They are taken in the fortieth part of a second, and everything, no matter how rapidly it may be moving, is depicted as sharply and distinctly as if it had been perfectly at rest. This gives an additional value, for to the beauties of inaminute nature it adds the charm of life and motion. The process is a discovery of our own, and being unknown in Europe, we re-ceive large orders from London and Paris for Anthony's Instantaneous Views of American life and scenery.

Are you sick, feele, and complaining? Are you out of order, with your system deranged and your feelings uncountortable? These symptoms are often the prelude to serious illness. Same fit of sichness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cole settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general argravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's lills, and see how directly they restore the natural action of the system, and with it the budyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-scated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangement of the natural functions of the bythe same means. DR. Aven. Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerons seven upon her hands and feet that had proved incurable for years. Her mother; has been long grievously afflicted with blotches and pimples on her skin and in her, hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic. From Dr. E. W. Curtwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are nilld, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily Headache, Sick Headache, Fonl Stomach.

Dan Bao, Arm: I cannot answer you what complaints I have core I with your Pills better thanks any all that we need to the with a pary-tire medicine. I place great dependence on an effectual cathertic in my daily contest with ligures, and believing as I do that your Pills afford us the best we have, I of course value them highly.

Da. J. C. Ayra. Sir: I have been repeatedly cured of the worst headache any body can have by a dess or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. Yours with great respect, FD. W. PREBLE,

DEMARKENT OF THE INTERIOR, Washington, D. C., 7th Feb., 1856.

SIR! I have used your Pills in my general and hospital practice ever successor used them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of billous disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,

Physician of the Barrine Hospital.

Dyscutery, Diarrhea, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients! I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for Lilious dysentery and durrhade. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dr. Arki: I have used your Pills with extraordinary
success in my family and among those I am called to visit

over known, and I can confidently recommend them to
my friends.

Constipation, Costiveness, Suppression, Rheumatism, Gont, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vaugin, Montreal, Canada.

Too much cannot be said of your Pills for the cure of costiveness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is tho progenium of others that are worse. I believe outcreass to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston. Time one or two large does of your Pills, taken at the proper time, are excellent premotives of the natural secretion when whether or partially suppressed, and also very effectual to cleaner the atomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church. Prince Rev. Dr. Harskes, of the Methodist Epis. Chilled.

Prince I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on exeruciating neuralgic pains, which ended in chronic rheumalism. Nowthistanding I had the bast of physicians, the disease grew worse and tworse, until by the advice of your excullent agent in Baltimora, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.
