J. C. Aven & Co. Gents: I feel it my duty to acknowledge what, your, Sarsaparilla has done for mee Having inherited a Scrodnous infection. I have saffered from it in various ways for years. Sometimes it burst out in Uleers on my hands and arms; sometimes it turned inward and distressed mid at the stomach. Two years ago it broke out on my lead and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I at led many medicines and several physicians, but without much reliefarom any thing. In fact, the disorder grew worse: At length! I was rejoiced to read in the Gospel Biessengerithat you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made miss to good. I sent to Cincinnatiand got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoorful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully.
