

ANNOUNCEMENTS.

President Judge.
As the time of the meeting of the Convention is near at hand, and Potter County will be called upon to give expression of her preference for President Judge, please announce the name of Hon. C. B. Curtis, of Warren, as a candidate. Mr. Curtis is justly considered one of the most able lawyers of north-western Pennsylvania, and not being a resident of this district, is less likely to have prejudices for or against any of the parties who may claim the decision of justice during the next term, than one who has lived in the District.

Announce the name of the Hon. ROBERT G. WHITE, of Tioga county, as a candidate for re-election to the office of President Judge. Having served one official term as Judge of this District, he has become acquainted with its peculiar business, given entire satisfaction to the people, is just in the prime of life, and the people of this county think there is no need of changing merely for the sake of change. Judge WHITE'S decisions have been just, intelligent and merciful, the people of the district can do no better than return him who having once served them faithfully it is but justice to infer will continue to do so.

Associate Judge.
Announce the name of COLLINS SMITH, of Coudersport, as a candidate for Associate Judge, subject to the decision of the Republican Convention.

Commissioner.
Announce the name of BARNEY HUGHES, of Coudersport, as a candidate for Commissioner. He is every way qualified for the duties of the office, and will make a faithful officer if elected.

We publish, to the exclusion of other interesting matter, the speech of the Hon Daniel S. Dickinson, which we commend to the careful perusal of all who yet have doubts as to the propriety, necessity or justice of the present military effort to subdue rebellion and save our country from dismemberment and ruin.

Two Military Companies (one Battalion) under command of Maj. Jno. M. KILBOURNE, leave Potter county for the War, to-morrow. Will give the list of officers and men in our next, with the whole number that have left the county, which we think will make Potter the Banner county of Pennsylvania, in the good work of furnishing men for the war. Hurrah for Potter!

A large meeting was held this (Wednesday) afternoon, at which speeches were made by Messrs. Arthur G. Olmsted, Captain N. J. Mills, and Major Kilbourne.

Hon. Judge R. G. White was nominated for re-election in Tioga county, by acclamation.

County Convention meets on next Tuesday, in this place. Let their be full delegations present, and have competent and popular men put in nomination so that there be no need of bogus Union or independent candidates.

The American Agriculturist, for September, has been received, full of instruction to the farmer and gardener. It is a journal that should be in the hands of every intelligent farmer.

AYER'S Sarsaparilla
FOR PURIFYING THE BLOOD.
And for the speedy cure of the following complaints: Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Imples, Pustules, Itchings, Boils, Blains, and all Skin Diseases.
OAKLAND, Ind., 6th June, 1859.
J. C. AYER & Co. Gent: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having been afflicted with Scrofula, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alternative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and procured a bottle of it, and used it for a month, as you advise, in small doses of a teaspoonful or a month, and used almost three bottles. New and healthy skin began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell that I feel that you are one of the best of the age, and remain ever gratefully.
ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Skin Itch, Ringworm, Scrofula, Bronchitis, Gout or Swelled Neck.
Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept, 1859, that he has cured an inveterate case of Erysipelas which had been constantly recurring, and preserving use of our Sarsaparilla, and also a dangerous malignant Erysipelas by large doses of the same; says he cured a case of Scrofula, and a case of Bronchitis, Gout or Swelled Neck. Zeblun Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Gout—a hideous swelling of the neck, which I had suffered from over two years."
Leucorrhoea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. Channing, of New York City, writes: "I most cordially comply with the request of your agent, saying I have found your Sarsaparilla a most excellent alternative in the numerous complaints for which we employ it, especially in Female Diseases, such as Scrofula, Leucorrhoea, &c., and in some of the most complicated cases of Scrofula, where the action itself is soon cured. Nothing within my knowledge equals it for these female derangements."
Dr. C. A. Ayer, of Lowell, Mass., writes: "A dangerous ovarian tumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. My physician thought nothing but extraction could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it cured the tumor, and the patient is now perfectly well, and free from the disease."

Syphilis and Mercurial Disease.
Dr. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla. I have cured with it, in my practice, most of the complaints which it is recommended to cure, and its effects truly wonderful in the cure of Piles and Mercurial Disease. One of my patients had Syphilis ulcers in his mouth, which were consuming his lips and the top of his mouth. Your Sarsaparilla, steadily taken, dried him in five weeks. Another was attacked by severe erysipelas, which was spreading rapidly, and threatened away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But his physician, by the use of your Sarsaparilla, has cured him, and he is well again, not of course without some disfigurement to his face. A woman who had been disabled by Syphilis, and who was unable to do any kind of work, has been cured by your Sarsaparilla. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks, and she is now perfectly well, and she has no more of her complaint. This preparation from your laboratory must be a great remedy for such cases, and their truly remarkable results will I have not surprised me.

Fraternally yours, G. V. FARMER, M. D.

Ayer's Cherry Pectoral
FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Croup, Whooping Cough, and all the Affections of the Throat in advanced Stages of the Disease.
This is a remedy so universally known and so superior to any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivaled excellence for coughs and colds and its truly wonderful power in pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not so much to assure them that it has now all the virtues that it has when making the cures which have won so strongly upon the confidence of mankind.
