Are you sick, feeble, and complaining? Are you put of order, with your system decomplaining? Are you put of order, with your system decomplaining? Are you put of order, with your system decomplaining? Are you put of order, with your system decomplaining? Are you put of order, with your system decomplaining? Are you put of order, with your system decomplaining? Are you put of order, with your feelings unconfortable? These symptoms are decomplained by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids more on unobstruction which in the obstructions which imake disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the decangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the broyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many, of them surely, cured by the same means. None who know the virtues of those Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

Brazil

From a Forwarding Merchant of St. Louis, Feb. 4, 1856. Dr. Aven. Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of alcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievnusly afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

From Dr. E. W. Curturight, New Orleans.
Your Pills are the prince of parges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease. Hendache.SickHendache.Foul Stomach.

Dean Bro. Aren: I cannot auswer you what complaints
I have cared with your Pills better than to say all that we need treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with liseuse, and believing as I do that your Pills afford us the best we have, I of course value them highly.

PITTSBURG, Pa., May 1, 1855.

DR. J. C. ATER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleans at once.

Sin: I have used your Pills in my general and hospital practice over since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided; consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found o case of bilious disease so obstimate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,

Dysentery, Diarrhea, Relax, Worms. From Dr. J. G. Green, of Chicago. From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best apericuts I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for billious "igsentery and diarrham. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood. From Rev. J. V. Himes, Pustor of Advent Church, Boston.
Dr. Aven: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.
