MOTHERS, READ THIS .- The following is an extract from a letter written by the pastor of a Baptist Church to the "Journal and Messenger," Cincinnati, Ohio, and speaks volumes in favor of that world-renowned medicine-MRS. WINSLOW'S SCOTHING SYRUP FOR CHIL-DREN TRETHING:

We see an advertisement in your columns of Mrs. Winslow's Soothing Syrup. Now we never said a word in favor of a patent medi-cine before in our life, but we feel compelled to say to your readers, that this is no humbug WE HAVE TRIED IT, AND ENOW IT TO BE ALL IT GLAIMS. It is, probably, one of the most successful medicines of the day, because it is one of the best. And those of your readers who reference. supply."

Are you sick, feells, and complaining? Are you out of order, with your system doranged, and your feelings uncombrable? These, symptoms are often the prelude to serious illuess. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Fills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make a characteristic is natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Fills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of liestill again. What is true and so apparent in this trivial and common complaint, its also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the hadron functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statement's from leading physicians in some of the principal cities, and from other well known public persons.

As a Family Physic. From Dr. E. W. Curlwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities; surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Billous Disorders — Liver Complaints.

From Dr. Theodore Bell, of New York: City.

Not only are your Pills admirably adapted to their purpose as an aperiont, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

by the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb., 1856.

Size: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable reniedy for derangements of that organ! Indeed, I have seldom found a case of bilious disease so obtains that it did not readily yield to them.

Fraternally yours, Alonzo Balla, M. D.,

L'hysician of the Marine Hospital.

Dysenteny, Diarrhea, Relax, Worms. Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterntive effect upon the liver makes them an excellent remedy, when given in small doses for billious dyscalery and diarrica. Their sugar-coating makes them very acceptable and convenient for the use of wenien and children.

Dyspepsia, Impurity of the Blood. From Rev. J. V. Himes, Pustor of Advent Church, Boston.
Dr. Aven: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have over known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855.

Drap Sm: I am using your Cathartic Fills in my practice, and find them an excellent purative to cleanse the system and purify the foundains of the blood.

JUHN G. MEACHAM, M. D.

Constipution, Costiveness, Suppression, Rheumatism, Gout, Neuralgin, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of costireness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costireness to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Suart, Physician and Midwife, Boston I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse, the stonach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church. From the Rev. Dr. Hawker, of the Mchodist Fpis. Church.

PCLASKI HOUSE, Savannah, Ga., Jan. 6, 1856.

HONORED Sin: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on exercicating neuralgic pains, which ended in chronic rheumerism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills! Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

Senate Champer, Baton Rouge, La., 5 Dec. 1855.

Dr. Aven: I have been entirely cured, by your Pills, Rhemodic Gout—a painful disease that had afflicted it for years.
