREJUDICES, NOR THE PREJUDICES OF OTHERS, stand between you and your suffering child, and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the face-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

UDOLPHO WOLFE'S AROMATIC SCHIEDAM SCHNAPPS

A SUPERLATIVE **TONIC, DIURETIC, ANTI-DYSPEPTIC, AND INVIGORATING CORDIAL**

To the Citizens of New Jersey and Pennsylvania, Apothecaries, Druggists, Grocers and Private Families. **Wolfe's Pure Cognac Brandy.** **Wolfe's Pure Maderia, Sherry and Port Wine.** **Wolfe's Pure Jamaica and St. Croix Rum.** **Wolfe's Pure Scotch and Irish Whisky.**

ALL IN BOTTLES. I beg leave to call the attention of the citizens of the United States to the above Wines and Liquors, imported by Udolpho Wolfe, of New York, whose name is familiar in every part of this country for the purity of his celebrated SCHIEDAM SCHNAPPS. Mr. Wolfe, in his letter to me, speaking of the purity of his Wines and Liquors, says: "I will stake my reputation as a man your standing as a merchant of thirty years' residence in the City of New York, that all the Brandy and Wines which I bottle are pure as imported, and of the best quality, and can be relied upon by every purchaser." Every bottle has the proprietor's name on the wax, and a fac simile of his signature on the certificate. The public are respectfully invited to call and examine for themselves. For sale at Retail by all Apothecaries and Grocers in Philadelphia. Geo. H. ASHROB, No. 832 Market St. Phil. Sole Agent for Philadelphia.

Read the following from the New York Courier: **ESOMOR'S BUSINESS FOR ONE NEW YORK MERCHANT.**—We are happy to inform our fellow-citizens that there is one place in our city where the physician, apothecary, and country merchant, can go and purchase pure Wines and Liquors, as pure as in our order, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will repay any stranger or citizen to visit Udolpho Wolfe's extensive ware-house, Nos. 18, 20 and 22, Beaver street, and Nos. 17, 19 and 21, Market street. His stock of Schnapps on hand ready for shipment could not have been less than thirty thousand cases; the Brandy, some ten thousand cases—Vintages of 1836 to 1856; and ten thousand cases of Maderia, Sherry and Port Wine, Scotch and Irish Whisky, Jamaica and St. Croix Rum, some very old and equal to any in this country. He also had three large cellars, filled with Brandy, Wine, &c., in cases, under Custom-House key, ready for bottling. Mr. Wolfe's sales of Schnapps last year amounted to one hundred and eighty thousand dozen, and we hope in less than two years he may be equally successful with his Brandy and Wines.

His business merits the patronage of every lover of his species. Private families who wish pure Wines and Liquors for medicinal use should send their orders direct to Mr. Wolfe, until every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves, and replace it with Wolfe's pure Wines and Liquors.

We understand Mr. Wolfe, for the accommodation of small dealers in the country, puts up assorted cases of Wines and Liquors.—Such a man, and such a merchant, should be sustained against his tens of thousands of opponents in the United States, who sell nothing but imitations, ruinous alike to human health and happiness. DO YOU WANT WHISKERS? DO YOU WANT WHISKERS? DO YOU WANT A MUSTACHE? DO YOU WANT A MUSTACHE? BELLINGHAM'S CELEBRATED STIMULATING ONGUENT.

For the Whiskers and Hair. The subscribers like plea are in announcing to the Citizens of the United States, that they have obtained the Agency for, and are now enabled to offer to the American public, the above justly celebrated and world-renowned article. **THE STIMULATING ONGUENT** is prepared by D. C. P. BELLINGHAM, an eminent physician of London, and is warranted to bring out a thick set of Whiskers or a Mustache, in from three to six weeks. This article is the only one of the kind used by the French, and in London and Paris it is in universal use. It is a beautiful, economical, soothing, yet stimulating compound, acting as if by magic upon the roots, causing a beautiful growth of luxuriant hair. If applied to the scalp, it will cure baldness, and cause to spring up in place of the bald spots a fine growth of new hair. Applied according to directions, it will turn black or towy hair dark, and restore gray hair to its original color, leaving it soft, smooth and flexible. The "ONGUENT" is an indispensable article in every gentleman's toilet, and after one week's use they would not for any consideration be without it.
