Anthony's Instantaneous Stereoscopic Views are the latest Photographic wonder. They are taken in the fortieth part of a second, and everything, no matter how rapidly it may be moving, is depicted as sharply and distinctly as if it had been perfectly at rest. This gives an additional value, for to the beauties of inanimate nature it adds the charm of life, and motion. Mothers, READ THIS .- The following is an extract from a letter written by the pastor of a Baptist Church to the "Journal and Messenger," Cincinnati, Ohio, and speaks volumes in favor of that world-renowned medicine-MRS. WINSLOW'S SCOTHING SYRUP FOR CHIL-

DREN TEETHING: We see an advertisement in your columns of Mrs. Winslow's Soothing Syrup. Now we administrator's or Executor's Notice, 2 00 mover said a word in favor of a patent medicine before in our life, but we feel compelled Special and Editorial Notices, per line, 10 Special and Editorial Notices, per line, 10 Special and Editorial Response of the state of the stat to say to your readers, that this is no humbug to say to your readers, that this is no humbug and in advance, and no notice will be taken chains. It is, probably, one of the most successful medicines of the day, because it is one of the best. And those of your readers who have babies can't do better than to lay in a specific babies can't babies can be specific babies can be specific babies.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your fielings uncomfortable? These symptoms are often the prelude to serious. Hiness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pilis, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into tigorous activity, purify the system from the obstructions which make onewhere in the body, and observed the strength of the system from the obstructions which make onewhere in the body, and observed the system from the property of the system from the property of the property

tivity, purity the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing, general argravation? suffering, and disease. While in this condition, oppressed by the deraugements, take Ayer's Pills, and see how directly they restore the natural action of the system; and with It the budyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and deraugements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

J.Rice

Wis.

From a Forwarding Merchant of St. Louis, Ftb. 4, 1856. Dr. Aven. Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for, years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic.

From Dr. E. W. Curturight, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily

Headache, SickHeadache, Foul Stomach

From Dr. Edward Boyd, Ballimore.

Dran Ino. Argh: I cannot answer you what complaints I have cared with your Pills better than to say all that we zer treat with a pargutire medicine. I place great dependence on an effectual cathartic in my daily contest with lisease, and believing as I do that your Pills afford us the best we have, I of course value them highly. PITTSBURG, Pa., May 1, 1855.

DR. J. C. Ayen. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE, Clerk of Sleamer Clarion.

Bilious Disorders - Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Theorety rery marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb., 1856.

Sm.; I have used your Fills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathurtic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious discars so obstinute that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Hospital.

Dysentery, Diarrhea, Relax, Worms. From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhea. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.
From Rev. J. V. Himes, Pastor of Advent Church, Boston.
Dn. Aren: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

Dean Sta: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the foundains of the blood.

JOHN G. MEACHAM, M. D.

Our establishment is the great emporium for everything in the stereoscopic line, and our assortment is the most complete probably of any in the world.

The stereoscope is the most instructive interesting, entertaining, amusing and exciting of modern inventions.

None are too young, none too old, none too intelligent, none too uneducated, to acknowledge its worth and beauty.

No home is complete without it, and it will and any treatment of the complete without it, and it will and any treatment of the stereoscopic line, and our that complaint, which, although had drough in itself, is the progenitor of others that are worse. I believe costing the stereoscopic line, and our the disease.

From Mrs. E. Shart Division and Midnife Dates.

From Mrs. E. Stuart, Physician and Midwife, Boston. I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural servetion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

PULASKI HORSE, Sarannah, Ga., Jan. 6, 1856.

Hanonen Sin: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on exernciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I land the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Fills: Their effects yere slow, but sure. By persovering in the use of them, I am now entirely well.

Senate Chamber, Baton Ronge, La., 5 Dec. 1855. Dr. Ayer: I have been entirely cured, by your Pills, o Rheumatic Gout—a painful disease that had afflicted in for years.

Ar Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public will, from the dreadful consequences that frequently follow its incautious use.
