DREX TEETHING:
"We'see an advertisement in your columns of Mrs. Winslow's Soothing Syrup. Now we never said a word in favor of a patent medicine before in our life, but we feel compelled to say to your readers, that this is no humbug WE HAVE TRICD IT, AND KNOW IT TO BE ALL IT CLAIMS. It is, probably, one of the most successful medicines of the day, because it is one of the best. And those of your readers who have habies can't do better than to lay in a

AYER'S CATHARTIC PILLS.

Are you sick, feelle, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the predact to sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleans out the disordered humors—purify the blood, and letter the structs its natural functions. These, if, not relieved, reactupon themselves and the surrounding organs, producing general agravation, suffering, and disease. While in this condition, oppressed by the decangements, take Ayer's Pills, and see low directly they restore the natural action of the system, and with it the buoyant feeling of heatth again. What is true and so apparent in this trivial and common complaint, is also true in miany of the deep-scated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Billous Disorders - Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their pursons as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious combinates than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DIPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb., 1856.

Sm.: I have used your Pills in my generalized hospital practice ever since you made them, and cannot hesitate to say they are the best catharric we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remety for derangement of that organ. Indeed, I have seldom found a case of bilious disease so obstinute that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Hospital.

Dysentery, Diarrhea, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had along trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alternity effect upon the liver makes them an excellent remedy, when given in small doses for bittons dysentery and diarrhau. Their sugar-conting makes them very acceptable and convenient for the use of women and children.

Himes, Pastor of Advent Church, Boston, Dr. Aven: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

From Dr. J. P. Vanglin, Montreel, Cenada.

Too much cannot be said of your Pills for the cure of costeveness. If others of our fraternity, have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although had enough in itself, is the progenitor of others that are worse. I believe continuous to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Suart, Physician and Midwife, Boston. I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to channe the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.
