Are you sick, feebe, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious lilness. Some fit of sickness is creeping upon you, and should be arerted by a timely use of the right remedy. This Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructs its natural functions. These if not relioved, react upon themselves and the surrounding organs, producing general aggravation,' suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint; is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Cansel'by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

From Dr. E. W. Curtwright, New Orleans. Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of discase.

Headache, Sick Headache, Foul Stomach. From Dr. Edward Boyd, Baltimore.

DEAR BIO. Aven: I cannot answer you what complaints
I have eare t with your Pills better than to say all that we
ever treat with a projective medicine. I place great dependence on an effectual cathartic in my daily contest with

best we have, I of course value them highly.

DR. J. C. Aver. Sir: I have been repeatedly cured of the worst headinghe any body can have by a dose or two frour Pills. It seems to arise from a foul stomach, which they cleans at once.

Yours with great respect, ED. W. PREBLE, Clerk of Steamer Clarion.

From Dr. J. G. Green, of Chacago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bitious dysentery and diarrhou. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Our establishment is the great emporium for everything in the stereoscopic line and our assortment is the most complete probably of any in the world.

The stereoscope is the most instructive, interesting, entertaining, amusing and exciting of modern inventions.

None are too young, none too old, none too intelligent, none too uneducated, to acknow the stories of our fraternity laws found them that complaint, which, although had enough in itself, is the progenitor of others that are worse. I believe continued to the inventories to originate the liver, but our pitts affect that tiveness to originate in the liver, but your Pills affect that organ and cure the disease.

Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.
