It is, probably, one of the most suc-caesful medicines of the day, because it is one of the best. And those of your readers who have bables can't do better than to lay in a supply!"

Are you sick. Cole. and complaining? Are you ont of order, with your system deringed, and your feelings uncomfortable? These symptoms are often the preduct to stefeness is creeping upon you, and should be arreited by a timely use of the right remody. Take, Ayer's Pills, and cleause out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system free time obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general agravation, suffering, and disease. While in this comittion, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the biograph feeding of health again. What is true and so apparent to this trivial and common complaint, is also true in many of the deep-scated and dangerous distempore. The same purgative effect expels them. Causal by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of then surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.
